

NW Neighborhood Meeting January 15th, 2015 at 6:30pm EvCC Campus, Whitehorse Hall, Room 105

Proposed N. Broadway Multiple-Family Property Tax Exemption Area

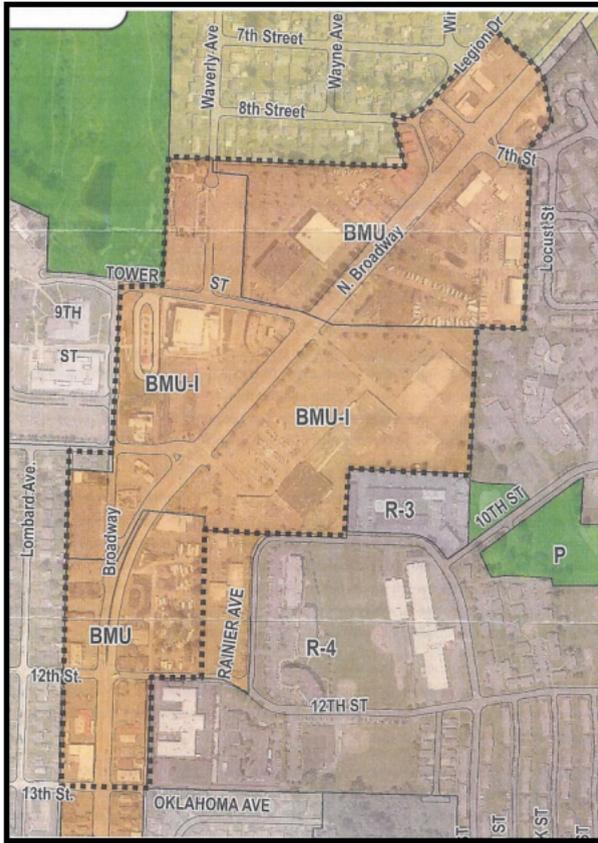

This is a special neighborhood meeting.

The City of Everett has been asked to make changes to encourage housing development in the N. Broadway corridor (see map to left).

The multiple-family property tax exemption area could encourage the development of student housing & the redevelopment of privately owned properties in this commercially zoned corridor.

Allan Giffen, Everett Planning Dept., will be presenting this proposal to the neighborhood and would like to hear from the neighbors.

FREE PARKING as always in LOT E

Please attend this very important meeting that impacts our neighborhood!!
