Great Turnout for Mayor Franklin's Visit on January 18, 2018

Thank you so much to all of the people who turned out for the meeting with our new mayor Cassie Franklin. Like I shared at the meeting, a good meeting for us is around 20-25 people. A really good meeting is around 40 people.

We exceeded 80! What a great feeling to see connections being made in our neighborhood and across our city.

Thank you to our Holiday Party Chairs, Joni Smith and JT Dray! We had a lovely time at the Greenside Grill. **Join us in 2018 on Saturday, December 1st!**

Please remember to bring non-perishable food to our monthly meetings. We alternate giving to the Volunteers of America and the Everett Community College food pantry.

Matching Funds Submitted

We have submitted four matching fund project proposals to the City of Everett for the \$2000 of funds available to each neighborhood to further community engagement. Our projects include the Easter Egg Hunt, improvements for Drew Nielsen Park, the neighborhood cleanup at EvCC, and a social welcoming picnic in September. Stay tuned for opportunities to volunteer or participate.

Any other projects you want to lead or support? Please contact us with your ideas. Community happens when we all get involved. :-)

The Port of Everett and the Northwest Neighborhood

The Everett waterfront is improving right before our eyes. It is becoming a resource that will better serve the city's residents, draw visitors from abroad and provide cultural, dining and recreational facilities to benefit us all. The Northwest Everett Neighborhood is fortunate to be so close to all that is happening, even if we must endure a little banging from time-to-time.
