Council President

**Fund:** 401  
**Fiscal summary statement:**

Funding for the auxiliary equipment was approved in the 2021 equipment replacement budget and will be paid from Utilities fund 401.

The City has spent \$287,155.54 year-to-date on this contract on prior equipment purchases. In compliance with the Procurement policy, this purchase and any additional purchases will be brought to council for award.

**Project summary statement:**

Departments have requested to replace the auxiliary equipment listed in the table below.

Department	New Equipment Requested	New Unit #	Replacing Vehicle #	Cost
Public Works – Water Filtration Plant	Service Body and Upfit	J0184	J0040	\$114,915.58
Public Works – Water Pollution Control Facility	Snowplow and Upfit	J0164	N/A	\$9,928.12

\$124,843.70

The Public Works Utilities service body and upfit are needed to replace previous worn-out equipment. The new service body and upfit for the Water Filtration Plant (WFP) is larger for improved accessibility to tools and materials and work efficiency. A 2,000-pound equipment crane will be attached to the body for moving heavy items and transporting the items back and forth between job sites.

The Water Pollution Control Facility (WPCF) requires a snowplow and upfit for future snow events. The snowplow will allow WPCF maintenance staff to clear the roads to their facility so that staff can continue to perform daily plant operations and maintenance.

All the auxiliary equipment is available for purchase from Northend Truck Equipment Co., Inc. through the City of Seattle competitively bid Contract #3205/EVT#2018-064. The City has an Interlocal agreement with City of Seattle that allows for purchases from its competitively awarded contracts in lieu of soliciting bids on our own.

**Recommendation (exact action requested of Council):**

Award and authorize purchase of one service body, upfit, and one snowplow from Northend Truck Equipment Co., Inc. from City of Seattle Contract #3205/EVT#2018-064 in the amount of \$124,843.70, including Washington state sales tax.
