Consideration: Award Construction Contract**Project:** Water Main Replacement “W”**Partner/Supplier:** Quilceda Excavation Inc.**Location:** Wilmington from 52nd to Evergreen Way. Hoyt Ave from 44th to 41st St.**Preceding action:** Call for Bids 3/23/2022**Fund:** Fund 336 – Water & Sewer System Improvements Fund**Fiscal summary statement:**

The funding source for this project will be Fund 401 Water and Sewer Utility Fund. The programmed available funding, as established by City Ordinance No. 3813-21 is \$2,000,000.

Project summary statement:

The project will replace approximately 3,900 feet of aging cast iron water mains that are prone to breaking and to upsize pipes to provide the required fire suppression flow as identified in the 2020 Comprehensive Water Plan. The project was designed in-house. Service lines will be replaced within the right-of-way. Restoration will include replacement of sidewalks and curbs, where removed for installation of the water main and services.

Bid opening for the Water Main Replacement “W” project was held on May 3, 2022. Six bids were received. The lowest bid received was from SRV Construction at \$1,697,426.38. Upon review of the proposal from SRV, it was discovered that SRV’s Disadvantaged/Minority/Women’s Business Enterprise Certification was left blank. This Certification concerns solicitation of minority group employees and subcontractors as required by state law. The bid documents expressly state that failure to properly complete the Certification means that the bid will be rejected.

Accordingly, the lowest responsive and responsible bidder is the next bidder, Quilceda Excavation Inc., with a bid of \$1,843,150.92. The Engineer’s estimate was \$1,969,513.47. City staff recommends awarding the construction contract to Quilceda Excavation Inc.

Recommendation (exact action requested of Council):

Reject SRV Construction’s bid and award the construction contract for the Watermain Replacement “W” project to Quilceda Excavation Inc., in the amount of \$1,843,150.92

3200 Cedar Street,
