ARTICLE II -- ADMINISTRATIVE AND/OR FINANCIAL REQUIREMENTS
The Sub-grantee shall comply with all applicable state and federal laws, regulations and program guidance. A non-exclusive list of laws, regulations and guidance commonly applicable to DHS/FEMA grants are listed here for reference only, and include, but are not limited to, the following:

3. Grant funds will not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources. The Sub-grantee, upon written request by the County, the Department, DHS or FEMA, shall demonstrate through supporting records and documentation that a reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds.

4. Duplication of Benefits: There may not be a duplication of any Federal assistance by governmental entities per 2 CFR Part 225, Appendix A, Basic Guidelines, Section C.3 (c), which states: "Any cost allocable to a particular Federal award or cost objective under the principles provided for in 2 CFR Part 225 may not be charged to other Federal awards to overcome fund deficiencies, to avoid restrictions imposed by law or terms of the Federal awards, or for other reasons." However, this prohibition would not preclude governmental units from shifting costs that are allowable under two or more awards in accordance with existing program agreements. Non-governmental entities are also subject to this prohibition per 2 CFR Parts 220 and 230 and 48 CFR Part 31.2.
5. The Sub-grantee shall comply with all applicable federal laws, regulations and guidance referenced in the Fiscal Year (FY) 2013-14 Homeland Security Grant Program (HSGP) Funding Opportunity Announcement (FOA) which can be found at [http://www.fema.gov/grants](http://www.fema.gov/grants) and is hereby incorporated in and made a part of this Agreement.

6. The Sub-grantee shall comply with the Federal Funding Accountability and Transparency Act (FFATA) and related OMB Guidance consistent with Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note) and complete and return to the County Attachment #1 attached to and made a part of this Agreement.

ARTICLE III – REIMBURSEMENT/INVOICING PROCEDURES

1. The Sub-grantee acknowledges that since this Grant Agreement involves federal funding, the period of performance described herein will likely begin prior to the availability of appropriated federal funds. The Sub-grantee agrees that it will not hold the County, the Department, the State of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Grant Agreement prior to distribution of appropriated federal funds.

2. This is a fixed price, reimbursement Grant Agreement. Within the total Grant Agreement amount, travel, sub-contracts, salaries and wages, benefits, printing, equipment, and other goods and services or other budget categories will be reimbursed on an actual cost basis unless otherwise provided in this Grant Agreement. Any travel or subsistence reimbursement allowed under the Grant Agreement shall be paid in accordance with rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended, but shall not exceed federal maximum rates set forth at [http://www.gsa.gov](http://www.gsa.gov) without prior written approval by the County’s key personnel.

3. The Sub-grantee will submit reimbursement requests to the County by submitting a properly completed reimbursement spreadsheet (in the format provided by the County) detailing the expenditures for which reimbursement is sought. Reimbursement requests must be submitted to the County’s key personnel at least quarterly but not more frequently than monthly.

4. Copies of receipts and backup documentation for any approved budget line items including travel related expenses that are authorized under this Grant Agreement must be included with the Sub-grantee’s reimbursement requests. Originals are to be maintained by the Sub-grantee and be made available upon request by the County, the Department, and local, state or federal auditors.

5. All work under this Agreement must end on or before the Agreement End Date, and the final reimbursement request must be submitted to the County within 15 days after the Agreement End Date. The maximum amount of all reimbursement requests permitted to be submitted under this Grant Agreement, including the final reimbursement request, is limited to and shall not exceed the total Grant Agreement Amount.

6. No equipment or supply costs will be reimbursed until the related equipment/supplies have been received by the Sub-grantee and invoiced by the vendor.

7. Requests for reimbursement of equipment purchases must include a copy of the vendor’s invoice and packing slip or a statement signed and dated by the Sub-grantee’s authorized representative that states “all items invoiced have been received in good working order, are operational, and have been inventoried according to contract and local procurement requirements”.

8. Failure to timely submit complete reports and reimbursement requests as required by this Agreement (including but not limited to those reports in the Grant Timeline) will prohibit the Sub-grantee from being reimbursed until such complete reports and reimbursement requests are submitted and the County has had reasonable time to conduct its review.
9. Final reimbursement requests will not be approved for payment if Sub-grantee is not current with all reporting requirements contained in this Agreement.

ARTICLE IV – REPORTING REQUIREMENTS

1. The Sub-grantee shall submit with each reimbursement request a progress report describing current Approved Project activities.

2. The Sub-grantee shall submit a Closeout Report and a final Grant Funded Typed Resource Report no later than 20 days after Agreement End Date.

2. The Sub-grantee, or a recognized sub-grantee/sub-contractor, shall be responsible for any and all operational and maintenance expenses and for the safe operation of their equipment including all questions of liability. The Sub-grantee shall develop appropriate maintenance schedules and procedures to ensure the equipment is well maintained and kept in good operating condition.

The Sub-grantee shall maintain equipment records that include: a description of the property; the manufacturer’s serial number, model number, or other identification number; the source of the equipment, including the Catalogue of Federal Domestic Assistance (CFDA) number; who holds title; the acquisition date; the cost of the equipment and the percentage of Federal participation in the cost; the location, use and condition of the equipment at the date the information was reported; and disposition data including the date of disposal and sale price of the property.

4. Records for equipment shall be retained by the Sub-grantee for a period of six years from the date of the disposition, replacement or transfer. If any litigation, claim, or audit is started before the expiration of the six year period, the records shall be retained by the Sub-grantee until all litigation, claims, or audit findings involving the records have been resolved.

5. The Sub-grantee shall take a physical inventory of the equipment and reconcile the results with the property records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the records shall be investigated by the Sub-grantee to determine the cause of the difference. The Sub-grantee shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

6. The Sub-grantee shall develop a control system to ensure adequate safeguards to prevent loss, damage, and theft of the property. Any loss, damage or theft shall be investigated and a report generated and sent to the County.

7. If the Sub-grantee is authorized or required to sell the property, proper sales procedures must be established and followed to ensure the highest possible return.

   b. Items of equipment with a current per-unit fair market value of more than $5,000 may be retained or sold and the Sub-grantee shall compensate the Federal-sponsoring agency for its share.
9. As recipient of federal funds the Sub-grantee must pass on equipment management requirements that meet or exceed the requirements outlined above for all sub-contractors, consultants, and sub-grantees who receive pass-through funding from this Grant Agreement.

10. Allowable equipment categories for the FY 2013-14 UASI program are listed on the web-based version of the Authorized Equipment List (AEL) located at the Responder Knowledge Base at http://www.rkb.us/. Reimbursement will only be provided for equipment that (1) is on the AEL or, (2) if not on the AEL, has received prior written approval from FEMA through the Department; Sub-grantees must contact the Department representative for assistance in seeking FEMA approval for equipment not on the AEL. Unless expressly provided otherwise, all equipment must meet all mandatory regulatory and/or FEMA adopted standards to be eligible for purchase using HSGP funds. In addition, Sub-grantees must obtain and maintain all necessary certifications and licenses for the equipment. Sub-grantees are solely responsible for ensuring equipment eligibility.

The Sub-grantee is advised that any project or expenditure with the potential to impact natural or biological resources or historic properties, including but not limited to, communication towers, physical security enhancements, new construction, renovation, or modification to buildings or structures, cannot be initiated until FEMA has completed the required EHP review. If potential impact is identified, EHP review is required prior to project implementation. Projects implemented prior to receiving EHP approval from FEMA risk de-obligation of funds.

NIMS provides a consistent, nationwide approach and vocabulary for multiple agencies or jurisdictions to work together to build, sustain and deliver the core capabilities needed to achieve a secure and resilient nation.

As defined in Circular A-133, the term "non-federal entity" means a State, local government, or non-profit organization, and the term "State" includes Indian tribes. Circular A-133 is available on the OMB Home Page at http://www.omb.gov.

Sub-grantees that qualify as subrecipients required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised...
Yellow Book) developed by the Comptroller General and the OMB Compliance Supplement. The Sub-grantee has the responsibility of notifying its auditor and requesting an audit in compliance with Circular A-133, to include the Washington State Auditor’s Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by Circular A-133.

Snohomish County – Dept. of Emergency Management
720 80th Street SW, Building A
Everett, WA 98203

In addition to sending a copy of the audit, the Sub-grantee must include a corrective action plan for any audit findings and a copy of the management letter if one was received.

If Sub-grantee claims it is exempt from the audit requirements of Circular A-133, Sub-grantee must send a letter identifying this Grant Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the Sub-grantee fiscal year(s) to the same address shown above.

The County retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

The Sub-grantee shall include the above audit requirements in any sub-contracts.

Conducting a single or program-specific audit in compliance with Circular A-133 is a material requirement of this Grant Agreement. In the absence of a valid claim of exemption from the audit requirements of Circular A-133, the Sub-grantees failure to comply with said audit requirements may result in one or more of the following actions in the County’s sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with Circular A-133; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

A.3 ADVANCE PAYMENTS PROHIBITED

A.4 AMENDMENTS AND MODIFICATIONS
The Sub-grantee or the County may request, in writing, an amendment or modification of this Grant Agreement. However, such amendment or modification shall not be binding, take effect or be incorporated herein until made in writing and signed by the authorized representatives of the County and the Sub-grantee. No other understandings or agreements, written or oral, shall be binding on the parties.

The Sub-grantee must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunication.

The County and Sub-grantee agree that all activity pursuant to this Grant Agreement will be in accordance with all the applicable current federal, state and local laws, rules and regulations.

A.7 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, OR INELIGIBILITY
As federal funds are a basis for this Grant Agreement, the Sub-grantee certifies that the Sub-grantee is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this Grant Agreement by any federal department or agency.

If requested by the County, the Sub-grantee shall complete and sign a Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion form. Any such form completed by the Sub-grantee for this Grant Agreement shall be incorporated into this Grant Agreement by reference.

Further, the Sub-grantee agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. The Sub-grantee certifies that it will ensure that potential sub-contractors or sub-recipients or any of their principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in “covered transactions” by any federal department or agency. “Covered transactions” include procurement contracts for goods or services awarded under a non-procurement transaction (e.g. grant or cooperative agreement) that are expected to equal or exceed $25,000, and sub-awards to sub-recipients for any amount. With respect to covered transactions, the Sub-grantee may comply with this provision by obtaining a certification statement from the potential sub-contractor or sub-recipient or by checking the System for Award Management (SAM) maintained by the federal government. The Sub-grantee also agrees not to enter into any arrangements or contracts with any party on the Washington State Department of Labor and Industries’ “Debarred Contractor List” (http://www.lni.wa.gov/TradesLicensing/PrevWage/AwardingAgencies/DebarredContractors/).

A.8 CERTIFICATION REGARDING RESTRICTIONS ON LOBBYING

Congress, or an employee of a Member of Congress in connection with this Grant Agreement, grant, loan, or cooperative agreement, the Sub-grantee will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; (3) and that, as applicable, the Sub-grantee will require that the language of this certification be included in the award documents for all subawards at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into, and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code.

A.9 CONFLICT OF INTEREST
No officer or employee of the County; no member, officer, or employee of the Sub-grantee or its designees or agents; no member of the governing body of the jurisdiction in which the project is undertaken or located; and no other official of such the Sub-grantee who exercises any functions or responsibilities with respect to the project during his or her tenure, shall have any personal or pecuniary gain or interest, direct or indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this Grant Agreement. The Sub-grantee shall incorporate, or cause to incorporate, in all such contracts or subcontracts, a provision prohibiting such interest pursuant to this provision.

A.10 COMPLIANCE WITH APPLICABLE STATUTES, RULES AND DEPARTMENT POLICIES

It is understood and agreed that this Grant Agreement is solely for the benefit of the parties to the Grant Agreement and gives no right to any other party. No joint venture or partnership is formed as a result of this Grant Agreement.

To the extent allowed by law, the Sub-grantee, its successors or assigns, will protect, save and hold harmless the County, the State of Washington, and the United States Government and their authorized agents and employees, from all claims, actions, costs, damages or expenses of any nature whatsoever by reason of the acts or omissions of the Sub-grantee, its sub-contractors, assigns, agents, contractors, consultants, licensees, invitees, employees or any person whomsoever arising out of or in connection with any acts or activities authorized by this Grant Agreement.

A.15 LOSS OR REDUCTION OF FUNDING
In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion or end date, the County or Department may unilaterally reduce the scope of work and budget or unilaterally terminate all or part of the Agreement as a "Termination for Cause" without providing the Sub-grantee an opportunity to cure.
Alternatively, the parties may renegotiate the terms of this Agreement under “Amendments and Modifications” to comply with new funding limitations and conditions, although the County and the Department has no obligation to do so.

Neither this Grant Agreement, nor any claim arising under this Grant Agreement, shall be transferred or assigned by the Sub-grantee.

The Sub-grantee represents and warrants that its work place does now or will meet all applicable federal and state safety and health regulations that are in effect during the Sub-grantee’s performance under this Grant Agreement. To the extent allowed by law, the Sub-grantee further agrees to indemnify and hold harmless the County, the Department and its employees and agents from all liability, damages and costs of any nature, including but not limited to, costs of suits and attorneys’ fees assessed against the County, as a result of the failure of the Sub-grantee to so comply.

A.20 OWNERSHIP OF PROJECT/CAPITAL FACILITIES
The County makes no claim to any capital facilities or real property improved or constructed with funds under this Grant Agreement, and by this grant of funds does not and will not acquire any ownership interest or title to such property of the Sub-grantee. The Sub-grantee shall assume all liabilities arising from the ownership and operation of the project and agrees to hold the County, and the State of Washington and the United States government harmless from any and all causes of action arising from the ownership and operation of the project.

A.23 PUBLICITY
The Sub-grantee agrees to submit to the County prior to issuance all advertising and publicity matters relating to this Grant Agreement wherein the County’s name is mentioned or language used from which the connection of the County’s name may, in the County’s judgment, be inferred or implied. The Sub-grantee agrees not to publish or use such advertising and publicity matters without the prior written consent of
the County. The Sub-grantee may copyright original work it develops in the course of or under this Grant Agreement; however, pursuant to 44 CFR 13.34, FEMA reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use the work for government purposes.

Publication resulting from work performed under this Grant Agreement shall include an acknowledgement of FEMA’s financial support, by CFDA number, and a statement that the publication does not constitute an endorsement by FEMA or reflect FEMA’s views.

A.24 RECAPTURE PROVISION
In the event the Sub-grantee fails to expend funds under this Agreement in accordance with applicable federal, state, and local laws and/or the provisions of the Grant Agreement, the County reserves the right to recapture funds in an amount equivalent to the extent of noncompliance. Such right of recapture shall exist for the life of the project following Grant Agreement termination. Repayment by the Sub-grantee of funds under this recapture provision shall occur within 30 days of demand.

In the event the County is required to institute legal proceedings to enforce the recapture provision, the County shall be entitled to its costs thereof, including attorney fees.

A.25 RECORDS
a. The Sub-grantee agrees to maintain all books, records, documents, receipts, invoices and all other electronic or written records necessary to sufficiently and properly reflect the Sub-grantee’s contracts, grant administration, and payments, including all direct and indirect charges, and expenditures in the performance of this Grant Agreement (the “records”).

b. The Sub-grantee’s records related to this Grant Agreement and the projects funded may be inspected and audited by the County, the Department or its designee, by the Office of the State Auditor, DHS, FEMA or their designees, by the Comptroller General of the United States or its designees, or by other state or federal officials authorized by law, for the purposes of determining compliance by the Sub-grantee with the terms of this Grant Agreement and to determine the appropriate level of funding to be paid under the Grant Agreement.

c. The records shall be made available by the Sub-grantee for such inspection and audit, together with suitable space for such purpose, at any and all times during the Sub-grantee’s normal working day.

d. The Sub-grantee shall retain and allow access to all records related to this Grant Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Grant Agreement.

A.26 RESPONSIBILITY FOR PROJECT/STATEMENT OF WORK/WORK PLAN
While the County and the Department undertake to assist the Sub-grantee with the project/statement of work/work plan (project) by providing grant funds pursuant to this Grant Agreement, the project itself remains the sole responsibility of the Sub-grantee. The County and the Department undertake no responsibility to the Sub-grantee, or to any third party, other than as is expressly set out in this Grant Agreement.

The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the Sub-grantee, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the Sub-grantee shall ensure that all applicable Federal, State, and local permits and clearances are obtained, including but not limited to FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws and executive orders.
The Sub-grantee shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the Sub-grantee in connection with the project. The Sub-grantee shall not look to the County, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including but not limited to cost of defense and/or attorneys’ fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.27 SEVERABILITY
If any court of rightful jurisdiction holds any provision or condition under this Grant Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Grant Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Grant Agreement are declared severable.

A.28 SUB-CONTRACTING
The Sub-grantee shall use a competitive procurement process in the award of any contracts with contractors or sub-contractors that are entered into under the original contract award. The procurement process followed shall be in accordance with 44 CFR Part 13, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments, or with OMB Circular A-110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations, as applicable to the Sub-grantee.

11) Retention of all required records for three years after grantees or sub-grantees make final payments and all other pending matters are closed.

(All contracts, sub-contracts, and sub-grants of amounts in excess of $100,000).

The County and the Department reserves the right to review the Sub-Grantee procurement plans and documents, and require the Sub-Grantee to make changes to bring its plans and documents into compliance with the requirements of 44 CFR Part 13.36. The Sub-Grantee must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the Sub-Grantee and the County to make a determination on eligibility of project costs.

All sub-contracting agreements entered into pursuant to this Grant Agreement shall incorporate this Grant Agreement by reference.

A.29 SUB-GRANTEE NOT EMPLOYEE

The parties intend that an independent contractor relationship will be created by this Grant Agreement. The Sub-grantee, and/or employees or agents performing under this Grant Agreement are not employees or agents of the County in any manner whatsoever. The Sub-grantee will not be presented as nor claim to be an officer or employee of the County, the Department or of the State of Washington by reason of this Grant Agreement, nor will the Sub-grantee make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the County, or of the State of Washington by reason of this Grant Agreement, including, but not limited to, Worker’s Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.
A.30 TAXES, FEES AND LICENSES
Unless otherwise provided in this Grant Agreement, the Sub-grantee shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the Sub-grantee or its staff required by statute or regulation that are applicable to Grant Agreement performance.

A.31 TERMINATION FOR CONVENIENCE
Notwithstanding any provisions of this Grant Agreement, the Sub-grantee may terminate this Grant Agreement by providing written notice of such termination to the County's Key Personnel identified in the Grant Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Grant Agreement, the County, in its sole discretion and in the best interests of the State of Washington, may terminate this Grant Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the Sub-grantee. Upon notice of termination for convenience, the County reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the Sub-grantee from incurring additional obligations of funds. In the event of termination, the Sub-grantee shall be liable for all damages as authorized by law. The rights and remedies of the County provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 TERMINATION OR SUSPENSION FOR CAUSE
In the event the County, in its sole discretion, determines the Sub-grantee has failed to fulfill in a timely and proper manner its obligations under this Grant Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the Sub-grantee unable to perform any aspect of the Grant Agreement, or has violated any of the covenants, agreements or stipulations of this Grant Agreement, the County has the right to immediately suspend or terminate this Grant Agreement in whole or in part.

The County may notify the Sub-grantee in writing of the need to take corrective action and provide a period of time in which to cure. The County is not required to allow the Sub-grantee an opportunity to cure if it is not feasible as determined solely within the County's discretion. Any time allowed for cure shall not diminish or eliminate the Sub-grantee liability for damages or otherwise affect any other remedies available to the County. If the County allows the Sub-grantee an opportunity to cure, the County shall notify the Sub-grantee in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the County, or if such corrective action is deemed by the County to be insufficient, the Grant Agreement may be terminated in whole or in part.

The County reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the Sub-grantee from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the Sub-grantee, if allowed, or pending a decision by the County to terminate the Grant Agreement in whole or in part.

In the event of termination, the Sub-grantee shall be liable for all damages as authorized by law, including but not limited to, any cost difference between the original Grant Agreement and the replacement or cover Grant Agreement and all administrative costs directly related to the replacement Grant Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the County provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.
If it is determined that the Sub-grantee: (1) was not in default or material breach, or (2) failure to perform was outside of the Sub-grantee’s control, fault or negligence, the termination shall be deemed to be a “Termination for Convenience”.

A.33 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the County terminates this Grant Agreement, the Sub-grantee shall follow any procedures specified in the termination notice. Upon termination of this Grant Agreement and in addition to any other rights provided in this Grant Agreement, the County may require the Sub-grantee to deliver to the County any property specifically produced or acquired for the performance of such part of this Grant Agreement as has been terminated.

If the termination is for convenience, the County shall pay to the Sub-grantee agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the County prior to the effective date of Grant Agreement termination, and the amount agreed upon by the Sub-grantee and the County for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the County, (iii) other work, services and/or equipment or supplies which are accepted by the County, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Grant Agreement. If the termination is for cause, the County shall determine the extent of the liability of the County. The County shall have no other obligation to the Sub-grantee for termination. The County may withhold from any amounts due the Sub-grantee such sum as the County determines to be necessary to protect the County against potential loss or liability.

The rights and remedies of the County provided in this Grant Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the County in writing, the Sub-grantee shall:

a. Stop work under the Grant Agreement on the date, and to the extent specified, in the notice;

b. Place no further orders or sub-contracts for materials, services, supplies, equipment and/or facilities in relation to this Grant Agreement except as may be necessary for completion of such portion of the work under the Grant Agreement as is not terminated;

c. Assign to the County, in the manner, at the times, and to the extent directed by the County, all of the rights, title, and interest of the Sub-grantee under the orders and sub-contracts so terminated, in which case the County has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and sub-contracts;

d. Settle all outstanding liabilities and all claims arising out of such termination of orders and sub-contracts, with the approval or ratification of the County to the extent the County may require, which approval or ratification shall be final for all the purposes of this clause;

e. Transfer title to the County and deliver in the manner, at the times, and to the extent directed by the County any property which, if the Grant Agreement had been completed, would have been required to be furnished to the County;

f. Complete performance of such part of the work as shall not have been terminated by the County in compliance with all contractual requirements; and
g. Take such action as may be necessary, or as the County may require, for
the protection and preservation of the property related to this Grant Agreement
which is in the possession of the Sub-grantee and in which the County has or
may acquire an interest.

subsistence reimbursement allowed under the Agreement shall be paid in accordance
with rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or
amended. The Sub-grantee may be required to provide to the County copies of
receipts for any travel related expenses other than meals and mileage (example:
parking) that are authorized under this Agreement.

A.35 UTILIZATION OF MINORITY AND WOMEN BUSINESS ENTERPRISES (MWBE)
The Sub-grantee is encouraged to utilize business firms that are certified as minority-
owned and/or women-owned in carrying out the purposes of this Grant Agreement. The
Sub-grantee may set utilization standards, based upon local conditions or may utilize the
state of Washington MWBE goals, as identified in WAC 326-30-041.

A.36 WAIVERS
No conditions or provisions of this Grant Agreement can be waived unless approved in
advance by the County in writing. The County's failure to insist upon strict
performance of any provision of the Grant Agreement or to exercise any right based
upon a breach thereof, or the acceptance of any performance during such breach, shall
not constitute a waiver of any right under this Grant Agreement.

A.37 VENUE
This Grant Agreement shall be construed and enforced in accordance with, and the
validity and performance shall be governed by, the laws of the state of Washington.
Venue of any suit between the parties arising out of this Grant Agreement shall be the
Superior Court of Snohomish County, Washington. The Sub-grantee, by execution of
this Grant Agreement acknowledges the jurisdiction of the courts of the State of

ADDITIONAL AGREEMENT PROVISIONS AND WORKSHEET
For Compliance With The

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website. Federal awards include grants, subgrants, loans, awards, cooperative agreements and other forms of financial assistance as well as contracts, subcontracts, purchase orders, task orders, and delivery orders. The legislation does not require inclusion of individual transactions below $25,000 or credit card transactions before October 1, 2008. However, if an award is initially below this amount yet later increased, the act is triggered. Due to this variability in compliance Subrecipients are required by the Military Department to be familiar with the FFATA requirements and complete this Worksheet for each contract for the State’s submission in to the FFATA portal.

ADDITIONAL PROVISIONS

A. This contract (subaward) is supported by federal funds, requiring compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act) and Office of Management and Budget Guidance (OMB). Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note). By entering into this contract, contractor agrees to provide all applicable reporting information to the Washington Military Department (WMD) required by FFATA and OMB Guidance.

B. The FFATA requires the OMB to establish a publicly available online database (USASpending.gov) containing information about entities that are awarded Federal grants, loans, and contracts. As required by FFATA and OMB Guidance, certain information on the first-tier subawards related to Federal contracts and grants, and the executive compensation of awardees, must be made publicly available.

C. For new Federal grants beginning October 1, 2010, if the initial subaward is equal to or greater than $25,000, reporting of the subaward and executive compensation information is required. If the initial subaward is below $25,000 but subsequent grant modifications result in a total subaward equal to or over $25,000, the subaward will be subject to the reporting requirements as of the date the subaward exceeds $25,000. If the initial subaward equals or exceeds $25,000 but funding is subsequently de-obligated such that the total award amount falls below $25,000, the subaward continues to be subject to the reporting requirements of the Transparency Act and OMB Guidance.

D. As a Federal grant subawardee under this contract, your organization is required by FFATA, OMB Guidance and this contract to provide the WMD, as the prime grant awardee, all information required for FFATA compliant reporting by WMD. This includes all applicable subawardee entity information required by FFATA and OMB Guidance, subawardee DUNS number, and relevant executive compensation data, as applicable.

1. Data about your organization will be provided to USASpending.gov by the WMD. System for Award Management (SAM) is a government wide registration system for
organizations that do business with the Federal Government. SAM stores information about awardees including financial account information for payment purposes and a link to D&B for maintaining current DUNS information, www.sam.gov. WMD requires SAM registration and annual renewal by your organization to minimize unnecessary data entry and re-entry required by both WMD and your organization. It will also reduce the potential of inconsistent or inaccurate data entry.

2. Your organization must have a Data Universal Numbering System (DUNS) number obtained from the firm Dun and Bradstreet (D&B) (www.dnb.com). A DUNS number provides a method to verify data about your organization. D&B is responsible for maintaining unique identifiers and organizational linkages on behalf of the Federal Government for organizations receiving Federal assistance.

E. The WMD, as the prime awardee, is required by FFATA to report names and total compensation of the five (5) most highly compensated officers of your organization (as the subawardee) if:

1. Your organization (the subawardee), in the preceding fiscal year, received 80 percent or more of its annual gross revenues from Federal awards and $25,000,000 or more in annual gross revenues from Federal awards; and

2. The public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986.

"Total compensation" for purposes of this requirement generally means the cash and non-cash value earned by the executive during the past fiscal year and includes salary and bonus; awards of stock, stock options and stock appreciation rights; and other compensation such as severance and termination payments, and value of life insurance paid on behalf of the employee, and as otherwise provided by FFATA and applicable OMB guidance.

F. If (1) in the preceding fiscal year your organization received 80 percent or more of its annual gross revenues from Federal awards and $25,000,000 or more in annual gross revenues from Federal awards, and (2) the public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986, insert the names and total compensation for the five most highly compensated officers of your organization in the table below.

Purpose: As a pass-through agency of federal grant funds, the Washington Military Department/Emergency Management Division (WMD/EMD) is required by Office of Management and Budget (OMB) Circular A-133 to monitor activities of subrecipient to ensure federal awards are used for authorized purposes and ensure that subrecipients spending $500,000 or more in federal awards during their fiscal year have met the OMB Circular A-133 Audit Requirements. Your entity is a subrecipient subject to such monitoring by MIL/EMD because it is a non-federal entity that expends federal grant funds received from MIL/EMD as a pass-through entity to carry out a federal program. OMB Circular A-133 can be found at http://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf, and it should be consulted when completing this form.

Directions: As required by OMB Circular A-133, non-federal entities that expend $500,000 in federal awards in a fiscal year shall have a single or program-specific audit conducted for that year. If your entity is not subject to A-133 requirements, you must complete Section A of this Form. If your entity is required to complete an A-133 Audit, you must complete Section B of this form. When completed, you must sign, date, and return this form with your grant agreement contract and every fiscal year thereafter until the grant agreement contract is closed. Failure to return this completed Audit Certification Form may result in delay of grant agreement processing, withholding of federal awards or disallowance of costs, and suspension or termination of federal awards.

SECTION A: Entities NOT subject to the audit requirements of OMB Circular A-133

Our entity is not subject to the requirements of OMB Circular A-133 because (check all that apply):

- [ ] We did not expend $500,000 or more of total federal awards during the fiscal year.
- [ ] We are a for-profit agency.
- [ ] We are exempt for other reasons (describe):

However, by signing below, I agree that we are still subject to the audit requirements, laws and regulations governing the program(s) in which we participate, that we are required to maintain records of federal funding and to provide access to such records by federal and state agencies and their designees, and that WMD/EMD may request and be provided access to additional information and documentation to ensure proper stewardship of federal funds.

SECTION B: Entities that ARE subject to the requirements of OMB Circular A-133

(Complete the information below and check the appropriate box)

[X] We completed our last A-133 Audit on [06/25/2014] for Fiscal Year ending [12/31/2013]. There were no findings related to federal awards from WMD/EMD. No follow-up action is required by WMD/EMD as the pass-through entity.
