Paint and Weed at Garfield Park **Saturday, June 14, 9am**

Our big bark project last year reduced the need to weed at Garfield Park so we thought we would move our Garfield Park Work Day to June and paint some of the picnic shelters and do a bit of landscape clean up too.

We will provide the paint brushes, paint and gloves.

We also will have a bit of weeding to do if painting is not your thing.

For more information contact Katrina at 258-1126.
