

LCA Neighborhood October Meeting!

Monday, October 17th from 7 to 9 pm
Everett Gospel Mission Women's Shelter, 2222 52nd Street

Next Steps on Map Your Neighborhood

You are all invited to a **SPECIAL MEETING** of the Lowell Civic Association.

We will take next steps on neighborhood preparedness and schedule meetings to start the 9 step skills and asset mapping phase of the project. As we learn each other's skills and abilities, we can be better prepared to help each other recover from a disaster.

We have invited Everett Police patrol officers to give us updates about suspicious activities in Lowell. For safer evenings, keep porch lights on all night.

At this gathering, let's get better acquainted and maybe even have a good time.
