THIS AGREEMENT, entered into by the Washington State Department of Transportation, hereinafter "WSDOT," and the Contractor identified above, hereinafter the "CONTRACTOR," individually the "PARTY" and collectively the "PARTIES."

WHEREAS, the State of Washington in its Sessions Laws of 2015 Chapter 10 Section 220 (1), (2), (4) and (5) provides Rural Mobility, Paratransit/Special Needs, Regional Mobility and other special proviso funding through the multimodal transportation account, rural mobility grant program account, and regional mobility program account, as identified in the budget through its 2015-2017 biennial appropriations to WSDOT;

WHEREAS, the State of Washington in its Sessions Laws of 2015, Chapter 43, Section 207, subsection (2), (3), (4) and (7), added new revenue funds for Paratransit/Special Needs, Paratransit/Special Needs Non-profit, Regional Mobility and other proviso funding through the multimodal transportation account, rural mobility grant program account, and regional mobility program account, as identified in the budget through its 2015-2017 biennial appropriations to WSDOT;

WHEREAS, WSDOT's Public Transportation Division administers the Paratransit/Special Needs Transit Formula Grant Program funds to provide assistance to transit agencies for transportation related support of persons with special needs;

NOW, THEREFORE, in consideration of the terms, conditions, performances and mutual covenants herein set forth and the attached Exhibit I, "Scope of Work and Budget," which are incorporated and made a part hereof, IT IS MUTUALLY AGREED AS FOLLOWS:

**Section 1**

**Purpose of Agreement**

The purpose of this AGREEMENT is for WSDOT to provide operating funds to the CONTRACTOR for public transportation services that meet the needs of persons in the State of Washington, hereinafter known as the "Project."

**Section 2**

**Scope of Project**

The CONTRACTOR shall undertake and complete the Project described and detailed in Exhibit I, "Scope of Work and Budget," which is by this reference fully incorporated herein as if fully set out in this AGREEMENT and operate the service within the area described in the caption space header titled "Service Area," in accordance with the terms and conditions of this AGREEMENT. The caption space header titled "Service Area" and all caption space headers are by this reference incorporated herein as if fully set out in this AGREEMENT.

**Section 3**  
**Term of Project**

The CONTRACTOR shall commence, perform, and complete the Project within the time defined in the caption space header titled "Term of Project" on this AGREEMENT regardless of the date of execution of this AGREEMENT, unless terminated as provided herein.

**Section 4**  
**Contractor's Share of Project Costs**

A. The total Project cost shall not exceed the amounts detailed in the caption space header titled "Project Costs." The CONTRACTOR agrees to expend eligible funds, together with any "Contractor Funds" allocated for the Project, in an amount sufficient to complete the Project as detailed in Exhibit I, "Scope of Work and Budget." The CONTRACTOR further agrees that there shall be no reduction in the amount specified as the "Contractor Funds" unless there is a concurrent proportional reduction in the "State Funds" or WSDOT pre-approves the reduction in writing. If at any time the CONTRACTOR becomes aware that the cost which it expects to incur in the performance of this AGREEMENT will exceed or be less than the amount identified as "Total Project Cost" in the caption space header titled "Project Costs," the CONTRACTOR shall notify WSDOT in writing within three (3) business days of making that determination.

B. Minimum Match: The CONTRACTOR is required to provide a minimum match of funds for the Project as identified in the caption space header titled, "Project Costs," reflected in the Contractor Funds. Any reduction in match will result in a proportional reduction in grant funds.

**Section 5**  
**Payment**

A. State funds shall be used to reimburse the CONTRACTOR for allowable expenses incurred in completing the Project as described in Exhibit I, "Scope of Work and Budget." Allowable Project expenses shall be determined by WSDOT as described in WSDOT's *Washington State Guide to Managing Your Public Transportation Grant for 2015*, and any amendments thereto, found at <http://www.wsdot.wa.gov/Transit/Grants/Guidebook.htm>, and/or WSDOT's, *Guide to Managing Your Regional Mobility Grant, 2015*, and any amendments thereto, found at <http://www.wsdot.wa.gov/Transit/Grants/regional-mobility-grants-program-guidebook.htm>, which by this reference is fully incorporated herein. In no event shall the total amount reimbursed by WSDOT exceed "State Funds" identified in the caption space header titled "Project Costs," above.

B. Payment will be made by WSDOT on a reimbursable basis for actual net Project costs incurred within the timeframe in the caption space titled "Term of Project." Such costs to be reimbursed shall be calculated as described in WSDOT's *Guide to Managing Your Public Transportation Grant, 2015*, and/or WSDOT's, *Guide to Managing Your Regional Mobility Grant, 2015*, and any amendments thereto. WSDOT shall make no payments for costs incurred prior to the beginning or after the ending dates shown in the caption space titled "Term of Project". The CONTRACTOR shall submit an invoice detailing and supporting the costs incurred. Such invoices may be submitted no more than once a month and no less than once per quarter. If approved by WSDOT, said invoices shall be paid by WSDOT within thirty (30) days. Payment is subject to the submission to and approval by WSDOT of appropriate invoices, reports, and financial summaries. Any financial summaries submitted to WSDOT must include a record of the actual costs.

C. The CONTRACTOR shall submit an invoice by July 15, 2016, for any unreimbursed eligible expenditures incurred between July 1, 2015, and June 30, 2016. If the CONTRACTOR is unable to provide an invoice by this date, the CONTRACTOR shall provide an estimate of the charges to be billed so WSDOT may accrue the expenditures in the proper fiscal period. Any subsequent reimbursement request submitted will be limited to the amount accrued as set forth in this section. The CONTRACTOR's final payment request must be received by WSDOT by July 15, 2017, within thirty (30) days of the completion of the Project, or within thirty (30) days of the termination of this AGREEMENT, whichever is sooner. Any payment request received after July 15, 2017 will not be eligible for reimbursement.

**Section 6**  
**Assignments and Subcontracts**

A. Unless otherwise authorized in advance and in writing by WSDOT, the CONTRACTOR shall not assign any portion of the Project or execute any contract, amendment, or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this AGREEMENT.

B. The CONTRACTOR agrees to include Sections 9 through 17 of this AGREEMENT in each subcontract and in all contracts it enters into for the employment of any individuals, procurement of any incidental goods or supplies, or the

performance of any work to be accomplished under this AGREEMENT. It is further agreed that those clauses shall not be modified in any such subcontract, except to identify the subcontractor or other person or entity that will be subject to its provisions. In addition, the following provision shall be included in any advertisement or invitation to bid for any procurement by the CONTRACTOR under this AGREEMENT:

Statement of Financial Assistance:

“This AGREEMENT is subject to the appropriations of the State of Washington.”

#### **Section 7 Reports**

The CONTRACTOR shall prepare quarterly reports regarding services provided pursuant to this AGREEMENT and other related information as prescribed in WSDOT’s *Guide to Managing Your Public Transportation Grant, 2015*, and/or WSDOT’s, *Guide to Managing Your Regional Mobility Grant, 2015*, and any amendments thereto, or as requested by WSDOT. Due to Legislative and WSDOT reporting requirements, quarterly progress reports shall be submitted for the duration of the AGREEMENT period regardless of whether the underlying funding sources have been exhausted. Post-grant annual performance reporting may also be required as prescribed in the aforementioned guidebook. Those reports include, but are not limited to:

1. Project Passenger Trips Provided
2. Project Service Hours Provided
3. Project Revenue Service Miles Provided
4. Narrative Progress Report
5. Financial Status/Summaries of the Project.

#### **Section 8 General Compliance Assurance**

The CONTRACTOR agrees to comply with all instructions as prescribed in WSDOT’s *Guide to Managing Your Public Transportation Grant, 2015*, and/or WSDOT’s, *Guide to Managing Your Regional Mobility Grant, 2015*, and any amendments thereto. The CONTRACTOR agrees that WSDOT, and/or any authorized WSDOT representative, shall have not only the right to monitor the compliance of the CONTRACTOR with respect to the provisions of this AGREEMENT but also have the right to seek judicial enforcement with regard to any matter arising under this AGREEMENT.

#### **Section 9 No Obligation by the State Government**

No contract between the CONTRACTOR and its subcontractors shall create any obligation or liability for WSDOT with regard to this AGREEMENT without WSDOT’s specific written consent, notwithstanding its concurrence in, or approval of, the award of any contract or subcontract or the solicitations thereof.

#### **Section 10 Personal Liability of Public Officers**

No officer or employee of WSDOT shall be personally liable for any acts or failure to act in connection with this AGREEMENT, it being understood that in such matters they are acting solely as agents of WSDOT.

#### **Section 11 Ethics**

A. **Relationships with Employees and Officers of WSDOT.** The CONTRACTOR shall not extend any loan, gratuity or gift of money in any form whatsoever to any employee or officer of WSDOT, nor shall CONTRACTOR rent or purchase any equipment and materials from any employee or officer of WSDOT.

B. **Employment of Former WSDOT Employees.** The CONTRACTOR hereby warrants that it shall not engage on a full-time, part-time, or other basis during the period of this AGREEMENT, any professional or technical personnel who are, or have been, at any time during the period of this AGREEMENT, in the employ of WSDOT without written consent of WSDOT.

#### **Section 12 Compliance with Laws and Regulations**

The CONTRACTOR agrees to abide by all applicable state and federal laws and regulations including but not limited to, those concerning employment, equal opportunity employment, nondiscrimination assurances, project record keeping necessary to evidence compliance with such federal and state laws and regulations, and retention of all such records. The CONTRACTOR will adhere to all of the nondiscrimination provisions in chapter 49.60 RCW. Except when a federal statute or regulation preempts state or local law, no provision of the AGREEMENT shall require the

CONTRACTOR to observe or enforce compliance with any provision, perform any other act, or do any other thing in contravention of state or local law. If any provision or compliance with any provision of this AGREEMENT violate state or local law, or would require the CONTRACTOR to violate state or local law, the CONTRACTOR agrees to notify WSDOT immediately in writing. Should this occur, WSDOT and the CONTRACTOR agree to make appropriate arrangements to proceed with or, if necessary, expeditiously, terminate the Project.

### **Section 13**

#### **Environmental Protection**

The CONTRACTOR agrees to comply with all applicable requirements of chapter 43.21C RCW "State Environmental Policy Act" (SEPA).

### **Section 14**

#### **Accounting Records**

**A. Project Accounts.** The CONTRACTOR agrees to establish and maintain for the Project either a separate set of accounts or separate accounts within the framework of an established accounting system that can be identified with the Project. The CONTRACTOR agrees that all checks, payrolls, invoices, contracts, vouchers, orders, or other accounting documents pertaining in whole or in part to the Project shall be clearly identified, readily accessible and available to WSDOT upon request, and, to the extent feasible, kept separate from documents not pertaining to the Project.

**B. Documentation of Project Costs and Program Income.** The CONTRACTOR agrees to support all allowable costs charged to the Project, including any approved services contributed by the CONTRACTOR or others, with properly executed payrolls, time records, invoices, contracts, or vouchers describing in detail the nature and propriety of the charges. The CONTRACTOR also agrees to maintain accurate records of all program income derived from implementing the Project.

### **Section 15**

#### **Audits, Inspection, and Retention of Records**

**A. Submission of Proceedings, Contracts, Agreements, and Other Documents.** During the term of the Project and for six (6) years thereafter, the CONTRACTOR agrees to retain intact and to provide any data, documents, reports, records, contracts, and supporting materials relating to the Project as WSDOT may require. Project closeout does not alter these recording and record-keeping requirements. Should an audit, enforcement, or litigation process be commenced, but not completed, during the aforementioned six-year period then the CONTRACTOR's obligations hereunder shall be extended until the conclusion of that pending audit, enforcement, or litigation process.

**B. General Audit Requirements.** The CONTRACTOR agrees to obtain any other audits required by WSDOT at CONTRACTOR's expense. Project closeout will not alter the CONTRACTOR's audit responsibilities.

**C. Inspection.** The CONTRACTOR agrees to permit WSDOT and the State Auditor, or their authorized representatives, to inspect all Project work materials, payrolls, and other data, and to audit the books, records, and accounts of the CONTRACTOR and its subcontractors pertaining to the Project. The CONTRACTOR agrees to require each third party to permit WSDOT, and the State Auditor or their duly authorized representatives, to inspect all work, materials, payrolls, and other data and records involving that third party contract, and to audit the books, records, and accounts involving that third party contract as it affects the Project

### **Section 16**

#### **Labor Provisions**

**Overtime Requirements.** No CONTRACTOR or subcontractor contracting for any part of the Project work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty (40) hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty (40) hours in such workweek. CONTRACTOR will comply with Title 49 RCW, Labor Regulations.

### **Section 17**

#### **Changed Conditions Affecting Performance**

The CONTRACTOR hereby agrees to immediately notify WSDOT of any change in conditions or law, or of any other event, which may affect its ability to perform the Project in accordance with the provisions of this AGREEMENT.

### **Section 18**

#### **Coordination of Special Needs Transportation**

It is the policy of WSDOT to actively support coordination of special needs transportation in the state. As a condition of assistance, the CONTRACTOR is required to participate in local coordinated planning as led by CONTRACTOR's relevant Metropolitan Planning Organization (MPO) and/or Regional Transportation Planning Organization (RTPO). Persons with special transportation needs means those persons, including their personal attendants, who because of physical or mental disability, income status, or age are unable to transport themselves or purchase transportation.

*Regional Mobility Grant funded projects are explicitly excluded from the provisions of Section 18 – Coordination of Special Needs Transportation.*

#### **Section 19 Disputes**

A. **Disputes.** Disputes, arising in the performance of this AGREEMENT, which are not resolved by agreement of the PARTIES, shall be decided in writing by the WSDOT Public Transportation Division Assistant Director or designee. This decision shall be final and conclusive unless within ten (10) days from the date of CONTRACTOR's receipt of WSDOT's written decision, the CONTRACTOR mails or otherwise furnishes a written appeal to the Director of the Public Transportation Division or the Director's designee. The CONTRACTOR's appeal shall be decided in writing by the Director of the Public Transportation Division within thirty (30) days of receipt of the appeal by the Director of the Public Transportation Division or the Director's designee. The decision shall be binding upon the CONTRACTOR and the CONTRACTOR shall abide by the decision.

B. **Performance During Dispute.** Unless otherwise directed by WSDOT, CONTRACTOR shall continue performance under this AGREEMENT while matters in dispute are being resolved.

C. **Claims for Damages.** Should either PARTY to this AGREEMENT suffer injury or damage to person, property, or right because of any act or omission of the other PARTY or any of that PARTY's employees, agents or others for whose acts it is legally liable, a claim for damages therefore shall be made in writing to such other PARTY within thirty (30) days after the first observance of such injury or damage.

D. **Rights and Remedies.** All remedies provided in this AGREEMENT are distinct and cumulative to any other right or remedy under this document or afforded by law or equity, and may be exercised independently, concurrently, or successively and shall not be construed to be a limitation of any duties, obligations, rights and remedies of the PARTIES hereto. No action or failure to act by the WSDOT or CONTRACTOR shall constitute a waiver of any right or duty afforded any of them under this AGREEMENT, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

#### **Section 20 Termination**

A. **Termination for Convenience.** WSDOT and/or the CONTRACTOR may suspend or terminate this AGREEMENT, in whole or in part, and all or any part of the financial assistance provided herein, at any time by written notice to the other PARTY. WSDOT and the CONTRACTOR shall agree upon the AGREEMENT termination provisions including but not limited to the settlement terms, conditions, and in the case of partial termination the portion to be terminated. Written notification must set forth the reasons for such termination, the effective date, and in case of a partial termination the portion to be terminated. However if, in the case of partial termination, WSDOT determines that the remaining portion of the award will not accomplish the purposes for which the award was made, WSDOT may terminate the award in its entirety. PARTIES may terminate this AGREEMENT for convenience for reasons including, but not limited to, the following:

1. The requisite funding becomes unavailable through failure of appropriation or otherwise;
2. WSDOT determines, in its sole discretion, that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of funds;
3. The CONTRACTOR is prevented from proceeding with the Project as a direct result of an Executive Order of the President with respect to the prosecution of war or in the interest of national defense; or an Executive Order of the President or Governor of the State with respect to the preservation of energy resources;
4. The CONTRACTOR is prevented from proceeding with the Project by reason of a temporary preliminary, special, or permanent restraining order or injunction of a court of competent jurisdiction where the issuance of such order or injunction is primarily caused by the acts or omissions of persons or agencies other than the CONTRACTOR; or
5. The State Government determines that the purposes of the statute authorizing the Project would not be adequately served by the continuation of financial assistance for the Project;
6. In the case of termination for convenience under subsections A.1-5 above, WSDOT shall reimburse the CONTRACTOR for all costs payable under this AGREEMENT that the CONTRACTOR properly incurred prior to

termination. The CONTRACTOR shall promptly submit its claim for reimbursement to WSDOT. If the CONTRACTOR has any property in its possession belonging to WSDOT, the CONTRACTOR will account for the same, and dispose of it in the manner WSDOT directs.

**B. Termination for Default.** WSDOT may suspend or terminate this AGREEMENT for default, in whole or in part, and all or any part of the financial assistance provided herein, at any time by written notice to the CONTRACTOR, if the CONTRACTOR materially breaches or fails to perform any of the requirements of this AGREEMENT, including:

1. Takes any action pertaining to this AGREEMENT without the approval of WSDOT, which under the procedures of this AGREEMENT would have required the approval of WSDOT;

2. Jeopardizes its ability to perform pursuant to this AGREEMENT, United States of America laws, Washington state laws, or local governmental laws under which the CONTRACTOR operates;

3. Fails to make reasonable progress on the Project or other violation of this AGREEMENT that endangers substantial performance of the Project; or

4. Fails to perform in the manner called for in this AGREEMENT or fails, to comply with, or is in violation of, any provision of this AGREEMENT. WSDOT shall serve a notice of termination on the CONTRACTOR setting forth the manner in which the CONTRACTOR is in default hereunder. If it is later determined by WSDOT that the CONTRACTOR had an excusable reason for not performing, such as events which are not the fault of or are beyond the control of the CONTRACTOR, such as a strike, fire or flood, WSDOT may: (a) allow the CONTRACTOR to continue work after setting up a new delivery of performance schedule, or (b) treat the termination as a termination for convenience.

C. WSDOT, in its sole discretion may, in the case of a termination for breach or default, allow the CONTRACTOR ten (10) business days, or such longer period as determined by WSDOT, in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If the CONTRACTOR fails to remedy to WSDOT's satisfaction the breach or default within the timeframe and under the conditions set forth in the notice of termination, WSDOT shall have the right to terminate this AGREEMENT without any further obligation to CONTRACTOR. Any such termination for default shall not in any way operate to preclude WSDOT from also pursuing all available remedies against CONTRACTOR and its sureties for said breach or default.

D. In the event that WSDOT elects to waive its remedies for any breach by CONTRACTOR of any covenant, term or condition of this AGREEMENT, such waiver by WSDOT shall not limit WSDOT's remedies for any succeeding breach of that or of any other term, covenant, or condition of this AGREEMENT.

#### **Section 21**

##### **Forbearance by WSDOT Not a Waiver**

Any forbearance by WSDOT in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

#### **Section 22**

##### **Lack of Waiver**

In no event shall any WSDOT payment of grant funds to the CONTRACTOR constitute or be construed as a waiver by WSDOT of any CONTRACTOR breach, or default. Such payment shall in no way impair or prejudice any right or remedy available to WSDOT with respect to any breach or default.

#### **Section 23**

##### **Limitation of Liability**

A. The CONTRACTOR shall indemnify and hold harmless WSDOT, its agents, employees, and officers and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs (hereinafter referred to collectively as "claims"), of whatsoever kind or nature brought against WSDOT arising out of, in connection with or incident to the execution of this AGREEMENT and/or the CONTRACTOR's performance or failure to perform any aspect of this AGREEMENT. This indemnity provision applies to all claims against WSDOT, its agents, employees and officers arising out of, in connection with or incident to the negligent acts or omissions of the CONTRACTOR, its agents, employees and officers. Provided, however, that nothing herein shall require the CONTRACTOR to indemnify and hold harmless or defend the WSDOT, its agents, employees or officers to the extent that claims are caused by the negligent acts or omissions of the WSDOT, its agents, employees or officers. The indemnification and hold harmless provision shall survive termination of this AGREEMENT.

B. The CONTRACTOR shall be deemed an independent contractor for all purposes, and the employees of the CONTRACTOR or its subcontractors and the employees thereof, shall not in any manner be deemed to be the employees of WSDOT.

C. The CONTRACTOR specifically assumes potential liability for actions brought by CONTRACTOR's employees and/or subcontractors and solely for the purposes of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the State Industrial Insurance Law, Title 51 Revised Code of Washington.

D. In the event either the CONTRACTOR or WSDOT incurs attorney's fees, costs or other legal expenses to enforce the provisions of this section of this AGREEMENT against the other PARTY, all such fees, costs and expenses shall be recoverable by the prevailing PARTY.

#### **Section 24**

##### **Agreement Modifications**

Either PARTY may request changes to this AGREEMENT. Any changes to the terms of this AGREEMENT must be mutually agreed upon and incorporated by written amendment to this AGREEMENT. Such amendments shall not be binding or valid unless signed by the persons authorized to bind each of the PARTIES.

#### **Section 25**

##### **WSDOT Advice**

The CONTRACTOR bears complete responsibility for the administration and success of the Project as it is defined by this AGREEMENT and any amendments thereto. If the CONTRACTOR solicits advice from WSDOT on problems that may arise, the offering of WSDOT advice shall not shift the responsibility of the CONTRACTOR for the correct administration and success of the Project, and WSDOT shall not be held liable for offering advice to the CONTRACTOR.

#### **Section 26**

##### **Venue and Process**

In the event that either PARTY deems it necessary to institute legal action or proceedings to enforce any right or obligation under this AGREEMENT, the PARTIES hereto agree that any such action shall be initiated in the Superior Court of the State of Washington situated in Thurston County. The PARTIES agree that the laws of the State of Washington shall apply.

#### **Section 27**

##### **Subrogation**

A. **Prior to Subrogation.** WSDOT may require the CONTRACTOR to take such action as may be necessary or appropriate to preserve the CONTRACTOR's right to recover damages from any person or organization alleged to be legally responsible for injury to any equipment, property, or transportation program in which WSDOT has a financial interest.

B. **Subrogation.** WSDOT may require the CONTRACTOR to assign to WSDOT all right of recovery against any person or organization for loss, to the extent of WSDOT's loss. Upon assignment, the CONTRACTOR shall execute, deliver, and do whatever else necessary to secure WSDOT's rights. The CONTRACTOR shall do nothing after any loss to prejudice the rights of WSDOT.

C. **Duties of the CONTRACTOR.** If WSDOT has exercised its right of subrogation, the CONTRACTOR shall cooperate with WSDOT and, upon WSDOT's request, assist in the prosecution of suits and enforce any right against any person or organization who may be liable to WSDOT. The CONTRACTOR shall attend hearings and trials as requested by WSDOT, assist in securing and giving evidence as requested by WSDOT, and obtain the attendance of witnesses as requested by WSDOT.

#### **Section 28**

##### **Counterparts**

This AGREEMENT may be simultaneously executed in several counterparts, each of which shall be deemed to be an original having identical legal effect. The CONTRACTOR does hereby ratify and adopt all statements, representations, warranties, covenants, and agreements and their supporting materials contained and/or mentioned herein, and does hereby accept WSDOT's grant and agrees to all of the terms and conditions thereof.

#### **Section 29**

##### **Complete Agreement**

This document contains all covenants, stipulations, and provisions agreed upon by WSDOT. No agent or representative of WSDOT has authority to make, and WSDOT shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein or made by written amendment hereto.

#### **Section 30**

##### **Severability**

If any covenant or provision of this AGREEMENT shall be adjudged void, such adjudication shall not affect the validity or obligation of performance of any other covenant or provision, or any part thereof, which in itself is valid if such remainder conforms to the terms and requirements of applicable law and the intent of this AGREEMENT. No controversy concerning any covenant or provision shall delay the performance of any other covenant or provision except as herein allowed.

**Section 31  
Execution**

This AGREEMENT is executed by the Director, Public Transportation Division, State of Washington, Department of Transportation or the Director's designee, not as an individual incurring personal obligation and liability, but solely by, for and on behalf of the State of Washington, Department of Transportation, in the capacity as Director, Public Transportation Division, or as a designee.

**Section 32  
Binding Agreement**

The undersigned acknowledge that they are authorized to execute this AGREEMENT and bind their respective agency(ies) and or entity(ies) to the obligations set forth herein.

IN WITNESS WHEREOF, the PARTIES hereto have executed this AGREEMENT the day and year signed last below.
