Instructions for Lower Tier Certification

1. By signing and submitting this proposal, the AGENCY (hereinafter in this section referred to as "prospective lower tier participant") is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definition and Coverage sections of 49 CFR Part 29. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

(See below)

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under
48 CFR Part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

The AGENCY shall upon request make available to the WTSC and the U.S. Secretary of the Department of Health & Human Services all internal policies and procedures, books, and records relating to the safeguarding, use, and disclosure of Personal Information obtained or used as a result of this contract.

RIGHTS IN DATA
Unless otherwise provided, data that originates from this Agreement shall be “works for hire” as defined by the U.S. Copyright Act and shall be owned by the WTSC and the State Of Washington. SEVERABILITY
If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this agreement, and to this end the provisions of this Agreement are declared to be severable.

None of the funds under this program will be used for any activity specifically designed to urge or influence a State or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State
practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

TAXES
All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the AGENCY or its staff shall be the sole responsibility of the AGENCY.

TERMINATION
Either party may terminate this Agreement upon thirty (30) days prior written notification to the other party. If this Agreement is so terminated, the parties shall be liable only for performance rendered or costs incurred in accordance with the terms of this Agreement prior to the effective date of termination.

TERMINATION FOR CAUSE
If, for any cause, either party does not fulfill in a timely and proper manner its obligations under this Agreement, or if either party violates any of these terms and conditions, the aggrieved party will give the other party written notice of such failure or violation. The responsible party will be given the opportunity to correct the violation or failure within fifteen (15) working days. If failure of violation is not corrected, this Interagency Agreement may be terminated immediately by written notice of the aggrieved party to the other.

TERMINATION FOR CONVENIENCE
Except as otherwise provided in this contract, the WTSC may, by 10 days written notice, beginning on the second day after the mailing, terminate this contract in whole or in part. If this contract is so terminated, the WTSC shall be liable only for payment required under the terms of this contract for services rendered or goods delivered prior to the effective date of termination.

TREATMENT OF ASSETS
1. Title to all property furnished by the WTSC shall remain property of the WTSC. Title to all property furnished by the AGENCY, for the cost of which the AGENCY is entitled to be reimbursed as a direct item of cost under this contract, shall pass to and vest in the WTSC upon delivery of such property by the AGENCY. Title to other property, the cost of which is reimbursable to the AGENCY under this contract, shall pass to and vest in the WTSC upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by the WTSC in whole or in part, whichever first occurs.
2. Any property of the WTSC furnished to the AGENCY shall, unless otherwise provided herein or approved by the WTSC, be used only for the performance of this contract.
3. The AGENCY shall be responsible for any loss or damage to property of the WTSC which results from the negligence of the AGENCY or which results from the failure on the part of the AGENCY to maintain and administer that property in accordance with sound management practices.
4. If any WTSC property is lost, destroyed or damaged, the AGENCY shall immediately notify the WTSC and shall take all reasonable steps to protect the property from further damage.
5. The AGENCY shall surrender to the WTSC all property of the AGENCY prior to settlement upon completion, termination or cancellation of this contract.
6. All reference to the AGENCY under this clause shall also include AGENCY’s employees, agents or SubAGENCYs.

WAIVER
A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement unless stated to be such in a writing signed by an authorized representative of the party and attached to the original Agreement.

Whenever possible these patrols shall occur in areas with the lowest seat belt use. Ideally, these patrols will not begin before 4:00 pm.
Law enforcement officers will complete the Emphasis Patrol Activity Logs and forward to their Target Zero Manager within 48 hours of the completion of the seat belt patrols.

Funds permitting, the local Task Force may coordinate local HVE seatbelt patrols during the contract period. Dates may not coincide with any national/statewide or other local flex patrols. Dates of local patrols will be reported in advance to the WTSC on a quarterly basis by the county Target Zero Manager. Only work done on Task Force/TZM pre-approved dates will be considered for reimbursement.

**Distracted Driving**

Agency may engage in multijurisdictional HVE distracted driving focused patrols, as part of the national effort, for all or part the following dates:

**U Drive. U Text. U Pay.** – April 1 – 14, 2016

These patrols shall be deployed at locations where the data indicates that the most traffic safety benefit can be realized as determined by the local Traffic Safety Task Force. Wherever possible these patrols shall occur in areas with the highest number of distracted driving violations.

Law enforcement officers will complete the Emphasis Patrol Activity Logs and forward to their Target Zero Manager within 48 hours of the completion of the distracted driving patrols.

Funds permitting, the local Task Force may coordinate local HVE distracted driving patrols during the contract period. Dates may not coincide with any national/statewide or other local flex patrols. Dates of local patrols will be reported in advance to the WTSC on a quarterly basis by the county Target Zero Manager. Only work done on Task Force/TZM pre-approved dates will be considered for reimbursement.

**Motorcycle Safety Patrols** – July 29, 2016 – August 14, 2016

These motorcycle safety patrols shall be deployed at locations where the data indicates that the most traffic safety benefit can be realized as determined by the local Traffic Safety Task Force.

Patrols should focus on the illegal and unsafe driving actions of motorcycles. Patrons should also focus on the illegal and unsafe driving actions of all other motor vehicles when relating to motorcycles. This includes failure to yield to a motorcycle, following too closely to a motorcycle, etc.

Whenever possible, AGENCY should include motorcycle officers in these patrols.
Local Speeding Patrols

Funds permitting, the local Task Force may coordinate local HVE patrols focused on speeding drivers during the contract period. Dates may not coincide with any national/statewide or other local flex patrols. Dates of local patrols will be reported in advance to the WTSC on a quarterly basis by the county Target Zero Manager. Only work done on Task Force/TZM pre-approved dates will be considered for reimbursement.

Multijurisdictional High-Visibility Enforcement Protocols

Purpose

This protocol is intended to guide Target Zero Managers, Law Enforcement Liaisons, and law enforcement agencies in coordinating multijurisdictional high visibility enforcement (HVE) mobilizations to address impaired driving, distracted driving, speeding, and seat belt use. These mobilizations are funded by federal highway safety grants.

Goal

The goal of multijurisdictional high-visibility campaigns is to reduce fatal and serious injury collisions through the coordination of:

- Publicity addressing increased enforcement, and
- Increased contacts and arrests of violators.

Method

Funding from the Washington Traffic Safety Commission (WTSC) will support multijurisdictional HVE patrol activities to increase the number of officers working on impaired driving, distracted driving, speeding, and occupant protection enforcement. Public education and media will be coordinated by the Target Zero Manager and Law Enforcement Liaison. The law enforcement activity will support the media effort by demonstrating to the public that the media messages are true; i.e., that "extra enforcement patrols (with a particular focus) are going on now" so that the public takes the media messages seriously.

The media work will support the police effort by encouraging voluntary compliance with the law. The objective of multijurisdictional HVE patrol activities is to change driver behavior by raising the awareness of increased enforcement.

Definitions:

- HVE is enforcement of the law in conjunction with publicity that draws the attention of the public to the enforcement activity.
- Multijurisdictional enforcement is defined as a minimum of three law enforcement agencies (LEA's) or patrol units participating at a designated date and time, enforcing a specific activity, in a location determined by the local Target Zero Task Force.
Responsibilities

WTSC:

- Provide funding.
- Provide state/local traffic fatality and serious injury data.
- Coordinate paid media at the state level for statewide and local mobilizations (when possible).
- Lead news media efforts for:
  - Holiday DUI
  - Click It or Ticket
  - U Drive. U Text. U Pay.
  - Motorcycle Safety
  - Drive Sober or Get Pulled Over
- Summarize statewide enforcement activity.
- Report results to the National Highway Traffic Safety Administration.

Target Zero Manager and Law Enforcement Liaison:

- Lead the development of Multijurisdictional High Visibility Enforcement Mobilization Plans.
- Submit local patrol plans for local DUI, seat belt, speeding, and distracted mobilizations to the WTSC on quarterly basis:

<table>
<thead>
<tr>
<th>Plans Due</th>
<th>For local patrols planned from:</th>
</tr>
</thead>
<tbody>
<tr>

<td>October 1 – December 31, 2015</td>

<tr>

<td>January – March, 2016</td>
</tr>
<tr>
<td>April 30, 2016</td>
<td>July – September, 2016</td>
</tr>
</tbody>
</table>

*One yearly plan for local mobilizations may be submitted in lieu of four quarterly plans.

- Coordinate mobilization briefings.
- Lead news media and community outreach efforts for local mobilizations.
- Review and approve all MOUs, invoices, and other documentation before submission to WTSC. This includes follow-up on incomplete invoicing paperwork and Emphasis Patrol Activity Logs with unexplained low contacts.
- Submit statewide mobilization enforcement total sheet (by county) to WTSC within 72 hours of mobilization end date (hvetotals@wtsc.wa.gov)
- Submit local mobilization enforcement total sheet (by agency and task force) to WTSC within two weeks of patrol end date (hvetotals@wtsc.wa.gov)
Law Enforcement Agencies:

- Send a representative to local task force meetings to plan mobilization locations and exact dates.

- Ensure availability of agency media contact, noted on page 3 of this agreement, prior to and during all mobilization dates.

- Provide commissioned police officer(s) (active or paid reserve) with appropriate equipment (vehicle, radar, etc.) to participate in multijurisdictional HVE patrols.

- Ensure that officers assigned to the multijurisdictional HVE campaigns are qualified to enforce the impaired driving laws as outlined on page 2, section 3 of this agreement.

- Require all officers participating in multijurisdictional HVE patrols to attend mobilization briefings.

- Ensure officers working the overtime conduct a minimum of three (3) self-initiated contacts per hour.

This is an enforcement activity that is intended to apprehend violators. It is expected that a Notice of Infraction/Citation (NOI/C) will be issued at contact unless circumstances dictate otherwise. It is understood that violator contacts may result in related, time-consuming activity. Such activity will be considered for reimbursement.

*Activity other than that initiated through HVE patrol contact (investigating collisions, emergency responses, etc.) will be the responsibility of the contracting agency and will not be reimbursed.*

- Require officers to complete and submit multijurisdictional HVE patrol productivity on WTSC Emphasis Patrol Activity Log.
