Northwest Neighborhood Remembers Lee Bjella, Webmaster

By Shelley Weyer

Lee was the Northwest Neighborhood Webmaster for the past 5+ years and passed away on March 20th. Lee and Scott, her husband, raised their 4 children here and have lived in our neighborhood for many years.

Besides being a great neighbor and friend, Lee was passionate about historical buildings and their preservation. Lee mentioned to me once that when Scott purchased the McCabes Building at 3120 Hewitt Ave, for the new home of Allied Con-

struction, she let him know that he had better restore that building! He did, and it is beautiful.

I truly appreciated Lee’s time and commitment to our neighborhood website. She was diligent about keeping the information updated and making it easy for neighbors to find information they might need.

Lee was a very private lady and did wonderful volunteer work for us. Lee was a great example of one who “volunteered in the background”.

Many thanks to the Bjella family for sharing Lee with us. We truly miss her.

2012 Northwest Neighborhood Clean up

June 4th—Neighborhood Clean-up

On Saturday, June 4th we will be hosting a Northwest Neighborhood Clean-up in conjunction with Everett Community College, 10am—2pm.

EvCC and Molly Beeman have worked with the Northwest Neighborhood the past number of years to produce one heck of a great event for our neighborhood.

It is spring and it is time to get those yards cleaned up!

As always, we are asking

for a \$10 donation but it is not a requirement.

Interested in volunteering? Volunteers will be able to come early and be the first in to dispose of what they would like to get rid of: yard debris, wood, metal, etc.

Email the neighborhood nwneverett@gmail.com or call Shelley at 425.327.3187

Shifts run 10—12 or 12—2. We will have water, donuts, and lunch for volunteers.

Come meet some neighbors and dump early!

We will have Arlington Recycle Warehouse to recycle mattresses. You may have seen the article in the Herald “Arlington recycler makes use of the entire discarded mattress”. \$15 to get rid of those pesky things! Please bring the metal bed frames too! We will recycle them as well.

Please see last page for additional clean-up info.

4 Reasons to Participate in the Mother of All Garage Sales

“Over 100 neighbors, all having garage sales, getting to know each other, finding all sorts of treasures, making some money on things we want to get rid of”

So, you’ve been thinking about having a garage sale this summer. Maybe the amount of underutilized items in your house has gotten to you; or a Craigslist post doesn’t sound like fun to manage; or maybe you’ve been setting aside once-enjoyed treasures for such an occasion.

Whatever drives your desire to clean, here are four reasons why it’s a great idea to register for the 7th annual Mother of All Garage Sales that will be held on August 6.

1. People come by the hundreds. After seven years, locals (and some Canadians, rumor has it) come to expect this event. It’s part of the Everett culture. And folks

are more ready than ever to dive back in to this must-do bargain-hunting event after last year’s construction hiatus.

2. We handle the advertising. From print ads to social media to posters hung around town, we do the work for you.

3. It supports a good cause. Your \$20 registration fee benefits the Northwest Neighborhood Association, which ultimately works to make your community vibrant and connected. With that fee you get a yard sign to promote your site a few days in advance, and your sale is included on the online and onsite map.

4. People shop longer. With a few food vendors set up at Drew Nielsen Neighborhood Park (13th and Colby), now shoppers can take a break and get fueled up with delicious food like authentic tamales and kid-friendly hot dogs before getting back to work hunting for treasures. And heck, you could use a bite, too, so take turns staffing your sale and pick up a tasty treat to fuel the second half of your successful sale.

Ready to register? Email for additional info: nwneverett@gmail.com. Online registration is coming. Website is being updated and ready by June 1st!
