ARTICLE II -- ADMINISTRATIVE AND/OR FINANCIAL REQUIREMENTS
The Subgrantee shall comply with all applicable state and federal laws, regulations and program guidance. A non-exclusive list of laws, regulations and guidance commonly applicable to DHS/FEMA grants are listed here for reference only, and include, but are not limited to, the following:

3. Grant funds will not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources. The Subgrantee, upon written request by the County, the Department, DHS or FEMA, shall demonstrate through supporting records and documentation that a reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of Federal funds.

4. Duplication of Benefits: There may not be a duplication of any Federal assistance by governmental entities per 2 CFR Part 225, Appendix A, Basic Guidelines, Section C.3 (c), which states: "Any cost allocable to a particular Federal award or cost objective under the principles provided for in 2 CFR Part 225 may not be charged to other Federal awards to overcome fund deficiencies, to avoid restrictions imposed by law or terms of the Federal awards, or for other reasons." However, this prohibition would not preclude governmental units from shifting costs that are allowable under two or more awards in accordance with existing program agreements. Non-governmental entities are also subject to this prohibition per 2 CFR Parts 220 and 230 and 48 CFR Part 31.2.
5. The Subgrantee shall comply with all applicable federal laws, regulations and guidance referenced in the "Fiscal Year 2011 Homeland Security Grant Program Guidance and Application Kit, Section I – Application and Review Information, May 2011" and "Fiscal Year 2011 GPD Preparedness Grant Programs Guidance and Application Kit Section II – Award Administration Information" which can be found at http://www.fema.gov/government/grant/hsgp/index.shtm and are hereby incorporated in and made a part of this Agreement.

6. The Subgrantee shall comply with the Federal Funding Accountability and Transparency Act (FFATA) and related OMB Guidance consistent with Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note) and Attachment #1 attached to and made a part of this Agreement.

ARTICLE III – REIMBURSEMENT/INVOICING PROCEDURES

1. The Subgrantee acknowledges that since this Grant Agreement involves federal funding, the period of performance described herein will likely begin prior to the availability of appropriated federal funds. The Subgrantee agrees that it will not hold the County, the Department, the State of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Grant Agreement prior to distribution of appropriated federal funds.

2. This is a fixed price, reimbursement Grant Agreement. Within the total Grant Agreement amount, travel, subcontracts, salaries and wages, benefits, printing, equipment, and other goods and services or other budget categories will be reimbursed on an actual cost basis unless otherwise provided in this Grant Agreement. Any travel or subsistence reimbursement allowed under the Grant Agreement shall be paid in accordance with rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended, but shall not exceed federal maximum rates set forth at http://www.gsa.gov without prior written approval by County or Department key personnel.

3. The Subgrantee will submit reimbursement requests to the County by submitting a State Form A-19 Invoice form and a completed reimbursement spreadsheet (in the format provided by the County) detailing the expenditures and projects for which reimbursement is sought. Reimbursement requests shall be submitted to the County’s key personnel and must be submitted no more frequently than monthly; and it is required that invoices be submitted at least quarterly.

4. Copies of receipts and/or backup documentation for any approved budget line items including travel related expenses that are authorized under this Grant Agreement must be included with the Subgrantee’s reimbursement requests. Originals are to be maintained by the Subgrantee and be made available upon request by the County, the Department, and local, state, or federal auditors.

5. All work under this Grant Agreement must end on or before the Grant Agreement End Date, and the final reimbursement request must be submitted to the County within 20 days after the Grant Agreement End Date. The maximum amount of all reimbursement requests permitted to be submitted under this Grant Agreement, including the final reimbursement request, is limited to and shall not exceed the total Grant Agreement Amount.

6. No equipment or supply costs will be reimbursed until the related equipment/supplies have been received by the Subgrantee and invoiced by the vendor.

7. Requests for reimbursement of equipment purchases must include a copy of the vendor’s invoice and packing slip or a statement signed and dated by the Subgrantee’s authorized representative that states “all items invoiced have been received in good working order, are operational, and have been inventoried according to contract and local procurement requirements”.

8. Failure to timely submit complete reports and reimbursement requests as required by this Grant Agreement (including but not limited to those reports in the Milestone Timeline and
the Work Plan) will prohibit the Subgrantee from being reimbursed until such complete
reports and reimbursement requests are submitted and the County has had reasonable
time to conduct its review.

9. Final reimbursement requests will not be approved for payment if Subgrantee is not current
with all reporting requirements contained in this Grant Agreement.

ARTICLE IV – REPORTING REQUIREMENTS
1. The Subgrantee shall submit bi-annual progress reports as indicated in the Milestone
Timeline.

2. The Subgrantee shall submit a final report describing completed activities under this Grant
Agreement within 20 days of Grant Agreement End Date.

and all operational and maintenance expenses and for the safe operation of their
equipment including all questions of liability. The Subgrantee shall develop appropriate
maintenance schedules and procedures to ensure the equipment is well maintained and
kept in good operating condition.

3. The Subgrantee shall maintain equipment records that include: a description of the
property; the manufacturer’s serial number, model number, or other identification number;
the source of the equipment, including the Catalogue of Federal Domestic Assistance
(CFDA) number; who holds title; the acquisition date; the cost of the equipment and the
percentage of Federal participation in the cost; the location, use and condition of the
equipment at the date the information was reported; and disposition data including the date
of disposal and sale price of the property.

4. Records for equipment shall be retained by the Subgrantee for a period of six years from
the date of the disposition, replacement or transfer. If any litigation, claim, or audit is
started before the expiration of the six year period, the records shall be retained by the
Subgrantee until all litigation, claims, or audit findings involving the records have been
resolved.

5. The Subgrantee shall take a physical inventory of the equipment and reconcile the results
with the property records at least once every two years. Any differences between
quantities determined by the physical inspection and those shown in the records shall be
investigated by the Subgrantee to determine the cause of the difference. The Subgrantee
shall, in connection with the inventory, verify the existence, current utilization, and
continued need for the equipment.

program or for other activities currently or previously supported by a Federal agency,
disposition of the equipment will be made as follows:
   a. Items of equipment with a current per-unit fair market value of less than $5,000 may be
      retained, sold or otherwise disposed of by the Subgrantee with no further obligation to
      the awarding agency.
b. Items of equipment with a current per-unit fair market value of $5,000 or more may be retained or sold and the Subgrantee shall compensate the Federal-sponsoring agency for its share.

The County retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

The Subgrantee shall include the above audit requirements in any sub-contracts.

Conducting a single or program-specific audit in compliance with Circular A-133 is a material requirement of this Grant Agreement. In the absence of a valid claim of exemption from the audit requirements of Circular A-133, the Subgrantee’s failure to comply with said audit requirements may result in one or more of the following actions in the County’s sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with Circular A-133; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

recipients or any of their principals are not debarred, suspended, proposed for
debarment, declared ineligible, or voluntarily excluded from participation in "covered
transactions" by any federal department or agency. "Covered transactions" include
procurement contracts for goods or services awarded under a non-procurement
transaction (e.g. grant or cooperative agreement) that are expected to equal or exceed
$25,000, and subawards to sub-recipients for any amount. With respect to covered
transactions, the Subgrantee may comply with this provision by obtaining a certification
statement from the potential sub-contractor or sub-recipient or by checking the Excluded
Parties List System (EPLS) maintained by the federal General Services Administration
(GSA). The Subgrantee also agrees not to enter into any arrangements or contracts
with any party on the Washington State Department of Labor and Industries' "Debarred
Contractor List."

indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed
in connection with the project assisted under this Grant Agreement. The Subgrantee
shall incorporate, or cause to incorporate, in all such contracts or subcontracts, a
provision prohibiting such interest pursuant to this provision.

A.9 COMPLIANCE WITH APPLICABLE STATUTES, RULES AND POLICIES
The Subgrantee and all its contractors shall comply with, and the County is not
responsible for determining compliance with, any and all applicable federal, state, and

The Subgrantee is responsible for all costs or liability arising from its failure to comply with applicable law, regulation, executive order, OMB Circular or policy.

It is understood and agreed that this Grant Agreement is solely for the benefit of the parties to the Grant Agreement and gives no right to any other party. No joint venture or partnership is formed as a result of this Grant Agreement.

To the extent allowed by law, the Subgrantee, its successors or assigns, will protect, save and hold harmless the County, the Department, the State of Washington, and the United States Government and their authorized agents and employees, from all claims, actions, costs, damages or expenses of any nature whatsoever by reason of the acts or omissions of the Subgrantee, its sub-contractors, assigns, agents, contractors, consultants, licensees, invitees, employees or any person whomsoever arising out of or in connection with any acts or activities authorized by this Grant Agreement.

To the extent allowed by law, the Subgrantee further agrees to defend the County, the Department and the State of Washington and their authorized agents and employees in any litigation; including payment of any costs or attorneys’ fees for any claims or action commenced thereon arising out of or in connection with acts or activities authorized by this Grant Agreement.

This obligation shall not include such claims, costs, damages or expenses which may be caused by the sole negligence of the County or the Department; provided, that if the claims or damages are caused by or result from the concurrent negligence of (1) the County or the Department, and (2) the Subgrantee, its agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Subgrantee, or Subgrantee’s agents or employees.
Insofar as the funding source, the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA), is an agency of the federal government, the following shall apply:

44 CFR 206.9 Non-liability. The federal government shall not be liable for any claim based upon the exercise or performance of, or the failure to exercise or perform a discretionary function or duty on the part of a federal agency or an employee of the federal government in carrying out the provisions of the Stafford Act.

A.13 LIMITATION OF AUTHORITY – Authorized Signature
The signatories to this Grant Agreement represent that they have the authority to bind their respective organizations to this Grant Agreement. Only the County’s Authorized Signature representative and the Authorized Signature representative of the Subgrantee or assigned Alternate for the Subgrantee, formally designated in writing, shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Grant Agreement. Any alteration, amendment, modification, or waiver of any clause or condition of this Grant Agreement is not effective or binding unless made in writing and signed by both parties Authorized Signature representatives. Further, only the Authorized Signature representative or Alternate for the Subgrantee shall have signature authority to sign reimbursement requests, time extension requests, amendment and modification requests, requests for changes to projects or work plans, and other requests, certifications and documents authorized by or required under this Grant Agreement.

A.14 LOSS OR REDUCTION OF FUNDING
In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Grant Agreement and prior to normal completion or end date, the County may unilaterally reduce the scope of work and budget or unilaterally terminate all or part of the Grant Agreement as a "Termination for Cause" without providing the Subgrantee an opportunity to cure. Alternatively, the parties may renegotiate the terms of this Grant Agreement under “Amendments and Modifications” to comply with new funding limitations and conditions, although the County has no obligation to do so.

A.15 NONASSIGNABILITY
Neither this Grant Agreement, nor any claim arising under this Grant Agreement, shall be transferred or assigned by the Subgrantee.

A.16 NONDISCRIMINATION
The Subgrantee shall comply with all applicable federal and state non-discrimination laws, regulations, and policies. No person shall, on the grounds of age, race, creed, color, sex, sexual orientation, religion, national origin, marital status, honorably discharged veteran or military status, or disability (physical, mental, or sensory) be denied the benefits of, or otherwise be subjected to discrimination under any project, program, or activity, funded, in whole or in part, under this Grant Agreement.

A.17 NOTICES
The Subgrantee shall comply with all public notices or notices to individuals required by applicable local, state and federal laws and shall maintain a record of this compliance.

A.18 OCCUPATIONAL SAFETY/HEALTH ACT and WASHINGTON INDUSTRIAL SAFETY/HEALTH ACT (OSHA/WISHA)
The Subgrantee represents and warrants that its work place does now or will meet all applicable federal and state safety and health regulations that are in effect during the Subgrantee’s performance under this Grant Agreement. To the extent allowed by law, the Subgrantee further agrees to indemnify and hold harmless the County, and its employees and agents from all liability, damages and costs of any nature, including but not limited to, costs of suits and attorneys’ fees assessed against the County, as a result of the failure of the Subgrantee to so comply.
A.19 OWNERSHIP OF PROJECT/CAPITAL FACILITIES
The County makes no claim to any capital facilities or real property improved or
constructed with funds under this Grant Agreement, and by this grant of funds does not
and will not acquire any ownership interest or title to such property of the Subgrantee.
The Subgrantee shall assume all liabilities arising from the ownership and operation of
the project and agrees to hold the County, the Department and the state of Washington
and the United States government harmless from any and all causes of action arising
from the ownership and operation of the project.

A.20 POLITICAL ACTIVITY
No portion of the funds provided herein shall be used for any partisan political activity or
to further the election or defeat of any candidate for public office or influence the
approval or defeat of any ballot issue.

A.21 PROHIBITION AGAINST PAYMENT OF BONUS OR COMMISSION
The assistance provided under this Grant Agreement shall not be used in payment of
any bonus or commission for the purpose of obtaining approval of the application for
such assistance or any other approval or concurrence under this Grant Agreement
provided, however, that reasonable fees or bona fide technical consultant, managerial,
or other such services, other than actual solicitation, are not hereby prohibited if
otherwise eligible as project costs.

A.22 PUBLICITY
The Subgrantee agrees to submit to the County prior to issuance all advertising and
publicity matters relating to this Grant Agreement wherein the County's name is
mentioned or language used from which the connection of the County's name may, in
the County's judgment, be inferred or implied. The Subgrantee agrees not to publish or
use such advertising and publicity matters without the prior written consent of the
County. The Subgrantee may copyright original work it develops in the course of or
under this Grant Agreement; however, pursuant to 44 CFR 13.34, FEMA reserves a
royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise
use, and to authorize others to use the work for government purposes.

Publication resulting from work performed under this Grant Agreement shall include an
acknowledgement of FEMA's financial support, by CFDA number, and a statement that
the publication does not constitute an endorsement by FEMA or reflect FEMA’s views.

A.23 RECAPTURE PROVISION
In the event the Subgrantee fails to expend funds under this Grant Agreement in
accordance with applicable federal, state, and local laws and/or the provisions of the
Grant Agreement, the County reserves the right to recapture funds in an amount
equivalent to the extent of noncompliance. Such right of recapture shall exist for the life
of the project following Grant Agreement termination. Repayment by the Subgrantee of
funds under this recapture provision shall occur within 30 days of demand.

In the event the County is required to institute legal proceedings to enforce the recapture
provision, the County shall be entitled to its costs thereof, including attorney fees.

A.24 RECORDS
a. The Subgrantee agrees to maintain all books, records, documents, receipts, invoices
and all other electronic or written records necessary to sufficiently and properly
reflect the Subgrantee's contracts, grant administration, and payments, including all
direct and indirect charges, and expenditures in the performance of this Grant
Agreement (the "records").
b. The Subgrantee's records related to this Grant Agreement and the projects funded
may be inspected and audited by the County, the Department or its designee, by the
Office of the State Auditor, DHS, FEMA or their designees, by the Comptroller
General of the United States or its designees, or by other state or federal officials
authorized by law, for the purposes of determining compliance by the Subgrantee
with the terms of this Grant Agreement and to determine the appropriate level of funding to be paid under the Grant Agreement.

c. The records shall be made available by the Subgrantee for such inspection and audit, together with suitable space for such purpose, at any and all times during the Subgrantee’s normal working day.

d. The Subgrantee shall retain and allow access to all records related to this Grant Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Grant Agreement.

A.25 RESPONSIBILITY FOR PROJECT/STATEMENT OF WORK/WORK PLAN

While the County and the Department undertake to assist the Subgrantee with the project/statement of work/work plan (project) by providing grant funds pursuant to this Grant Agreement, the project itself remains the sole responsibility of the Subgrantee. The County and the Department undertake no responsibility to the Subgrantee, or to any third party, other than as is expressly set out in this Grant Agreement.

The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the Subgrantee, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the Subgrantee shall ensure that all applicable Federal, State, and local permits and clearances are obtained, including but not limited to FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws and executive orders.

The Subgrantee shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the Subgrantee in connection with the project. The Subgrantee shall not look to the County, the Department, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including but not limited to cost of defense and/or attorneys’ fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.26 CERTIFICATION REGARDING RESTRICTIONS ON LOBBYING

As required by 44 CFR Part 18, the Subgrantee hereby certifies that to the best of its knowledge and belief: (1) no federally appropriated funds have been paid or will be paid by or on behalf of the Subgrantee to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement; (2) that if any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Grant Agreement, grant, loan, or cooperative agreement, the Subgrantee will complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions; (3) and that, as applicable, the Subgrantee will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into, and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code.
A.27 **SEVERABILITY**
If any court of rightful jurisdiction holds any provision or condition under this Grant Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Grant Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Grant Agreement are declared severable.

A.28 **SUB-CONTRACTING**
The Subgrantee shall use a competitive procurement process in the award of any contracts with contractors or sub-contractors that are entered into under the original contract award. The procurement process followed shall be in accordance with 44 CFR Part 13, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments, or with OMB Circular A-110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations, as applicable to the Subgrantee.

All sub-contracting agreements entered into pursuant to this Grant Agreement shall incorporate this Grant Agreement by reference.

A.29 **SUBGRANTEE NOT EMPLOYEE**
The parties intend that an independent contractor relationship will be created by this Grant Agreement. The Subgrantee, and/or employees or agents performing under this Grant Agreement are not employees or agents of the County in any manner whatsoever. The Subgrantee will not be presented as nor claim to be an officer or employee of the County or of the State of Washington by reason of this Grant Agreement, nor will the Subgrantee make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the County or of the State of Washington by reason of this Grant Agreement, including, but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

A.30 **TAXES, FEES AND LICENSES**
Unless otherwise provided in this Grant Agreement, the Subgrantee shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the Subgrantee or its staff required by statute or regulation that are applicable to Grant Agreement performance.

A.31 **TERMINATION FOR CONVENIENCE**
Notwithstanding any provisions of this Grant Agreement, the Subgrantee may terminate this Grant Agreement by providing written notice of such termination to the County's Key Personnel identified in the Grant Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Grant Agreement, the County, in its sole discretion, may terminate this Grant Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the Subgrantee. Upon notice of termination for convenience, the County reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the Subgrantee from incurring additional obligations of funds. In the event of termination, the Subgrantee shall be liable for all damages as authorized by law. The rights and remedies of the County provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 **TERMINATION OR SUSPENSION FOR CAUSE**
In the event the County, in its sole discretion, determines the Subgrantee has failed to fulfill in a timely and proper manner its obligations under this Grant Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the Subgrantee unable to perform any aspect of the
Grant Agreement, or has violated any of the covenants, agreements or stipulations of this Grant Agreement, the County, has the right to immediately suspend or terminate this Grant Agreement in whole or in part.

The County may notify the Subgrantee in writing of the need to take corrective action and provide a period of time in which to cure. The County is not required to allow the Subgrantee an opportunity to cure if it is not feasible as determined solely within the County's discretion. Any time allowed for cure shall not diminish or eliminate the Subgrantee liability for damages or otherwise affect any other remedies available to the County. If the County allows the Subgrantee an opportunity to cure, the County shall notify the Subgrantee in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the County, or if such corrective action is deemed by the County to be insufficient, the Grant Agreement may be terminated in whole or in part.

The County reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the Subgrantee from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the Subgrantee, if allowed, or pending a decision by the County to terminate the Grant Agreement in whole or in part.

In the event of termination, the Subgrantee shall be liable for all damages as authorized by law, including but not limited to, any cost difference between the original Grant Agreement and the replacement or cover Grant Agreement and all administrative costs directly related to the replacement Grant Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the County provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the Subgrantee: (1) was not in default or material breach, or (2) failure to perform was outside of the Subgrantee's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience".

**A.33 TERMINATION PROCEDURES**

In addition to the procedures set forth below, if the County terminates this Grant Agreement, the Subgrantee shall follow any procedures specified in the termination notice. Upon termination of this Grant Agreement and in addition to any other rights provided in this Grant Agreement, the County may require the Subgrantee to deliver to the County any property specifically produced or acquired for the performance of such part of this Grant Agreement as has been terminated.

If the termination is for convenience, the County shall pay to the Subgrantee agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the County prior to the effective date of Grant Agreement termination, and the amount agreed upon by the Subgrantee and the County for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the County, (iii) other work, services and/or equipment or supplies which are accepted by the County, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Grant Agreement. If the termination is for cause, the County shall determine the extent of the liability of the County. The County shall have no other obligation to the Subgrantee for termination. The County may withhold from any amounts due the Subgrantee such sum as the County determines to be necessary to protect the County against potential loss or liability.

The rights and remedies of the County provided in this Grant Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.
After receipt of a notice of termination, and except as otherwise directed by the County in writing, the Subgrantee shall:

a. Stop work under the Grant Agreement on the date, and to the extent specified, in the notice;

b. Place no further orders or sub-contracts for materials, services, supplies, equipment and/or facilities in relation to this Grant Agreement except as may be necessary for completion of such portion of the work under the Grant Agreement as is not terminated;

c. Assign to the County, in the manner, at the times, and to the extent directed by the County, all of the rights, title, and interest of the Subgrantee under the orders and sub-contracts so terminated, in which case the County has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and sub-contracts;

d. Settle all outstanding liabilities and all claims arising out of such termination of orders and sub-contracts, with the approval or ratification of the County to the extent the County may require, which approval or ratification shall be final for all the purposes of this clause;

e. Transfer title to the County and deliver in the manner, at the times, and to the extent directed by the County any property which, if the Grant Agreement had been completed, would have been required to be furnished to the County;

f. Complete performance of such part of the work as shall not have been terminated by the County in compliance with all contractual requirements; and

g. Take such action as may be necessary, or as the County may require, for the protection and preservation of the property related to this Grant Agreement which is in the possession of the Subgrantee and in which the County has or may acquire an interest.

A.34 TRAVEL AND SUBSISTENCE REIMBURSEMENT

Unless the Grant Agreement specifically provides for different rates, any travel or subsistence reimbursement allowed under the Agreement shall be paid in accordance with rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended. The Subgrantee may be required to provide to the County copies of receipts for any travel related expenses other than meals and mileage (example: parking) that are authorized under this Agreement.

A.35 UTILIZATION OF MINORITY AND WOMEN BUSINESS ENTERPRISES (MWBE)

The Subgrantee is encouraged to utilize business firms that are certified as minority-owned and/or women-owned in carrying out the purposes of this Grant Agreement. The Subgrantee may set utilization standards, based upon local conditions or may utilize the state of Washington MWBE goals, as identified in WAC 326-30-041.

A.36 WAIVERS

No conditions or provisions of this Grant Agreement can be waived unless approved in advance by the County in writing. The County's failure to insist upon strict performance of any provision of the Grant Agreement or to exercise any right based upon a breach thereof, or the acceptance of any performance during such breach, shall not constitute a waiver of any right under this Grant Agreement.

A.37 VENUE

This Grant Agreement shall be construed and enforced in accordance with, and the validity and performance shall be governed by the laws of the state of Washington. Venue of any suit between the parties arising out of this Grant Agreement shall be the Superior Court of Snohomish County, Washington. ADDITIONAL AGREEMENT PROVISIONS
for Compliance With the
Federal Funding Accountability and Transparency Act of 2006 (P.L. 109-282)

A. This contract (subaward) is supported by federal funds, requiring compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act) and Office of Management and Budget Guidance (OMB). Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note). By entering into this contract, contractor agrees to provide all applicable reporting information to the Washington Military Department (WMD) required by FFATA and OMB Guidance.

B. The FFATA requires the OMB to establish a publicly available online database (USASpending.gov) containing information about entities that are awarded Federal grants, loans, and contracts. As required by FFATA and OMB Guidance, certain information on the first-tier subawards related to Federal contracts and grants, and the executive compensation of awardees, must be made publicly available.

C. For new Federal grants beginning October 1, 2010, if the initial subaward is equal to or greater than $25,000, reporting of the subaward and executive compensation information is required. If the initial subaward is below $25,000 but subsequent grant modifications result in a total subaward equal to or over $25,000, the subaward will be subject to the reporting requirements as of the date the subaward exceeds $25,000. If the initial subaward equals or exceeds $25,000 but funding is subsequently de-obligated such that the total award amount falls below $25,000, the subaward continues to be subject to the reporting requirements of the Transparency Act and OMB Guidance.

D. As a Federal grant subawardee under this contract, your organization is required by FFATA, OMB Guidance and this contract to provide the WMD, as the prime grant awardee, all information required for FFATA compliant reporting by WMD. This includes all applicable subawardee entity information required by FFATA and OMB Guidance, subawardee DUNS number, and relevant executive compensation data, as applicable.

1. Data about your organization will be provided to USASpending.gov by the WMD or by the Federal Contractor Registry (CCR). CCR is a government wide registration system for organizations that do business with the Federal Government. CCR stores information about awardees including financial account information for payment purposes and a link to D&B for maintaining current DUNS information, www.ccr.gov. WMD encourages CCR registration and annual renewal by your organization to minimize unnecessary data entry and re-entry required by both WMD and your organization. It will also reduce the potential of inconsistent or inaccurate data entry.

2. Your organization must have a Data Universal Numbering System (DUNS) number obtained from the firm Dun and Bradstreet (D&B) (www.dnb.com). A DUNS number provides a method to verify data about your organization. D&B is responsible for maintaining unique identifiers and organizational linkages on behalf of the Federal Government for organizations receiving Federal assistance.

E. The WMD, as the prime awardee, is required by FFATA to report names and total compensation of the five (5) most highly compensated officers of your organization (as the subawardee) if:
1. Your organization (the subawardee), in the preceding fiscal year, received 80 percent or more of its annual gross revenues from Federal awards and $25,000,000 or more in annual gross revenues from Federal awards; and

2. The public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986.

"Total compensation" for purposes of this requirement generally means the cash and non-cash value earned by the executive during the past fiscal year and includes salary and bonus; awards of stock, stock options and stock appreciation rights; and other compensation such as severance and termination payments, and value of life insurance paid on behalf of the employee, and as otherwise provided by FFATA and applicable OMB guidance.

F. If (1) in the preceding fiscal year your organization received 80 percent or more of its annual gross revenues from Federal awards and $25,000,000 or more in annual gross revenues from Federal awards, and (2) the public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986, insert the names and total compensation for the five most highly compensated officers of your organization in the table below:
