Council President

**Project summary statement:**

Staff has completed analysis of two policy options regarding the future of transit in Everett. The options are the Long-Range Plan – Growth Option (identified in the City Council adopted Everett Transit long range plan) and the Unified option (identified as merging with Community Transit).

Nelson/Nygaard Consulting assisted city staff and Community Transit staff with the comparison analysis conducted against the baseline of the current funding structure for Everett Transit.

This briefing summarizes the project’s technical analysis and presents the feedback from survey respondents for the Phase 2 outreach. This is the final planned report for this project.

**Recommendation (exact action requested of Council):**

A briefing and project report.
