

# TROLLEY TIMES

Pinehurst/Beverly Park Neighborhood Association

November 2016

## Chair's Message:

Hi Everyone,

Our speaker this month is Kevin King from Big Brothers Big Sisters - they have a great program. Come learn about the process and benefits of becoming a Big Brothers Big Sisters Volunteer and learn more about the organization's success in helping youth make better choices. Becoming a mentor, and spending just a few hours a month with a child who has a void in their life, is an excellent way to strengthen community bonds. Also we have Dennis Dilday visiting us, who is going to talk about the graffiti in our neighborhood.

As a reminder there will be no meeting in December. Enjoy the holiday season!

**Thanksgiving** is the time of year to think about some of the reasons you are thankful. This article from Chicago Now.com listed many of these reasons (edited and shortened):

- Food, water, and shelter; the three basic needs
- Transportation
- Health and exercise
- Laughter and love
- Mistakes because they teach us more
- Family

What are you thankful for? Don't allow the everyday grind get in the way of life and forget to be thankful for the most basic of things.
