🍁 What are you thankful for this Thanksgiving?

Thanksgiving is the time of year to think about some of the reasons you are thankful. This article from Chicago Now.com at <http://www.chicagonow.com/arkielad/2014/11/what-are-you-thankful-for-this-thanksgiving/> listed many of these reasons (edited and shortened):

- 🍁 Food, water, and shelter; the three basic needs for all
- 🍁 Transportation
- 🍁 Health and exercise
- 🍁 Laughter and love
- 🍁 Mistakes because they teach us more
- 🍁 Employment
- 🍁 Family

What are you thankful for? Don't allow the everyday grind get in the way of life and forget to be thankful for the most basic of things.

October Meeting Update:

Our guest speaker, Kevin King, a volunteer for Big Brother Big Sister, spoke to us about how it only takes 1 hour a week to enrich a young person's life through this fine organization. If this is something you would consider as enrichment to your life, contact www.bbbs-snoco.org Donations welcomed.

Newly elected officers are Carol Jensen - Vice Chair, Suzanne Powell – Secretary, and Erik Alder – Treasurer. An announcement was made to vote next month to change our by-laws regarding elections from November to October to accommodate training.

Bayside Business Partners:

The door prizes in October were graciously donated by Choux Choux Bakery, Woodland Park Zoo tickets, and a bowl of Halloween Candy (donated by BNA). Our door prize ticket sales were donated to Big Brother Big Sister in the amount of \$63.00.

Bayside Holiday Lights:

It was so much fun to see all the decorated homes for Halloween. We would love to see an equal number of homes decorated for the Holidays.

Communiqué from the Chair...

As we look back on 2016, there are so many things to be thankful for. Our meetings at the Library and events at Clark Park were well attended by the community. Our Association now has many volunteers which made our events successful and Clark Park continues to be safe for the neighborhood children. New beginnings include neighbors starting fresh Block Watch chapters, plus Officer Golden initiated a Park Watch. I love that our Bayside neighbors have come closer together as a family!

The New Year brings us a full set of officers, a new meeting place and many project coordinators. My hope is that there will be additional volunteers who will come forward to participate so we are successful in meeting the needs of our community.

Thank you,

Karen McAllister
