In the event the Inmate is transported by the City, the City shall provide all medical records in its possession to the County's booking officer. In the event additional information is requested by the County regarding a particular Inmate, the County and City will mutually cooperate to provide the additional information needed.

7. Inmate Property. The County shall accept and transport Inmate property in accordance with **Attachment B – Property**, and shall be responsible only for inmate property actually delivered into County possession. The information is to be used for third party billing.

The County and City will attempt to develop a process at City detention facilities for pre-booking Inmates who are being transferred to the custody of the County.

9. Classification. Inmates shall be classified pursuant to the County's classification policies and procedures, and within the sole discretion and judgment of the County. The City shall provide information identified in **Attachment C – Classification**, of this Agreement.

Provided however, that generally, if a City Inmate's classification qualifies him/her to be housed in the Yakima County Corrections Center, and there is a bed available at the Yakima County Corrections Center, the Inmate shall be housed in the Yakima County Corrections Center. Exceptions to this general provision include circumstances such as: 1) No women are housed at the Yakima County Corrections Center; 2) Inmates assigned to certain work crews must be housed in the Main Jail or Annex; 3) Certain programs are available only to Inmates housed in the Main Jail or Annex; 4) Inmates who will be housed for less than one week will usually be housed in the Main Jail or Annex.

Except, the County shall bear the expense of any such medical care necessitated by improper conduct of the County, or of its officers or agents. In addition, after notification to the City of a need by a City Inmate for health care outside the YCDOC, the City may make arrangements for the release or furlough of that City Inmate. In that situation the City and County will reasonably and fully cooperate with each so that medical service expenses payable by the City are minimized.

The County shall notify the City as soon as reasonably possible before the Inmate receives medical and/or dental treatment outside of YCDOC facilities. The City acknowledges that such notice may not be reasonably possible prior to emergency care. Lack of prior notice shall not excuse the City from financial responsibility for related medical expenses, and shall not be a basis for imposing financial responsibility for related medical expenses on the County.

Outside medical expenses for Inmates housed for more than one jurisdiction shall be divided equally among those jurisdictions.

13. Inmate Discipline. The County shall discipline Inmates according to the same policies and procedures under which other County inmates are disciplined. In the event the County contracts with a company/business that furnishes technology for wireless inmate account crediting (such as Keefee or JPAY) the City may allow the County (or County's contracted representative) to install the equipment necessary for use of the system. The City shall not be financially responsible for any aspect of the system, including but not limited to installation or maintenance costs. The City shall not receive any compensation or profits for such a system.

18. Detainers. Inmates in a "Detainer" status shall be handled according to **Attachment E – Detainers**.

19. Releases. The City shall be responsible for computing and tracking all sentence time calculations, good time, court dates and release dates. Inmates will be released in accordance with **Attachment F – Inmate Release**.

The City may participate in the investigation. If another agency becomes responsible for investigation, YCDOC shall liaison or otherwise facilitate the City's communication with and receipt of reports from the other agency.

The City shall provide the County with written instructions regarding the disposition of the City Inmate's body. The City shall pay for all reasonable expenses for the preparation and shipment of the body. The City may request in writing that the County arrange for burial and all matters related or incidental thereto and the City shall be responsible for all costs associate with this request. Except, the County shall bear such expenses necessitated by improper conduct of County, or its officers or agents.

Nothing contained in this Section or this Agreement shall be construed to create a right in any third party to indemnification or defense.

INMATE RELEASE

County transport personnel will release City Inmates as follows:

1. Inside a staffed correction or detention facility (jail).
2. Inside a staffed police agency (sally port or other secured area).
3. Outside of a Law Enforcement Agency when agency personnel, telephone access, and weather protection (lobby areas) are available to the released Inmate.
4. The County does not transport on Mondays.
5. City Inmates for whom bail is posted, or who otherwise have a right to be released may, by signed written waiver, choose to remain in custody and return to City by the regularly scheduled transport, or to be released to a family member or friend, or to the streets of Yakima.
6. Inmates transported by City must be picked up at least 12-(twelve) hours prior to the inmate's scheduled release date and time. If the inmate is not picked up before the scheduled release time, the Inmate will be automatically scheduled to be transported, at the City's cost to include the addition of transport fees for all days served, on the next available transport to the City.

DETAILED SUMMARY STATEMENT:

The city contracts with Snohomish County for secure confinement of City inmates at the Snohomish County Corrections Facility. The county has notified the City that the daily housing fee will increase for $64 to $84 for inmates without special needs and to $200 for inmates with mental health or medical issues. The Yakima County Corrections Facility has excess capacity and is willing to provide secure confinement for $54 per day, including transportation from and to Everett. This contract would give the City flexibility to house inmates at the Yakima facility. It is anticipated that the Yakima facility would be used primarily for inmates serving longer sentences and the Snohomish County facility would continue to be used for inmates serving shorter sentences.
