**ARTICLE II. ADMINISTRATIVE AND/OR FINANCIAL REQUIREMENTS**
The Subrecipient shall comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to the 17EMPG Program, including, but not limited to, all criteria, restrictions, and requirements of the "Department of Homeland Security (DHS) Notice of Funding Opportunity (NOFO) Fiscal Year (FY) 2017 Emergency Management Performance Grant (EMPG)" document, the DHS Award Letter for Grant No. EMS-2017-EP-00004-S01, and the federal regulations commonly applicable to DHS/FEMA grants, all of which are incorporated herein by reference. The DHS Award Letter is incorporated in this Agreement as Attachment 1.

The Subrecipient acknowledges that since this Agreement involves federal award funding, the period of performance described herein may begin prior to the availability of appropriated federal funds. The Subrecipient agrees that it will not hold the Department, the State of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Agreement prior to distribution of appropriated federal funds, or if federal funds are not appropriated or in a particular amount.

**A. STATE AND FEDERAL REQUIREMENTS FOR DHS/FEMA PREPAREDNESS GRANTS:**
The following requirements apply to all DHS/FEMA Preparedness Grants administered by the Department.

1. **SUBAWARDS & CONTRACTS BY SUBRECIPIENT**
   a. The Subrecipient must make a case-by-case determination whether each agreement it makes for the disbursement of 17EMPG funds received under this Agreement casts the party receiving the funds in the role of a subrecipient or contractor in accordance with 2 CFR 200.330.

   b. If the Subrecipient becomes a pass-through entity by making a subaward to a non-federal entity as its subrecipient:
      i. The Subrecipient must comply with all federal laws and regulations applicable to pass-through entities of 17EMPG funds, including, but not limited to, those contained in 2 CFR 200.
      
      ii. The Subrecipient shall require its subrecipient to comply with all applicable state and federal laws, rules, regulations, requirements, and program guidance identified or referenced in this Agreement and the informational documents...
published by DHS/FEMA applicable to the 17EMPG Program, including, but not limited to, all criteria, restrictions, and requirements of the "Department of Homeland Security (DHS) Notice of Funding Opportunity (NOFO) Fiscal Year 2017 Emergency Management Performance Grant (EMPG)" document, the DHS Award Letter for Grant No. EMS-2017-EP-00004-S01 in Attachment 1, and the federal regulations commonly applicable to DHS/FEMA grants.

iii. The Subrecipient shall be responsible to the Department for ensuring that all 17EMPG federal award funds provided to its subrecipient are used in accordance with applicable federal and state statutes and regulations, and the terms and conditions of the federal award set forth in Attachment 1 of this Agreement.

2. BUDGET & REIMBURSEMENT
   a. Within the total Grant Agreement Amount, travel, sub-contracts, salaries, benefits, printing, equipment, and other goods and services or other budget categories will be reimbursed on an actual cost basis unless otherwise provided in this Agreement.
   b. The maximum amount of all reimbursement requests permitted to be submitted under this Agreement, including the final reimbursement request, is limited to and shall not exceed the total Grant Agreement Amount.
   c. If the Subrecipient chooses to include indirect costs within the Budget (Exhibit E), an indirect cost rate agreement negotiated between the federal cognizant agency for indirect costs and the Subrecipient establishing approved indirect cost rate(s) as described in 2 CFR 200.414 and Appendix VII to 2 CFR 200 must be submitted to the Department. However, under 2 CFR 200.414(f), if the Subrecipient has never received a negotiated indirect cost rate agreement establishing federally negotiated rate(s), the Subrecipient may negotiate a rate with the Department or charge a de minimis rate of 10% of modified total direct costs. The Subrecipient’s actual indirect cost rate may vary from the approved rate, but must not exceed the approved negotiated indirect cost rate percentage for the time period of the expenditures. If a Subrecipient chooses to charge the 10% de minimis rate, but did not charge indirect costs to previous subawards, a request for approval to charge indirect costs must be submitted to the Department Key Personnel for approval with an explanation for the change.
   d. For travel costs, the Subrecipient shall comply with 2 CFR 200.474 and should consult their internal policies, state rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended, and federal maximum rates set forth at http://www.gsa.gov, and follow the most restrictive. If travel costs exceed set state or federal limits, travel costs shall not be reimbursed without written approval by Department Key Personnel.
   e. Reimbursement requests will include a properly completed State A-19 Invoice Form and Reimbursement Spreadsheet (in the format provided by the Department) detailing the expenditures for which reimbursement is sought. Reimbursement requests must be submitted to Reimbursements@mil.wa.gov no later than the due dates listed within the Timeline (Exhibit D), but not more frequently than monthly.

Reimbursement request totals should be commensurate to the time spent processing by the Subrecipient and the Department. If the reimbursement request isn’t substantial enough, the Subrecipient should request prior written approval from Department Key Personnel to waive the due date in the Timeline (Exhibit D) and instead submit those costs on the next scheduled reimbursement due date contained in the Timeline.

f. Receipts and/or backup documentation for any approved items that are authorized under this Agreement must be maintained by the Subrecipient consistent with record retention requirements of this Agreement and be made available upon request by the Department and auditors.

g. Any request for extension of a due date in the Timeline (Exhibit D) will be treated as a request for Amendment of the Agreement and must be submitted to the Department Key Personnel sufficiently in advance of the due date to provide adequate time for Department
review and consideration, and can be granted or denied within the Department's sole discretion.

h. All work under this Agreement must end on or before the Grant Agreement End Date, and the final reimbursement request must be submitted to the Department within 45 days after the Grant Agreement End Date, except as otherwise authorized by written amendment of this Agreement and issued by the Department.

i. No costs for purchases of equipment/supplies will be reimbursed until the related equipment/supplies have been received by the Subrecipient, its contractor, or any non-federal entity to which the Subrecipient makes a subaward and is invoiced by the vendor.

j. Failure to timely submit complete reports and reimbursement requests as required by this Agreement (including, but not limited to, those reports in the Timeline) will prohibit the Subrecipient from being reimbursed until such complete reports and reimbursement requests are submitted and the Department has had reasonable time to conduct its review.

k. Final reimbursement requests will not be approved for payment until the Subrecipient is current with all reporting requirements contained in this Agreement.

l. A written amendment will be required if the Subrecipient expects cumulative transfers to budget categories, as identified in the Budget (Exhibit E), to exceed 10% of the Grant Agreement Amount. Any changes to budget category totals not in compliance with this paragraph will not be reimbursed without approval from the Department.

m. Subrecipients shall only use federal award funds under this Agreement to supplement existing funds, and will not use them to replace (supplant) non-federal funds that have been budgeted for the same purpose. The Subrecipient may be required to demonstrate and document that a reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

3. REPORTING
   a. With each reimbursement request, the Subrecipient shall report how the expenditures, for which reimbursement is sought, relate to the Work Plan (Exhibit C) activities in the format provided by the Department.
   
b. With the final reimbursement request, the Subrecipient shall submit to the Department Key Personnel a final report describing all completed activities under this Agreement.
   
c. In conjunction with the final report, the Subrecipient shall submit a separate report detailing how the EMPG Training and Exercise requirements were met for all personnel funded by federal or matching funds under this Agreement.
   
d. The Subrecipient shall comply with the Federal Funding Accountability and Transparency Act (FFATA) and related OMB Guidance consistent with Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note) and complete and return to the Department the FFATA Form located at http://mil.wa.gov/emergency-management-division/grants/requiredgrantforms, which is incorporated by reference and made a part of this Agreement.
   
e. The Subrecipient shall participate in the State's annual capabilities assessment for the State Preparedness Report.

4. EQUIPMENT AND SUPPLY MANAGEMENT
   a. The Subrecipient and any non-federal entity to which the Subrecipient makes a subaward shall comply with 2 CFR 200.318 – 200.326 when procuring any equipment or supplies under this Agreement, 2 CFR 200.313 for management of equipment, and 2 CFR 200.314 for management of supplies, to include, but not limited to:
      
i. Upon successful completion of the terms of this Agreement, all equipment and supplies purchased through this Agreement will be owned by the Subrecipient, or a recognized non-federal entity to which the Subrecipient has made a subaward, for which a contract, subrecipient grant agreement, or other means of legal transfer of ownership is in place.
ii. All equipment, and supplies as applicable, purchased under this Agreement will be recorded and maintained in the Subrecipient's inventory system.

iii. Inventory system records shall include:
   A. description of the property
   B. manufacturer's serial number, model number, or other identification number
   C. funding source for the equipment, including the Federal Award Identification Number (FAIN)
   D. Catalog of Federal Domestic Assistance (CFDA) number
   E. who holds the title
   F. acquisition date
   G. cost of the equipment and the percentage of federal participation in the cost
   H. location, use and condition of the equipment at the date the information was reported
   I. disposition data including the date of disposal and sale price of the property.

iv. The Subrecipient shall take a physical inventory of the equipment, and supplies as applicable, and reconcile the results with the property records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the records shall be investigated by the Subrecipient to determine the cause of the difference. The Subrecipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

v. The Subrecipient shall be responsible for any and all operational and maintenance expenses and for the safe operation of their equipment and supplies including all questions of liability. The Subrecipient shall develop appropriate maintenance schedules and procedures to ensure the equipment, and supplies as applicable, are well maintained and kept in good operating condition.

vi. The Subrecipient shall develop a control system to ensure adequate safeguards to prevent loss, damage, and theft of the property. Any loss, damage, or theft shall be investigated and a report generated and sent to the Department.

vii. The Subrecipient must obtain and maintain all necessary certifications and licenses for the equipment.

viii. If the Subrecipient is authorized or required to sell the property, proper sales procedures must be established and followed to ensure the highest possible return.
   A. For disposition, if upon termination or at the Grant Agreement End Date, when original or replacement supplies or equipment acquired under a federal award are no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, the Subrecipient must comply with the following procedures:
   B. For Supplies: If there is a residual inventory of unused supplies exceeding $5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federal award, the Subrecipient must retain the supplies for use on other activities or sell them, but must, in either case, compensate the federal government for its share. The amount of compensation must be computed in the same manner as for equipment.
For Equipment:

1) Items with a current per-unit fair-market value of $5,000 or less may be retained, sold, or otherwise disposed of with no further obligation to the federal awarding agency.

2) Items with a current per-unit fair-market value in excess of $5,000 may be retained or sold. The Subrecipient shall compensate the federal awarding agency in accordance with the requirements of 2 CFR 200.313 (e) (2)

ix. Records for equipment shall be retained by the Subrecipient for a period of six years from the date of the disposition, replacement, or transfer. If any litigation, claim, or audit is started before the expiration of the six-year period, the records shall be retained by the Subrecipient until all litigation, claims, or audit findings involving the records have been resolved.

b. The Subrecipient shall comply with the Department’s Purchase Review Process, which is incorporated by reference and made part of this Agreement. No reimbursement will be provided unless the appropriate approval has been received.

c. Allowable equipment categories for the EMPG Program are listed on the Authorized Equipment List (AEL) located on the FEMA website at [http://www.fema.gov/authorized-equipment-list](http://www.fema.gov/authorized-equipment-list). It is important the Subrecipient and any non-federal entity to which the Subrecipient makes a subaward regard the AEL as an authorized purchasing list identifying items allowed under the specific grant program, and includes items that may not be categorized as equipment according to the federal, state, local, and tribal definitions of equipment. The Subrecipient is solely responsible for ensuring and documenting purchased items under this Agreement are authorized as allowed items by the AEL at time of purchase.

If the item is not identified on the AEL as allowable under EMPG, the Subrecipient must contact the Department Key Personnel for assistance in seeking FEMA approval prior to acquisition.

d. Unless expressly provided otherwise, all equipment must meet all mandatory regulatory and/or DHS/FEMA adopted standards to be eligible for purchase using federal award funds.

e. The Subrecipient must pass on equipment and supply management requirements that meet or exceed the requirements outlined above to any non-federal entity to which the Subrecipient makes a subaward under this Agreement.

5. ENVIRONMENTAL AND HISTORICAL PRESERVATION

a. The Subrecipient shall ensure full compliance with the DHS/FEMA Environmental Planning and Historic Preservation (EHP) program. EHP program information can be found at [https://www.fema.gov/office-environmental-planning-and-historic-preservation](https://www.fema.gov/office-environmental-planning-and-historic-preservation), all of which are incorporated in and made a part of this Agreement.

b. Projects that have historical impacts or the potential to impact the environment, including, but not limited to, construction of communication towers; modification or renovation of existing buildings, structures and facilities; or new construction including replacement of facilities, must participate in the DHS/FEMA EHP review process prior to initiation. Modification of existing buildings, including minimally invasive improvements such as attaching monitors to interior walls, and training or exercises occurring outside in areas not considered previously disturbed, also require a DHS/FEMA EHP review before project initiation.

c. The EHP review process involves the submission of a detailed project description that includes the entire scope of work, including any alternatives that may be under consideration, along with supporting documentation so FEMA may determine whether the proposed project has the potential to impact environmental resources and/or historic properties.
d. The Subrecipient agrees that to receive any federal preparedness funding, all EHP compliance requirements outlined in applicable guidance must be met. The EHP review process must be completed and approval received by the Subrecipient before any work is started for which reimbursement will be later requested. Expenditures for projects started before completion of the EHP review process and receipt of approval by the Subrecipient will not be reimbursed.

6. PROCUREMENT
   b. For all sole source contracts expected to exceed $150,000, the Subrecipient must submit to the Department for pre-procurement review and approval the procurement documents, such as requests for proposals, invitations for bids and independent cost estimates. This requirement must be passed on to any non-federal entity to which the Subrecipient makes a subaward, at which point the Subrecipient will be responsible for reviewing and approving sole source justifications of any non-federal entity to which the Subrecipient makes a subaward.

7. SUBRECIPIENT MONITORING
   a. The Department will monitor the activities of the Subrecipient from award to closeout. The goal of the Department's monitoring activities will be to ensure that agencies receiving federal pass-through funds are in compliance with this Agreement, federal and state audit requirements, federal grant guidance, and applicable federal and state financial regulations, as well as 2 CFR Part 200 Subpart F.
   b. To document compliance with 2 CFR Part 200 Subpart F requirements, the Subrecipient shall complete and return to the Department the "2 CFR Part 200 Subpart F Audit Certification Form" located at http://mil.wa.gov/emergency-management-division/grants/requiredgrantforms with the signed Agreement and each fiscal year thereafter until the Agreement is closed, which is incorporated by reference and made a part of this Agreement.
   c. Monitoring activities may include, but are not limited to:
      i. review of financial and performance reports
      ii. monitoring and documenting the completion of Agreement deliverables
      iii. documentation of phone calls, meetings, e-mails and correspondence
      iv. review of reimbursement requests and supporting documentation to ensure allowability and consistency with Agreement work plan, budget, and federal requirements
      v. observation and documentation of Agreement related activities, such as exercises, training, funded events, and equipment demonstrations
      vi. on-site visits to review equipment records and inventories, to verify source documentation for reimbursement requests and performance reports, and to verify completion of deliverables.
   d. The Subrecipient is required to meet or exceed the monitoring activities, as outlined above, for any non-federal entity to which the Subrecipient makes a subaward as a pass-through entity under this Agreement.
   e. Compliance will be monitored throughout the performance period to assess risk. Concerns will be addressed through a Corrective Action Plan.

8. LIMITED ENGLISH PROFICIENCY (CIVIL RIGHTS ACT OF 1964 TITLE VI)
   a. The Subrecipient must comply with the Title VI of the Civil Rights Act of 1964 (Title VI) prohibition against discrimination on the basis of national origin, which requires that subrecipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services.
Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations. DHS published the required recipient guidance in April 2011, DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 76 Fed. Reg. 21755-21768, (April 18, 2011). The Guidance provides helpful information such as how a recipient can determine the extent of its obligation to provide language services, selecting language services, and elements of an effective plan on language assistance for LEP persons. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance at https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-access-people-limited and additional resources on http://www.lep.gov.

9. NIMS COMPLIANCE
a. The National Incident Management System (NIMS) identifies concepts and principles that answer how to manage emergencies from preparedness to recovery regardless of their cause, size, location, or complexity. NIMS provides a consistent, nationwide approach and vocabulary for multiple agencies or jurisdictions to work together to build, sustain, and deliver the core capabilities needed to achieve a secure and resilient nation.

b. Consistent implementation of NIMS provides a solid foundation across jurisdictions and disciplines to ensure effective and integrated preparedness, planning, and response. NIMS empowers the components of the National Preparedness System, a requirement of Presidential Policy Directive 8, to guide activities within the public and private sector and describes the planning, organizational activities, equipping, training and exercising needed to build and sustain the core capabilities in support of the National Preparedness Goal.

c. In order to receive Federal Fiscal Year 2017 federal preparedness funding, to include EMPG, the Subrecipient will ensure all NIMS objectives have been initiated and/or are in progress toward completion. NIMS Implementation Objectives are located at https://www.fema.gov/media-library/assets/documents/130743.

B. EMPG PROGRAM SPECIFIC REQUIREMENTS
1. The Department receives EMPG Program funding from DHS/FEMA, which is provided to assist state, local, and tribal governments to enhance and sustain all-hazards emergency management capabilities as authorized by Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (42 U.S.C. §§ 5121 et seq.) and Section 662 of the Post Katrina Emergency Management Act (6 U.S.C. § 762).

2. A portion of the 17EMPG is passed through to local jurisdictions and tribes with emergency management programs to supplement their local/tribal operating budgets to help sustain and enhance emergency management capabilities pursuant to Washington Administrative Code (WAC) 118-09.

3. The Subrecipient shall use the EMPG funds authorized under this Agreement only to perform tasks as described in the Work Plan of the Subrecipient’s application for funding, as approved by the Department and incorporated into this Agreement.

4. Funding may not be used to replace or supplant existing local or tribal government funding of emergency management programs.

5. The Subrecipient shall provide a fifty percent match of $61,498 of non-federal origin. To meet matching requirements, the Subrecipient cash matching contributions must be considered reasonable, allowable, allocable, and necessary under the grant program and must comply with all Federal requirements and regulations, including, but not limited to, 2 CFR Part 200. An
appropriate mechanism must be in place to capture, track, and document matching funds. In the final report, the Subrecipient shall identify how the match was met and documented.

6. All personnel funded in any part through federal award or matching funds under this Agreement shall:
   a. participate in no less than three exercises in a 12-month period. The Subrecipient will report exercise participation along with the final report;
   b. complete and record proof of completion for the NIMS training requirements outlined in the NIMS Training Program located at https://www.fema.gov/pdf/emergency/nims/nims_training_program.pdf (to include ICS 100, ICS 200, IS 700, and IS 800 for most personnel). The Subrecipient will report training course completion by individual personnel along with the final report; and
   c. complete either (1) the FEMA Professional Development Series IS 120, IS 230, IS 235, IS 240, IS 241, IS 242, and IS 244, or (2) the National Emergency Management Basic Academy. The Subrecipient will report training course completion by individual personnel along with the final report.

C. DHS TERMS AND CONDITIONS
As a subrecipient of 17EMPG program funding, the Subrecipient shall comply with all applicable DHS terms and conditions of the 17EMPG Award Letter and its incorporated documents for DHS Grant No. EMS-2017-EP-00004-S01, which are incorporated and made a part of this Agreement as Attachment 1.
WASHINGTON STATE MILITARY DEPARTMENT  
GENERAL TERMS AND CONDITIONS  
DEPARTMENT OF HOMELAND SECURITY (DHS)/  
FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA)  
Grants

A.1 DEFINITIONS  
As used throughout this Agreement, the terms will have the same meaning as defined in 2 CFR 200 Subpart A (which is incorporated herein by reference), except as otherwise set forth below:

a. "Agreement" means this Grant Agreement.

b. "Department" means the Washington State Military Department, as a state agency, any division, section, office, unit or other entity of the Department, or any of the officers or other officials lawfully representing that Department. The Department is a recipient of a federal award directly from a federal awarding agency and is the pass-through entity making a subaward to a subrecipient under this Agreement.

c. "Subrecipient" when capitalized is primarily used throughout this Agreement in reference to the non-federal entity identified on the Face Sheet of this Agreement that has received a subaward from the Department. However, the definition of "subrecipient" is the same as in 2 CFR 200.93 for all other purposes.

d. "Monitoring Activities" means all administrative, financial, or other review activities that are conducted to ensure compliance with all state and federal laws, rules, regulations, authorities and policies.

e. "Investment" means the grant application submitted by the Subrecipient describing the project(s) for which federal funding is sought and provided under this Agreement. Such grant application is hereby incorporated into this Agreement by reference.

A.2 ADVANCE PAYMENTS PROHIBITED  
The Department shall make no payments in advance or in anticipation of goods or services to be provided under this Agreement. Subrecipient shall not invoice the Department in advance of delivery and invoicing of such goods or services.

A.3 AMENDMENTS AND MODIFICATIONS  
The Subrecipient or the Department may request, in writing, an amendment or modification of this Agreement. However, such amendment or modification shall not be binding, take effect or be incorporated herein until made in writing and signed by the authorized representatives of the Department and the Subrecipient. No other understandings or agreements, written or oral, shall be binding on the parties.

The Subrecipient must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunication.

A.5 ASSURANCES  
The Department and Subrecipient agree that all activity pursuant to this Agreement will be in accordance with all the applicable current federal, state and local laws, rules and regulations.

A.6 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, OR INELIGIBILITY  
As federal funds are a basis for this Agreement, the Subrecipient certifies that the Subrecipient is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this Agreement by any federal department or agency.

The Subrecipient shall complete, sign, and return a Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion form located at http://mil.wa.gov/emergency-management-division/grants/requiredgrantforms. Any such form completed by the Subrecipient for this Agreement shall be incorporated into this Agreement by reference.
Further, the Subrecipient agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. The Subrecipient certifies that it will ensure that potential contractors or subrecipients or any of their principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in "covered transactions" by any federal department or agency. "Covered transactions" include procurement contracts for goods or services awarded under a non-procurement transaction (e.g. grant or cooperative agreement) that are expected to equal or exceed $25,000, and subawards to subrecipients for any amount. With respect to covered transactions, the Subrecipient may comply with this provision by obtaining a certification statement from the potential contractor or subrecipient or by checking the System for Award Management (http://www.sam.gov) maintained by the federal government. The Subrecipient also agrees not to enter into any arrangements or contracts with any party on the Washington State Department of Labor and Industries’ “Debarred Contractor List” (https://secure. ini.wa.gov/debarandstrike/ContractorDebarList.aspx). The Subrecipient also agrees not to enter into any agreements or contracts for the purchase of goods and services with any party on the Department of Enterprise Services’ Debarred Vendor List (http://www.des.wa.gov/services/ContractingPurchasing/Business/Pages/Vendor-Debarment.aspx).

A.7 CERTIFICATION REGARDING RESTRICTIONS ON LOBBYING
As required by 44 CFR Part 18, the Subrecipient hereby certifies that to the best of its knowledge and belief: (1) no federally appropriated funds have been paid or will be paid by or on behalf of the Subrecipient to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement; (2) that if any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement, grant, loan, or cooperative agreement, the Subrecipient will complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions; (3) and that, as applicable, the Subrecipient will require that the language of this certification be included in the award documents for all subawards at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into, and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code.

A.8 CONFLICT OF INTEREST
No officer or employee of the Department; no member, officer, or employee of the Subrecipient or its designees or agents; no member of the governing body of the jurisdiction in which the project is undertaken or located; and no other official of the Subrecipient who exercises any functions or responsibilities with respect to the project during his or her tenure, shall have any personal or pecuniary gain or interest, direct or indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this Agreement.

The Subrecipient shall incorporate, or cause to incorporate, in all such contracts or subawards, a provision prohibiting such interest pursuant to this provision.

A.9 COMPLIANCE WITH APPLICABLE STATUTES, RULES AND DEPARTMENT POLICIES
The Subrecipient and all its contractors and subrecipients shall comply with, and the Department is not responsible for determining compliance with, any and all applicable federal, state, and local laws, regulations, executive orders, OMB Circulars, and/or policies. This obligation includes, but is not limited to: nondiscrimination laws and/or policies, Energy Policy and Conservation Act (PL 94-163, as amended), the Americans with Disabilities Act (ADA), Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Civil Rights Act of 1968, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, (PL 93-288, as amended), Ethics in Public Service (RCW 42.52), Covenant Against Contingent Fees (48 CFR Section 52.203-5), Public Records Act (RCW 42.56), Prevailing Wages on Public Works (RCW 39.12), State Environmental Policy Act (RCW 43.21C), Shoreline Management Act of 1971 (RCW 90.58),
A.10 CONTRACTING & PROCUREMENT

a. The Subrecipient shall use a competitive procurement process in the procurement and award of any contracts with contractors or sub-contractors that are entered into under the original contract award. The procurement process followed shall be in accordance with 2 CFR Part 200.318 General procurement standards through 200.326 Contract Provisions.

As required by Appendix II to 2 CFR Part 200, all contracts entered into by the Subrecipient under this Agreement must include the following provisions, as applicable:

1) Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

2) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-federal entity including the manner by which it will be effected and the basis for settlement.

4) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency.

5) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under
40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6) Rights to Inventions Made Under a Contract or Agreement. If the federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

8) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award.

10) Procurement of recovered materials -- As required by 2 CFR 200.322, a non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11) Notice of awarding agency requirements and regulations pertaining to reporting.

12) Federal awarding agency requirements and regulations pertaining to copyrights and rights in data.
13) Access by the Department, the Subrecipient, the federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

14) Retention of all required records for six years after the Subrecipient has made final payments and all other pending matters are closed.

b. The Department reserves the right to review the Subrecipient procurement plans and documents, and require the Subrecipient to make changes to bring its plans and documents into compliance with the requirements of 2 CFR Part 200.318 through 200.326. The Subrecipient must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the Subrecipient and Department to make a determination on eligibility of project costs.

c. All contracting agreements entered into pursuant to this Agreement shall incorporate this Agreement by reference

A.11 DISCLOSURE
The use or disclosure by any party of any information concerning the Department for any purpose not directly connected with the administration of the Department's or the Subrecipient's responsibilities with respect to services provided under this Agreement is prohibited except by prior written consent of the Department or as required to comply with the state Public Records Act, other law or court order.

A.12 DISPUTES
Except as otherwise provided in this Agreement, when a bona fide dispute arises between the parties and it cannot be resolved through discussion and negotiation, either party may request a dispute resolution panel to resolve the dispute. A request for a dispute resolution board shall be in writing, state the disputed issues, state the relative positions of the parties, and be sent to all parties. The panel shall consist of a representative appointed by the Department, a representative appointed by the Subrecipient and a third party mutually agreed upon by both parties. The panel shall, by majority vote, resolve the dispute. Each party shall bear the cost for its panel member and its attorney fees and costs, and share equally the cost of the third panel member.

A.13 LEGAL RELATIONS
It is understood and agreed that this Agreement is solely for the benefit of the parties to the Agreement and gives no right to any other party. No joint venture or partnership is formed as a result of this Agreement.

To the extent allowed by law, the Subrecipient, its successors or assigns, will protect, save and hold harmless the Department, the State of Washington, and the United States Government and their authorized agents and employees, from all claims, actions, costs, damages or expenses of any nature whatsoever by reason of the acts or omissions of the Subrecipient, its sub-contractors, subrecipients, assigns, agents, contractors, consultants, licensees, invitees, employees or any person whomsoever arising out of or in connection with any acts or activities authorized by this Agreement.

To the extent allowed by law, the Subrecipient further agrees to defend the Department and the State of Washington and their authorized agents and employees in any litigation; including payment of any costs or attorneys' fees for any claims or action commenced thereon arising out of or in connection with acts or activities authorized by this Agreement.

This obligation shall not include such claims, costs, damages or expenses which may be caused by the sole negligence of the Department; provided, that if the claims or damages are caused by or result from the concurrent negligence of (1) the Department, and (2) the Subrecipient, its agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Subrecipient, or Subrecipient's agents or employees.

Insofar as the funding source, the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA), is an agency of the Federal government, the following shall apply:

DHS-FEMA-EMPG-FY 17

Page 14 of 36

City of Everett, E18-069 REVISED
44 CFR 206.9 Non-liability. The Federal government shall not be liable for any claim based upon the exercise or performance of, or the failure to exercise or perform a discretionary function or duty on the part of a federal agency or an employee of the Federal government in carrying out the provisions of the Stafford Act.

A.14 LIMITATION OF AUTHORITY – AUTHORIZED SIGNATURE
The signatories to this Agreement represent that they have the authority to bind their respective organizations to this Agreement. Only the Department's Authorized Signature representative and the Authorized Signature representative of the Subrecipient or Alternate for the Subrecipient, formally designated in writing, shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Agreement. Any alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made in writing and signed by both parties' Authorized Signature representatives.

Further, only the Authorized Signature representative or Alternate for the Subrecipient shall have signature authority to sign reimbursement requests, time extension requests, amendment and modification requests, requests for changes to projects or work plans, and other requests, certifications and documents authorized by or required under this Agreement.

A.15 LOSS OR REDUCTION OF FUNDING
In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion or end date, the Department may unilaterally reduce the scope of work and budget or unilaterally terminate all or part of the Agreement as a "Termination for Cause" without providing the Subrecipient an opportunity to cure. Alternatively, the parties may renegotiate the terms of this Agreement under "Amendments and Modifications" to comply with new funding limitations and conditions, although the Department has no obligation to do so.

A.16 NONASSIGNABILITY
Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Subrecipient.

A.17 NONDISCRIMINATION
The Subrecipient shall comply with all applicable federal and state non-discrimination laws, regulations, and policies. No person shall, on the grounds of age, race, creed, color, sex, sexual orientation, religion, national origin, marital status, honorably discharged veteran or military status, or disability (physical, mental, or sensory) be denied the benefits of, or otherwise be subjected to discrimination under any project, program, or activity, funded, in whole or in part, under this Agreement.

A.18 NOTICES
The Subrecipient shall comply with all public notices or notices to individuals required by applicable local, state and federal laws and regulations and shall maintain a record of this compliance.

A.19 OCCUPATIONAL SAFETY/HEALTH ACT and WASHINGTON INDUSTRIAL SAFETY/HEALTH ACT (OSHA/WISHA)
The Subrecipient represents and warrants that its work place does now or will meet all applicable federal and state safety and health regulations that are in effect during the Subrecipient's performance under this Agreement. To the extent allowed by law, the Subrecipient further agrees to indemnify and hold harmless the Department and its employees and agents from all liability, damages and costs of any nature, including, but not limited to, costs of suits and attorneys' fees assessed against the Department, as a result of the failure of the Subrecipient to so comply.

A.20 OWNERSHIP OF PROJECT/CAPITAL FACILITIES
The Department makes no claim to any capital facilities or real property improved or constructed with funds under this Agreement, and by this subaward of funds does not and will not acquire any ownership interest or title to such property of the Subrecipient. The Subrecipient shall assume all liabilities and responsibilities arising from the ownership and operation of the project and agrees to indemnify and hold the Department, the state of Washington and the United States government harmless from any and all causes of action arising from the ownership and operation of the project.

A.21 POLITICAL ACTIVITY
No portion of the funds provided herein shall be used for any partisan political activity or to further the election or defeat of any candidate for public office or influence the approval or defeat of any ballot issue.
A.22 PROHIBITION AGAINST PAYMENT OF BONUS OR COMMISSION
The assistance provided under this Agreement shall not be used in payment of any bonus or commission for the purpose of obtaining approval of the application for such assistance or any other approval or concurrence under this Agreement provided, however, that reasonable fees or bona fide technical consultant, managerial, or other such services, other than actual solicitation, are not hereby prohibited if otherwise eligible as project costs.

A.23 PUBLICITY
The Subrecipient agrees to submit to the Department prior to issuance all advertising and publicity matters relating to this Agreement wherein the Department's name is mentioned or language used from which the connection of the Department's name may, in the Department's judgment, be inferred or implied. The Subrecipient agrees not to publish or use such advertising and publicity matters without the prior written consent of the Department. The Subrecipient may copyright original work it develops in the course of or under this Agreement; however, pursuant to 2 CFR Part 200.315, FEMA reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use the work for government purposes.

Publication resulting from work performed under this Agreement shall include an acknowledgement of FEMA's financial support, by CFDA number, and a statement that the publication does not constitute an endorsement by FEMA or reflect FEMA's views.

A.24 RECAPTURE PROVISION
In the event the Subrecipient fails to expend funds under this Agreement in accordance with applicable federal, state, and local laws, regulations, and/or the provisions of the Agreement, the Department reserves the right to recapture funds in an amount equivalent to the extent of noncompliance. Such right of recapture shall exist for the life of the project following Agreement termination. Repayment by the Subrecipient of funds under this recapture provision shall occur within 30 days of demand. In the event the Department is required to institute legal proceedings to enforce the recapture provision, the Department shall be entitled to its costs and expenses thereof, including attorney fees from the Subrecipient.

A.25 RECORDS
a. The Subrecipient agrees to maintain all books, records, documents, receipts, invoices and all other electronic or written records necessary to sufficiently and properly reflect the Subrecipient's contracts, subawards, grant administration, and payments, including all direct and indirect charges, and expenditures in the performance of this Agreement (the "records").

b. The Subrecipient's records related to this Agreement and the projects funded may be inspected and audited by the Department or its designee, by the Office of the State Auditor, DHS, FEMA or their designees, by the Comptroller General of the United States or its designees, or by other state or federal officials authorized by law, for the purposes of determining compliance by the Subrecipient with the terms of this Agreement and to determine the appropriate level of funding to be paid under the Agreement.

c. The records shall be made available by the Subrecipient for such inspection and audit, together with suitable space for such purpose, at any and all times during the Subrecipient's normal working day.

d. The Subrecipient shall retain and allow access to all records related to this Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Agreement. Despite the minimum federal retention requirement of three (3) years, the more stringent State requirement of six (6) years must be followed.

A.26 RESPONSIBILITY FOR PROJECT/STATEMENT OF WORK/WORK PLAN
While the Department undertakes to assist the Subrecipient with the project/statement of work/work plan (project) by providing federal award funds pursuant to this Agreement, the project itself remains the sole responsibility of the Subrecipient. The Department undertakes no responsibility to the Subrecipient, or to any third party, other than as is expressly set out in this Agreement.
The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the Subrecipient, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the Subrecipient shall ensure that all applicable federal, state, and local permits and clearances are obtained, including, but not limited to, FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws, regulations, and executive orders.

The Subrecipient shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the Subrecipient in connection with the project. The Subrecipient shall not look to the Department, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including, but not limited to, cost of defense and/or attorneys’ fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.27 SEVERABILITY

If any court of rightful jurisdiction holds any provision or condition under this Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Agreement are declared severable.

A.28 SINGLE AUDIT ACT REQUIREMENTS (including all AMENDMENTS)

Non-federal entities, as subrecipients of a federal award, that expend $750,000 or more in one fiscal year of federal funds from all sources, direct and indirect, are required to have a single or a program-specific audit conducted in accordance with 2 CFR Part 200 Subpart F. Non-federal entities that spend less than $750,000 a year in federal awards are exempt from federal audit requirements for that year, except as noted in 2 CFR Part 200 Subpart F. As defined in 2 CFR Part 200, the term “non-federal entity” means a State, local government, Indian tribe, institution of higher education, or non-profit organization that carries out a federal award as a recipient or subrecipient.

Subrecipients that are required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the United States Comptroller General and the OMB Compliance Supplement. The Subrecipient has the responsibility of notifying its auditor and requesting an audit in compliance with 2 CFR Part 200 Subpart F, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by 2 CFR Part 200.425.

The Subrecipient shall maintain auditable records and accounts so as to facilitate the audit requirement and shall ensure that any sub-contractors also maintain auditable records. The Subrecipient is responsible for any audit exceptions incurred by its own organization or that of its sub-contractors. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report. The Subrecipient must respond to Department requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The Department reserves the right to recover from the Subrecipient all disallowed costs resulting from the audit.

After the single audit has been completed, and if it includes any audit findings, the Subrecipient must send a full copy of the audit and its corrective action plan to the Department at the following address no later than nine (9) months after the end of the Subrecipient’s fiscal year(s):

Contracts Office
Washington Military Department
Finance Division, Building #1 TA-20
Camp Murray, WA 98430-5032

If the Subrecipient claims it is exempt from the audit requirements of 2 CFR Part 200 Subpart F, the Subrecipient must send a completed “2 CFR Part 200 Subpart F Audit Certification Form” (https://www.mil.wa.gov/emergency-management-division/grants/requiredgrantforms) to the Department at the address listed above identifying this Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the Subrecipient's fiscal year(s).
The Department retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

The Subrecipient shall include the above audit requirements in any subawards.

Conducting a single or program-specific audit in compliance with 2 CFR Part 200 Subpart F is a material requirement of this Agreement. In the absence of a valid claim of exemption from the audit requirements of 2 CFR Part 200 Subpart F, the Subrecipient’s failure to comply with said audit requirements may result in one or more of the following actions in the Department’s sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with 2 CFR Part 200 Subpart F; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

A.29 SUBRECIPIENT NOT EMPLOYEE

The parties intend that an independent contractor relationship will be created by this Agreement. The Subrecipient, and/or employees or agents performing under this Agreement are not employees or agents of the Department in any manner whatsoever. The Subrecipient will not be presented as, nor claim to be, an officer or employee of the Department by reason of this Agreement, nor will the Subrecipient make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the Department or of the State of Washington by reason of this Agreement, including, but not limited to, Workmen’s Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

It is understood that if the Subrecipient is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the state of Washington in their own right and not by reason of this Agreement.

A.30 TAXES, FEES AND LICENSES

Unless otherwise provided in this Agreement, the Subrecipient shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the Subrecipient or its staff required by statute or regulation that are applicable to Agreement performance.

A.31 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Agreement, the Subrecipient may terminate this Agreement by providing written notice of such termination to the Department Key Personnel identified in the Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Agreement, the Department, in its sole discretion and in the best interests of the State of Washington, may terminate this Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the Subrecipient. Upon notice of termination for convenience, the Department reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Subrecipient from incurring additional obligations of funds. In the event of termination, the Subrecipient shall be liable for all damages as authorized by law. The rights and remedies of the Department provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 TERMINATION OR SUSPENSION FOR CAUSE

In the event the Department, in its sole discretion, determines the Subrecipient has failed to fulfill in a timely and proper manner its obligations under this Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the Subrecipient unable to perform any aspect of the Agreement, or has violated any of the covenants, agreements or stipulations of this Agreement, the Department has the right to immediately suspend or terminate this Agreement in whole or in part.

The Department may notify the Subrecipient in writing of the need to take corrective action and provide a period of time in which to cure. The Department is not required to allow the Subrecipient an opportunity to cure if it is not feasible as determined solely within the Department’s discretion. Any time allowed for cure shall not diminish or eliminate the Subrecipient’s liability for damages or otherwise affect any other remedies available to the Department. If the Department allows the Subrecipient an opportunity to cure, the Department shall notify the Subrecipient in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the Department,
or if such corrective action is deemed by the Department to be insufficient, the Agreement may be
terminated in whole or in part.

The Department reserves the right to suspend all or part of the Agreement, withhold further payments,
or prohibit the Subrecipient from incurring additional obligations of funds during investigation of the
alleged compliance breach, pending corrective action by the Subrecipient, if allowed, or pending a
decision by the Department to terminate the Agreement in whole or in part.

In the event of termination, the Subrecipient shall be liable for all damages as authorized by law, including,
but not limited to, any cost difference between the original Agreement and the replacement or cover
Agreement and all administrative costs directly related to the replacement Agreement, e.g., cost of
administering the competitive solicitation process, mailing, advertising and other associated staff time.
The rights and remedies of the Department provided for in this section shall not be exclusive and are in
addition to any other rights and remedies provided by law.

If it is determined that the Subrecipient: (1) was not in default or material breach, or (2) failure to perform
was outside of the Subrecipient's control, fault or negligence, the termination shall be deemed to be a
"Termination for Convenience".

A.33 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the Department terminates this Agreement, the
Subrecipient shall follow any procedures specified in the termination notice. Upon termination of this
Agreement and in addition to any other rights provided in this Agreement, the Department may require
the Subrecipient to deliver to the Department any property specifically produced or acquired for the
performance of such part of this Agreement as has been terminated.

If the termination is for convenience, the Department shall pay to the Subrecipient as an agreed upon
price, if separately stated, for properly authorized and completed work and services rendered or goods
delivered to and accepted by the Department prior to the effective date of Agreement termination, the
amount agreed upon by the Subrecipient and the Department for (i) completed work and services and/or
equipment or supplies provided for which no separate price is stated, (ii) partially completed work and
services and/or equipment or supplies provided which are accepted by the Department, (iii) other work,
services and/or equipment or supplies which are accepted by the Department, and (iv) the protection and
preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this
Agreement. If the termination is for cause, the Department shall determine the extent of the liability of
the Department. The Department shall have no other obligation to the Subrecipient for termination. The
Department may withhold from any amounts due the Subrecipient such sum as the Department
determines to be necessary to protect the Department against potential loss or liability.

The rights and remedies of the Department provided in this Agreement shall not be exclusive and are in
addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the Department in writing,
the Subrecipient shall:

a. Stop work under the Agreement on the date, and to the extent specified, in the notice;
b. Place no further orders or contracts for materials, services, supplies, equipment and/or facilities
   in relation to this Agreement except as may be necessary for completion of such portion of the
   work under the Agreement as is not terminated;
c. Assign to the Department, in the manner, at the times, and to the extent directed by the
   Department, all of the rights, title, and interest of the Subrecipient under the orders and contracts

# WORK PLAN

**FY 2017 Emergency Management Performance Grant**

The purpose of EMPG is to assist with the enhancement, sustainment and improvement of state, local, and tribal emergency management programs. Activities conducted using EMPG funding should relate directly to the five elements of emergency management: prevention, protection, response, recovery, and mitigation. Washington State does not require a specific number of activities to receive EMPG funding. However, there are required capabilities that must be sustained in order to remain eligible for EMPG funding, including but not limited to the ability to communicate and warn, educate the public, train and exercise, plan, and be NIMS compliant. The Work Plan delineates the Emergency Management Organization’s emergency management program planning and priority focus for this grant cycle (to include 17EMP grant and local funds).

Without a proper evaluation, it would be hard to determine whether or not a building was safe for reentry. Everett’s Building Department is small and, on its own, it would take a significant amount of time to evaluate even just the most critical buildings. | Having an identified, trained, and credentialed group of engineers to evaluate buildings for the City will help the Building Department to assess more buildings in less time. This allows people to reenter buildings sooner in response and recovery efforts and marks unsafe buildings sooner to prevent potential injury. |</p>

Instructions For Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

READ CAREFULLY BEFORE SIGNING THE CERTIFICATION. Federal regulations require contractors and bidders to sign and abide by the terms of this certification, without modification, in order to participate in certain transactions directly or indirectly involving federal funds.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the department, institution or office to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under the applicable CFR, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transaction" without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under applicable CFR, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business activity.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under applicable CFR, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

The prospective lower tier participant certifies, by submission of this proposal or contract, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this form.

FEDERAL DEBARMENT, SUSPENSION
INELIGIBILITY and VOLUNTARY EXCLUSION

(FREQUENTLY ASKED QUESTIONS)

What is “Debarment, Suspension, Ineligibility, and Voluntary Exclusion”? These terms refer to the status of a person or company that cannot contract with or receive grants from a federal agency.

In order to be debarred, suspended, ineligible, or voluntarily excluded, you must have:
- had a contract or grant with a federal agency, and
- gone through some process where the federal agency notified or attempted to notify you that you could not contract with the federal agency.
- Generally, this process occurs where you, the contractor, are not qualified or are not adequately performing under a contract, or have violated a regulation or law pertaining to the contract.

Why am I required to sign this certification? You are requesting a contract or grant with the Washington Military Department. Federal law (Executive Order 12549) requires Washington Military Department ensure that persons or companies that contract with Washington Military Department are not prohibited from having federal contracts.

What is Executive Order 12549? Executive Order 12549 refers to Federal Executive Order Number 12549. The executive order was signed by the President and directed federal agencies to ensure that federal agencies, and any state or other agency receiving federal funds were not contracting or awarding grants to persons, organizations, or companies who have been excluded from participating in federal contracts or grants. Federal agencies have codified this requirement in their individual agency Code of Federal Regulations (CFRs).

What is the purpose of this certification? The purpose of the certification is for you to tell Washington Military Department in writing that you have not been prohibited by federal agencies from entering into a federal contract.

What does the word “proposal” mean when referred to in this certification? Proposal means a solicited or unsolicited bid, application, request, invitation to consider or similar communication from you to Washington Military Department.

What or who is a “lower tier participant”? Lower tier participants means a person or organization that submits a proposal, enters into contracts with, or receives a grant from Washington Military Department, OR any subcontractor of a contract with Washington Military Department. If you hire subcontractors, you should require them to sign a certification and keep it with your subcontract.

What is a covered transaction when referred to in this certification? Covered Transaction means a contract, oral or written agreement, grant, or any other arrangement where you contract with or receive money from Washington Military Department. Covered Transaction does not include mandatory entitlements and individual benefits.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to the following:

• Form 1099-INT (interest earned or paid)
• Form 1099-DIV (dividends, including those from stocks or mutual funds)
• Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
• Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
• Form 1099-S (proceeds from real estate transactions)
• Form 1099-K (merchant card and third party network transactions)

• Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
• Form 1099-C (canceled debt)
• Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN. If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See What is FATCA reporting? on page 2 for further information.
Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester’s form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners’ share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules require a partner to agree to the partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.—China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under this treaty, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.—China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on its or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment cards and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your Interest and dividends on your tax return (for reportable Interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable Interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payees code on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see Special rules for partnerships above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA reporting code on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

You must enter one of the following on this line, do not leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your Individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation. Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulations section 301.7701-5(d)(1)(ii). Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2, “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.
Line 2
If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3
Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC), if the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box. Instead, check the first box in line 3 "Individual/sole proprietor or single-member LLC.

Line 5
Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6
Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)
Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not entitled to get an SSN, your TIN is your IRS individual taxpayer identification number (TIN). Enter it in the social security number box. If you do not have an TIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see Limited Liability Company (LLC) on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by calling IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a "TIN and EIN" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution. A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

1 See Form 1099-MISC, Miscellaneous Income, and its instructions.
Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see Exempt payee code earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requestor, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requestor's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA covered EEA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

• Protect your SSN.
• Ensure your employer is protecting your SSN, and
• Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit activity or credit report, contact the IRS Identity Theft Hotline at 1-800-909-4490 or submit Form 14039.

For more information, see Publication 4553, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/donauth or 1-877-IDTHEFT (1-877-438-4384).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

INSTRUCTIONS FOR SIGNATURE AUTHORIZATION FORM

This form identifies the persons who have the authority to sign contracts, amendments, and requests for reimbursement. It is required for the management of your contract with the Military Department (MD). Please complete all sections. One copy with original signatures is to be sent to MD with the signed contract, and the other should be kept with your copy of the contract.

When a request for reimbursement is received, the signature is checked to verify that it matches the signature on file. The payment can be delayed if the request is presented without the proper signature. It is important that the signatures in MD's files are current. Changes in staffing or responsibilities will require a new signature authorization form.

1. **Authorizing Authority.** Generally, the person(s) signing in this box heads the governing body of the organization, such as the board chair or mayor. In some cases, the chief executive officer may have been delegated this authority.

2. **Authorized to Sign Contracts/Contract Amendments.** The person(s) with this authority should sign in this space. Usually, it is the county commissioner, mayor, executive director, city clerk, etc.

3. **Authorized to Sign Requests for Reimbursement.** Often the executive director, city clerk, treasurer, or administrative assistant have this authority. It is advisable to have more than one person authorized to sign reimbursement requests. This will help prevent delays in processing a request if one person is temporarily unavailable.

If you have any questions regarding this form or to request new forms, please call your MD Program Manager.

FFATA PROVISIONS AND INSTRUCTIONS
For Compliance With The

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website. Federal awards include grants, subgrants, loans, awards, cooperative agreements and other forms of financial assistance as well as contracts, subcontracts, purchase orders, task orders, and delivery orders. The legislation does not require inclusion of individual transactions below $25,000 or credit card transactions before October 1, 2008. However, if an award is initially below this amount yet later increased, the act is triggered. Due to this variability in compliance Subrecipients are required by the Military Department to be familiar with the FFATA requirements and complete this Worksheet for each contract for the State’s submission in to the FFATA portal.

ADDITIONAL PROVISIONS

A. This contract (subaward) is supported by federal funds, requiring compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act) and Office of Management and Budget Guidance (OMB). Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note). By entering into this contract, contractor agrees to provide all applicable reporting information to the Washington Military Department (WMD) required by FFATA and OMB Guidance.

B. The FFATA requires the OMB to establish a publicly available online database (USASpending.gov) containing information about entities that are awarded Federal grants, loans, and contracts. As required by FFATA and OMB Guidance, certain information on the first-tier subawards related to Federal contracts and grants, and the executive compensation of awardees, must be made publicly available.

C. For new Federal grants beginning October 1, 2010, if the initial subaward is equal to or greater than $25,000, reporting of the subaward and executive compensation information is required. If the initial subaward is below $25,000 but subsequent grant modifications result in a total subaward equal to or over $25,000, the subaward will be subject to the reporting requirements as of the date the subaward exceeds $25,000. If the initial subaward equals or exceeds $25,000 but funding is subsequently de-obligated such that the total award amount falls below $25,000, the subaward continues to be subject to the reporting requirements of the Transparency Act and OMB Guidance.

D. As a Federal grant subawardee under this contract, your organization is required by FFATA, OMB Guidance and this contract to provide the WMD, as the prime grant awardee, all information required for FFATA compliant reporting by WMD. This includes all applicable subawardee entity information required by FFATA and OMB Guidance, subawardee DUNS number, and relevant executive compensation data, as applicable.

1. Data about your organization will be provided to USASpending.gov by the WMD. System for Award Management (SAM) is a government wide registration system for organizations that do business with the Federal Government. SAM stores information about awardees including financial account information for payment purposes and a link to D&B for maintaining current DUNS information, www.sam.gov. WMD requires SAM registration and annual renewal by your organization to minimize unnecessary data entry
and re-entry required by both WMD and your organization. It will also reduce the potential of inconsistent or inaccurate data entry.

2. Your organization must have a Data Universal Numbering System (DUNS) number obtained from the firm Dun and Bradstreet (D&B) (www.dnb.com). A DUNS number provides a method to verify data about your organization. D&B is responsible for maintaining unique identifiers and organizational linkages on behalf of the Federal Government for organizations receiving Federal assistance.

E. The WMD, as the prime awardee, is required by FFATA to report names and total compensation of the five (5) most highly compensated officers of your organization (as the subawardee) if:
