Consideration: Award Invitation for Bid #2021-008

Project: 2021 Biosolids Load, Haul, and Land Application

Partner/Supplier: Sno-Valley Farms Inc.

Location: Everett Water Pollution Control Facility

Preceding action: 2/17/2021 - Authorizing Release of Invitation for Bid for the Biosolids Haul and Land Application Project.

Fund: Utilities, 401

Fiscal summary statement:

The biosolids project will be paid from Fund 401-5-200-112-646-480. The job cost number for this project will be UT3752-10-480.

There is sufficient budget authority in this fund to cover the low bid of \$311,600.

Project summary statement:

The City's Water Pollution Control Facility produces approximately 2,000 dry tons of biosolids on a two-year cycle. The biosolids are used for agricultural application. The award of IFB 2021-008 will allow Sno-Valley Farms Inc. to apply Department of Ecology regulated biosolids at facilities that have been permitted to receive biosolids as a soil amendment.

Invitation for Bid #2021-008 was released on February 18, 2021, and bids were received on March 23, 2021. The solicitation was sent to five suppliers, posted on the City website, and advertised in the Everett Herald. Responses were received as shown in the attached bid tabulation.

Recommendation (exact action requested of Council):

Award Invitation for Bid #2021-008 Biosolids Loading, Hauling & Land Application to Sno-Valley Farms Inc. in the amount of \$311,600.00, which is not subject to Washington State sales tax.
