Neighborhood meeting Jan 4, 2017, at 7 PM Madison Elementary School Library
616 Pecks Drive

Are you prepared for an emergency?

Winter is upon us! We may think about earthquakes or floods as emergencies, but ice, heavy snow and high wind storms can bring about emergency situations too with falling trees, collapsing roofs or getting stuck on the highway, in a ditch or in the woods.

We will share information on new preparedness recommendations and neighborhood drills for the coming months. Also Map Your Neighborhood – like block watch but helps you and your neighbors get ready to help each other after disaster.

Save the dates: Map Your Neighborhood

If approved by the neighborhood, a possible Easter Egg Hunt, April 15th and some work parties preparing for this event, and the Annual Yard sale event in April around the 22nd.

Next regular neighborhood meeting will be Feb1, 2017 at Madison Elementary.

Your Chair, Dennis Dudder, dldhome2@juno.com 425-355-6508
