Get inspired to beautify your community!

Join your neighbors, get inspired and find out who the Delta Pride of the Neighborhood is at the **22nd Annual Monte Cristo Awards!**

Created in 1994 by a committee of residents working with the Office of Neighborhoods, the Monte Cristo Awards recognize neighbors who help make Everett special by taking pride in their property. The awards inspire other neighbors to improve their homes and landscapes. Business owners are recognized for the visual street appeal of their business locations. The Council of Neighborhoods chooses award winners from properties that have been nominated by the community.

September is National Preparedness Month!

Sponsored by FEMA, National Preparedness Month aims to educate and empower Americans to prepare for and respond to all types of emergencies. This year’s theme is “Don’t Wait, Communicate. Make Your Emergency Plan Today!” Staying connected with your community and communicating is one very important step in preparing for disasters. Visit www.Ready.gov for resources, information, checklists and more to help you prepare!

**DON'T WAIT. COMMUNICATE.
MAKE YOUR EMERGENCY PLAN TODAY.**

SEPTEMBER IS NATIONAL PREPAREDNESS MONTH!

Here are a few easy steps to start your emergency communication plan:

1. **Understand how to receive emergency alerts and warnings.** Learn more at www.ready.gov/alerts.
2. **Discuss family/household plans for disasters that may affect your area and plan where to go.** Plan for different types of disasters like an earthquake, flood or wildfire.
3. **Collect information.** Create a paper copy of the contact information for your family & neighborhood that includes: Phone numbers and email addresses for family members, friends, neighbors & service providers.
4. **Identify information and pick an emergency meeting place.** Things to consider: **In your neighborhood, outside of your neighborhood and outside of your town or city.**
5. **Share information.** Make sure everyone in your family carries a copy in his or her backpack, purse, or wallet. You should also post a copy in a central location in your home, such as your refrigerator.
6. **Practice your plan.** Have a meeting to review your emergency plans and meeting place after a disaster, and then practice, just like a fire drill!
