Is the Port on board with the proposed bridge for Sewer Project "M" at Grand Avenue Park? The Port had \$1 million for this bridge in the '90's. Where is that money now? Learn about Waterfront Place development. What is it and what's the time line to complete it? What else is new at the Port?

**Have a new neighbor?** Invite and/or bring them to our neighborhood meeting!!

Let us know of a new neighbor by emailing us [nwneverett@gmail.com](mailto:nwneverett@gmail.com) or drop a note in the NW Neighborhood box on Russ Kassemans porch; 1432 Colby Avenue. We will send them a welcome letter with information about our great neighborhood!

### **Update Sewer Project "M"**

As reported in our last neighborhood meeting, Public Works and the Conservation District are going door to door enquiring of neighbors about their down spouts. We have been discussing this through newsletters, emails and now Public Works is doing door to door visits. The goal is to get as much rain water out of the sewer system and avoid another event like we had last fall. You may have also received a postcard from Public Works. **Please respond** and if the post card does not answer your question call Marla Carter, Public Information & Education Manager with Public Works 425-257-8875.

money. **To encourage more participation from neighbors to honor our fundraiser, we are renting official Mother of All Garage Sale signs for \$20 this year.**

Please watch your email and the neighborhood website for more information as we are still putting details together. We will be having an official form for neighbors to fill out so that we can have more accurate details of your garage sale for the *official MOAG's map*.
