### PURPOSE & DESCRIPTION:

The purpose of the FFY 2016 Homeland Security Grant Program (16HSGP) is to support state and local efforts to prevent terrorism and other catastrophic events and to prepare the Nation for threats and hazards that pose the greatest risk to the security of the United States. 16HSGP provides funding to implement investments that build, sustain, and deliver the core capabilities essential to achieving the National Preparedness Goal (the Goal) of a secure and resilient Nation. 16HSGP supports core capabilities across the five mission areas of Prevention, Protection, Mitigation, Response, and Recovery based on allowable costs. HSGP is comprised of three interconnected grant programs: State Homeland Security Program (SHSP), Urban Areas Security Initiative (UASI), and Operation Stonegarden (OPSG). Together, these grant programs fund a range of preparedness activities, including planning, organization, equipment purchase, training, exercises, and management and administration.

The County and Department are a Recipient/Pass-through Entity of the 16HSGP Award, which is incorporated in and attached hereto as Attachment #1, and is making a subaward of funds to the Subrecipient pursuant to this Agreement. The Subrecipient is accountable to the County for use of Federal award funds provided under this Agreement. The Subrecipient's Work Plan (scope), Timeline(schedule) and Budget for the subaward are detailed in Exhibits C, D, and E.

IN WITNESS WHEREOF, the County and Subrecipient acknowledge and accept the terms of this Agreement, including all referenced Exhibits and Attachments which are hereby incorporated in and made a part hereof, and have executed this Agreement as of the date below.

This Agreement Face Sheet; Special Terms & Conditions (Exhibit A); General Terms and Conditions (Exhibit B); Work Plan/Approved Projects (Exhibit C); Timeline (Exhibit D); Budget (Exhibit E); and all other documents, exhibits and attachments expressly referenced and incorporated herein contain all the terms and conditions agreed upon by the parties and govern the rights and obligations of the parties to this Agreement.

No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto.
In the event of an inconsistency in this Agreement, unless otherwise provided herein, the inconsistency shall be resolved by giving precedence in the following order:

ARTICLE II -- ADMINISTRATIVE AND/OR FINANCIAL REQUIREMENTS
The Subrecipient shall comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to the 16HSGP Program, including, but not limited to, all criteria, restrictions, and requirements of the “Department of Homeland Security Notice of Funding Opportunity Fiscal Year 2016 Homeland Security Grant Program” document, the DHS Award Letter for Grant Number EMW-2016-SS-00005-S01, and the federal regulations commonly applicable to DHS/FEMA grants, all of which are incorporated herein by reference. The DHS Award Letter is incorporated in this Agreement as Attachment #1.

The Subrecipient acknowledges that since this Agreement involves federal award funding, the period of performance described herein may begin prior to the availability of appropriated federal funds. The Subrecipient agrees that it will not hold the County, the Department, the State of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Agreement prior to distribution of appropriated federal funds, or if federal funds are not appropriated or in a particular amount.

A. STATE AND FEDERAL REQUIREMENTS FOR DHS/FEMA PREPAREDNESS GRANTS:
The following requirements apply to all DHS/FEMA Preparedness Grants administered by the Department.

1. SUBAWARDS & CONTRACTS BY SUBRECIPIENTS
   a. The Subrecipient must make a case-by-case determination whether each agreement it makes for the disbursement of 16HSGP funds received under this Agreement casts the party receiving the funds in the role of a subrecipient or contractor in accordance with 2 CFR 200.330.
   b. If the Subrecipient becomes a pass-through entity by making a subaward to a non-federal entity as its subrecipient:
      i. The Subrecipient must comply with all federal laws and regulations applicable to pass-through entities of 16HSGP funds, including, but not limited to, those contained in 2 CFR 200.
      ii. The Subrecipient shall require its subrecipient to comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to the 16HSGP Program, including, but not limited to, all criteria, restrictions, and requirements of the “Department of Homeland Security Notice of Funding Opportunity Fiscal Year 2016 Homeland Security Grant Program” document, the DHS Award Letter for Grant No. EMW-
2016-SS-00005-S01 in Attachment #1, and the federal regulations commonly applicable to DHS/FEMA grants.

iii. The Subrecipient shall be responsible to the County for ensuring that all 16HSGP federal award funds provided to its subrecipient are used in accordance with applicable federal and state statutes and regulations, and the terms and conditions of the federal award set forth in Attachment #1 of this Agreement.

2. REIMBURSEMENT & BUDGET REQUIREMENTS
   a. Within the total Grant Agreement Amount, travel, sub-contracts, salaries, benefits, printing, equipment, and other goods and services or other budget categories will be reimbursed on an actual cost basis unless otherwise provided in this Agreement.

   b. The maximum amount of all reimbursement requests permitted to be submitted under this Agreement, including the final reimbursement request, is limited to and shall not exceed the total Grant Agreement Amount.

   c. If the Subrecipient chooses to include indirect costs within the Budget (Exhibit E), an indirect cost rate agreement negotiated between the federal cognizant agency for indirect costs and the Subrecipient including approved indirect cost rate(s) as described in 2 CFR 200.414 and Appendix VII to 2 CFR 200 must be submitted to the County and Department. However, under 2 CFR 200.414(f), if the Subrecipient has never received a negotiated indirect cost rate agreement establishing federally negotiated rate(s), the Subrecipient may negotiate a rate with the County, or charge a de minimis rate of 10% of modified total direct costs. The Subrecipient's actual indirect cost rate may vary from the approved rate, but must not exceed the indirect cost rate percentage identified in the Budget (Exhibit E). If a Subrecipient chooses to charge the 10% de minimis rate, but did not charge indirect costs to previous subawards, a request for approval to charge indirect costs must be submitted to the County Key Personnel for approval with an explanation for the change.

   d. For travel costs, the Subrecipient shall comply with 2 CFR 200.474 and should consult their internal policies, state rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended, and federal maximum rates set forth at http://www.gsa.gov, and follow the most restrictive. If travel costs exceed set state or federal limits, travel costs shall not be reimbursed without prior written approval by County Key Personnel and/or the Department.

   e. Copies of receipts and/or backup documentation for any approved items that are authorized under this Agreement must be included with the Subrecipients reimbursement requests. Originals are to be maintained by the Subrecipient consistent with record retention requirements of this Agreement, and be made available upon request by the County, the Department, and federal, state, or local auditors.

   f. The Subrecipient will submit reimbursement requests to the County by submitting a properly completed State A-19 Invoice Form and Reimbursement Spreadsheet (in the format provided by the County) or a comparable invoice detailing the expenditures for which reimbursement is sought. Reimbursement requests must be submitted to the County's Key Personnel at least quarterly, but not more frequently than monthly. Reimbursement requests must be submitted to no later than the due dates listed within the Timeline (Exhibit D).

Reimbursement request totals should be commensurate to the time spent processing by the Subrecipient and the County. If the reimbursement request isn’t substantial enough, the Subrecipient should request prior written approval from County’s Key Personnel to waive the due date in the Timeline (Exhibit D) and instead submit those costs on the next scheduled reimbursement due date contained in the Milestone Timeline.

   g. Any request for extension of a due date in the Timeline (Exhibit D) will be treated as a request for Amendment of the Agreement and must be submitted to the County’s Key Personnel sufficiently in advance of the due date to provide adequate time for County review and consideration, and can be granted or denied within the County’s sole discretion.

   h. All work under this Agreement must end on or before the Grant Agreement End Date, and the final reimbursement request must be submitted to the County within 20 days after the Grant
Agreement End Date, except as otherwise authorized by written amendment of this Agreement and issued by the County.

i. No costs for purchases of equipment/supplies will be reimbursed until the related equipment/supplies have been received by the Subrecipient, its contractor, or any non-federal entity to which the Subrecipient makes a subaward, and is invoiced by the vendor.

j. Failure to timely submit complete reports and reimbursement requests as required by this Agreement (including, but not limited to, those reports in the Timeline) will prohibit the Subrecipient from being reimbursed until such complete reports and reimbursement requests are submitted and the County has had reasonable time to conduct its review. Final reimbursement requests will not be approved for payment until the Subrecipient is current with all reporting requirements contained in this Agreement.

k. A written amendment will be required if the Subrecipient expects cumulative transfers between project budgets, as identified in the Work Plan (Exhibit C) and Budget (Exhibit E), to exceed 10% of the Grant Agreement Amount. Any adjustments to project totals other than in compliance with this paragraph will not be reimbursed.

l. Subrecipients shall only use federal award funds under this Agreement to supplement existing funds, and will not use them to replace (supplant) non-federal funds that have been budgeted for the same purpose. The Subrecipient may be required to demonstrate and document that the reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

3. REPORTING REQUIREMENTS
   a. The Subrecipient shall submit with each reimbursement request a report indicating the status of Work Plan activities for which reimbursement is sought in the format provided by the County.
   b. The Subrecipient shall comply with the Federal Funding Accountability and Transparency Act (FFATA) and related OMB Guidance consistent with Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note) and complete and return to the County the FFATA Form located at http://mil.wa.gov/emergency-management-division/grants/requiredgrantforms; which is incorporated by reference and made a part of this Agreement.
   c. The Subrecipient shall participate in the State's annual capabilities assessment for the State Preparedness Report.

4. EQUIPMENT AND SUPPLY MANAGEMENT
   a. The Subrecipient and any non-federal entity to which the Subrecipient makes a subaward shall comply with 2 CFR 200.318 – 200.326 when procuring any equipment or supplies under this Agreement, 2 CFR 200.313 for management of equipment, and 2 CFR 200.314 for management of supplies, to include, but not limited to:
      i. Upon successful completion of the terms of this Agreement, all equipment and supplies purchased through this Agreement will be owned by the Subrecipient, or a recognized non-federal entity to which the Subrecipient has made a subaward, for which a contract, subrecipient grant agreement, or other means of legal transfer of ownership is in place.
      ii. All equipment, and supplies as applicable, purchased under this Agreement will be recorded and maintained in the Subrecipient’s inventory system.
      iii. Records shall include: a description of the property; the manufacturer’s serial number, model number, or other identification number; the source of funding for the equipment, including the Federal Award Identification Number (FAIN); Catalog of Federal Domestic Assistance (CFDA) number; who holds the title; the acquisition date; the cost of the equipment and the percentage of Federal participation in the cost; the location, use and condition of the equipment at the date the information was reported; and disposition data including the date of disposal and sale price of the property.
      iv. The Subrecipient shall take a physical inventory of the equipment and reconcile the results with the property records at least once every two years. Any differences between quantities
determined by the physical inspection and those shown in the records shall be investigated by the Subrecipient to determine the cause of the difference. The Subrecipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

v. The Subrecipient shall be responsible for any and all operational and maintenance expenses and for the safe operation of their equipment and supplies including all questions of liability. The Subrecipient shall develop appropriate maintenance schedules and procedures to ensure the equipment, and supplies as applicable, are well-maintained and kept in good operating condition.

vi. The Subrecipient must obtain and maintain all necessary certifications and licenses for the equipment.

vii. The Subrecipient shall develop a control system to ensure adequate safeguards to prevent loss, damage, and theft of the property. Any loss, damage, or theft shall be investigated and a report generated and sent to the County.

viii. If the Subrecipient is authorized or required to sell the property, proper sales procedures must be established and followed to ensure the highest possible return.

ix. If, upon termination or at the Grant Agreement End Date, there is a residual inventory of unused supplies exceeding $5,000 in total aggregate value which will not be needed for any other Federal award, or when original or replacement equipment is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency or award, the Subrecipient must comply with the following procedures:

A. Supplies: The Subrecipient may retain the supplies for use on other non-Federal related activities or sell them, but must compensate the Federal sponsoring agency for its share.

B. Equipment: The Subrecipient must dispose of equipment as follows:

1. Items of equipment with a current per-unit fair market value of less than $5,000 may be retained, sold or otherwise disposed of by the Subrecipient with no further obligation to the awarding agency.

2. Items of equipment with a current per-unit fair market value of more than $5,000 may be retained or sold and the Subrecipient shall compensate the Federal-sponsoring agency for its share.

x. Records for equipment shall be retained by the Subrecipient for a period of six years from the date of the disposition, replacement, or transfer. If any litigation, claim, or audit is started before the expiration of the six-year period, the records shall be retained by the Subrecipient until all litigation, claims, or audit findings involving the records have been resolved.

b. The Subrecipient shall comply with the Department's Purchase Review Process, which is incorporated by reference and made part of this Agreement. No reimbursement will be provided unless the appropriate approval has been received.

c. Allowable equipment and supply categories for 16HSGP are listed on the Authorized Equipment List (AEL) located on the FEMA website at http://www.fema.gov/authorized-equipment-list. The AEL consists of 21 categories which are divided into sub-categories. It is important the Subrecipient and any non-federal entity to which the Subrecipient makes a subaward regard the AEL as an authorized purchasing list identifying items allowed under the specific grant program, and includes items that may not be categorized as equipment according to the federal, state, local, and tribal definitions of equipment. The Subrecipient is solely responsible for ensuring purchased items under this Agreement are authorized as allowed items by the AEL at time of purchase.

If the item is not identified on the AEL as allowable under HSGP, the Subrecipient must contact the County's Key Personnel for assistance in seeking FEMA approval prior to acquisition.

d. Unless expressly provided otherwise, all equipment must meet all mandatory regulatory and/or DHS/FEMA adopted standards to be eligible for purchase using Federal award funds.
e. Equipment purchased with DHS federal award funds is to be marked with “Purchased with funds provided by the U.S. Department of Homeland Security” when practicable.

f. Prior to procuring pharmaceuticals, Subrecipients must have in place an inventory management plan to avoid large periodic variations in supplies due to coinciding purchase and expiration dates. Subrecipients are encouraged to enter into rotational procurement agreements with vendors and distributors. Purchases of pharmaceuticals must include a budget for the disposal of expired drugs within each fiscal year’s period of performance for 16HSGP. The cost of disposal cannot be carried over to another DHS/FEMA grant or grant period.

As a subrecipient of federal funds, the Subrecipient must pass on equipment and supply management requirements that meet or exceed the requirements outlined above to any non-federal entity to which the Subrecipient makes a subaward of federal award funds under this Agreement.

5. ENVIRONMENTAL AND HISTORICAL PRESERVATION

The Subrecipient shall ensure full compliance with the DHS/FEMA Environmental Planning and Historic Preservation (EHP) Program. The Subrecipient is required to comply with DHS/FEMA EHP Policy Guidance which can be found at https://www.fema.gov/office-environmental-planning-and-historic-preservation; FP 108-023-1 Environmental Planning and Historic Preservation Policy Guidance at http://www.fema.gov/media-library/assets/documents/65376; and FP 108.24.4 Environmental Planning and Historical Preservation Policy at https://www.fema.gov/media-library/assets/documents/101537, all of which are incorporated in and made a part of this Agreement.

a. The Subrecipient proposing projects that have the potential to impact the environment, including, but not limited to, construction of communication towers; modification or renovation of existing buildings, structures and facilities; or new construction, including replacement of facilities, must participate in the DHS/FEMA EHP review process prior to project initiation. Modification of existing buildings, including minimally invasive improvements such as attaching monitors to walls, and training or exercises occurring outside in areas not considered previously disturbed also require a DHS/FEMA EHP review before project initiation.

b. The EHP review process involves the submission of a detailed project description that explains the goals and objectives of the proposed project along with supporting documentation so FEMA may determine whether the proposed project has the potential to impact environmental resources and/or historic properties.

c. The Subrecipient agrees that to receive any federal preparedness funding, all EHP compliance requirements outlined in applicable guidance must be met. The EHP review process must be completed and approval received before any work, for which reimbursement will be later requested, is started. Expenditures for projects started before the EHP review approval is received will not be reimbursed.

6. PROCUREMENT

b. For all sole source contracts expected to exceed $150,000, the Subrecipient must submit to the County for pre-procurement review and approval the procurement documents, such as requests for proposals, invitations for bids and independent cost estimates. This requirement must be passed on to any non-federal entity to which the Subrecipient makes a subaward, at which point the Subrecipient will be responsible for reviewing and approving sole source justifications of any non-federal entity to which the Subrecipient makes a subaward.

7. SUBRECIPIENT MONITORING

a. The County will monitor the activities of the Subrecipient from award to closeout. The goal of the County’s monitoring activities will be to ensure that agencies receiving federal pass-through funds are in compliance with this Agreement, federal and state audit requirements, federal grant guidance, and applicable federal and state financial regulations, as well as 2 CFR Part 200 Subpart F.
b. To document compliance with 2 CFR Part 200 Subpart F requirements, the Subrecipient shall complete and return to the County the 2 CFR Part 200 Subpart F Audit Certification Form located at http://mil.wa.gov/emergency-management-division/grants/requiredgrantforms with the signed Agreement and each fiscal year thereafter until the Agreement is closed, which is incorporated by reference and made a part of this Agreement.

c. Monitoring activities may include, but are not limited to:

   i. review of financial and performance reports
   
   ii. monitoring and documenting the completion of Agreement deliverables
   
   iii. documentation of phone calls, meetings, e-mails, and correspondence
   
   iv. review of reimbursement requests and supporting documentation to ensure allowability and consistency with Agreement work plan, budget, and federal requirements
   
   v. observation and documentation of Agreement-related activities, such as exercises, training, funded events, and equipment demonstrations
   
   vi. on-site visits to review equipment records and inventories, to verify source documentation for reimbursement requests and performance reports, and to verify completion of deliverables.

d. The Subrecipient is required to meet or exceed the monitoring activities, as outlined above and in 2 CFR Part 200, for any non-federal entity to which the Subrecipient makes a subaward as a pass-through entity under this Agreement.

e. Compliancy will be monitored throughout the performance period to assess risk. Concerns will be addressed through a Corrective Action Plan.

8. LIMITED ENGLISH PROFICIENCY (CIVIL RIGHTS ACT OF 1964 TITLE VI)
The Subrecipient must comply with the Title VI of the Civil Rights Act of 1964 (Title VI) prohibition against discrimination on the basis of national origin, which requires that subrecipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services. Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations. DHS published the required recipient guidance in April 2011, DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 76 Fed. Reg. 21755-21768, (April 18, 2011). The Guidance provides helpful information such as how a recipient can determine the extent of its obligation to provide language services; selecting language services; and elements of an effective plan on language assistance for LEP persons. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance at https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-access-people-limited and additional resources on http://www.lep.gov.

9. NIMS COMPLIANCE

   a. The National Incident Management System (NIMS) identifies concepts and principles that answer how to manage emergencies from preparedness to recovery regardless of their cause, size, location, or complexity. NIMS provides a consistent, nationwide approach and vocabulary for multiple agencies or jurisdictions to work together to build, sustain, and deliver the core capabilities needed to achieve a secure and resilient nation.

   b. Consistent implementation of NIMS provides a solid foundation across jurisdictions and disciplines to ensure effective and integrated preparedness, planning, and response. NIMS empowers the components of the National Preparedness System, a requirement of Presidential Policy Directive (PPD)-8, to guide activities within the public and private sector and describes the planning, organizational activities, equipping, training and exercising needed to build and sustain the core capabilities in support of the National Preparedness Goal.
c. The Subrecipient agrees that in order to receive FFY 2016 federal preparedness funding, to include HSGP, NIMS compliance requirements for 2016 must be met.

B. HSGP SPECIFIC REQUIREMENTS
1. 16HSGP stipulates the following for overall grant funding; specific caps or thresholds for this Agreement may differ:
   a. Up to 5% percent of the HSGP award received by the County may be used for management and administrative purposes directly related to administration of the HSGP grant. The maximum percentage of the Grant Agreement Amount that may be used by the Subrecipient for management and administration costs under this Agreement is identified in the Budget (Exhibit E), and may be less than, but will not exceed, the maximum 5%.
   b. At least 25% of the combined HSGP award allocated under SHSP and UASI are to be dedicated towards law enforcement terrorism prevention activities (LETPA). The LETPA percentage of the Grant Agreement Amount that must be met as a minimum requirement of this Agreement by the Subrecipient is identified in the Budget (Exhibit E) and may differ from the combined 25% requirement.
   c. The combined total of personnel expenses may not exceed 50% percent of the HSGP award received by the County unless a Personnel Cap Waiver has been received from DHS. The maximum percentage of the Grant Agreement Amount that may be used by the Subrecipient for personnel expenses under this Agreement is identified in the Budget (Exhibit E) and may differ from the 50% HSGP limit.

2. SHSP-funded projects must address high-priority preparedness gaps across all core capabilities where a nexus to terrorism exists. All supported investments are based on capability targets and gaps identified during the assessment process.

3. The Subrecipient shall use HSGP funds only to perform tasks as described in the Work Plan, as approved by the County and Department, and in compliance with this Agreement.

4. Subrecipients are required to develop a multi-year Training and Exercise Plan (TEP) that identifies training and exercise priorities and activities. Inclusion in the State’s TEP meets the intent of this requirement. Subrecipients that choose to develop their own TEP shall submit it to hseeep@fema.chs.gov and emd.training@mili.wa.gov no later than June 1st annually.
   a. Subrecipients are encouraged to participate in the State’s annual Training and Exercise Planning Workshop (TEPW) or may conduct their own local/regional TEPW.

5. Subrecipients will develop and maintain a progressive exercise program consistent with the Homeland Security Exercise and Evaluation Program (HSEEP) and support the National Exercise Program (NEP). Upon completion of an exercise, an After Action Report and an Improvement Plan must be prepared and submitted to NEP@fema.chs.gov and emd.training@mili.wa.gov. Further information regarding the use of HSEEP can be found at https://hseeep.preptoolkit.org/.

6. Subrecipients will provide reports and/or assist with completion of reports required by the HSGP federal award, including, but not limited to, the State Preparedness Report (SPR), Threat and Hazard Identification and Risk Assessment (THIRA), core capabilities assessment, and data calls.

C. DHS FFY16 HSGP TERMS AND CONDITIONS
As a subrecipient of 16HSGP Program funding, the Subrecipient shall comply with all applicable DHS terms and conditions of the FFY16 HSGP Award Letter and its incorporated documents for DHS Grant No. EMW-2016-SS-00005-S01, which are incorporated in and made a part of this Agreement as Attachment #1.
Snohomish County
GENERAL TERMS AND CONDITIONS
Department of Homeland Security (DHS)/
Federal Emergency Management Agency (FEMA) Grants

A.1 DEFINITIONS
As used throughout this Grant Agreement, terms will have the same meaning as defined in 2 CFR 200 Subpart A (which is incorporated herein by reference), except as otherwise set forth below:

a. "Agreement" means this Grant Agreement.

b. "Department" means the Washington State Military Department, as a state agency, any division, section, office, unit or other entity of the Department, or any of the officers or other officials lawfully representing that Department. The Department is a recipient of a federal award directly from a federal awarding agency and is pass-through entity making a subaward to a subrecipient under this Agreement.

c. "County" means Snohomish County, a political sub-division of the State of Washington, or any of the officers or other officials lawfully representing the County. The County is a recipient of a federal award indirectly from a federal awarding agency and is a pass-through entity making a subaward to a subrecipient under this Agreement.

d. Subrecipient" when capitalized is primarily used throughout this Agreement in reference to the non-federal entity identified on the Face Sheet of this Agreement that has received a subaward from the County. However, the definition of "subrecipient" is the same as in 2 CFR 200.93 for all other purposes.

e. "Monitoring Activities" means all administrative, financial, or other review activities that are conducted to ensure compliance with all state and federal laws, rules, regulations, authorities and policies.

f. "Investment" means the grant application submitted by the Subrecipient describing the project(s) for which federal funding is sought and provided under this Agreement. Such grant application is hereby incorporated into this Agreement by reference.

A.2 SINGLE AUDIT ACT REQUIREMENTS (including all AMENDMENTS)
Non-federal entities, as subrecipients of a federal award, that expend $750,000 or more in one fiscal year of federal funds from all sources, direct and indirect, are required to have a single or a program-specific audit conducted in accordance with 2 CFR Part 200 Subpart F. Non-federal entities that spend less than $750,000 a year in federal awards are exempt from federal audit requirements for that year, except as noted in 2 CFR Part 200 Subpart F. As defined in 2 CFR Part 200, the term "non-federal entity" means a State, local government, Indian tribe, institution of higher education, or non-profit organization that carries out a federal award as a recipient or subrecipient.

Subrecipients that are required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the United States Comptroller General and the OMB Compliance Supplement. The Subrecipient has the responsibility of notifying its auditor and requesting an audit in compliance with 2 CFR Part 200 Subpart F, to include the Washington State Auditor’s Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by 2 CFR Part 200 Subpart F.

The Subrecipient shall maintain auditable records and accounts so as to facilitate the audit requirement and shall ensure that any sub-contractors also maintain auditable records. The Subrecipient is responsible for any audit exceptions incurred by its own organization or that of its sub-contractors. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report.

The Subrecipient must respond to County or Department requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The County reserves the right to recover from the Subrecipient all disallowed costs resulting from the audit.
After the single audit has been completed, and if it includes any audit findings, the Subrecipient must send a full copy of the audit and its corrective action plan to the County at the following address no later than 9 months after the end of the Subrecipient’s fiscal year(s):

Snohomish County – Dept. of Emergency Management  
Attn: HSGP - Regional Coordinator  
720 80th Street SW, Building A  
Everett, WA 98203-6217

If the Subrecipient claims it is exempt from the audit requirements of 2 CFR Part 200 Subpart F, the Subrecipient must send a letter identifying this Grant Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the Subrecipient’s fiscal year(s) to the address listed above. The County retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

The Subrecipient shall include the above audit requirements in any subawards. Conducting a single or program-specific audit in compliance with 2 CFR Part 200 Subpart F is a material requirement of this Agreement. In the absence of a valid claim of exemption from the audit requirements of 2 CFR Part 200 Subpart F, the Subrecipient’s failure to comply with said audit requirements may result in one or more of the following actions in the County’s sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with 2 CFR Part 200 Subpart F; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

A.3 ADVANCE PAYMENTS PROHIBITED
The County shall make no payments in advance or in anticipation of goods or services to be provided under this Agreement. The Subrecipient shall not invoice the County in advance of delivery and invoicing of such goods or services.

A.4 AMENDMENTS AND MODIFICATIONS
The Subrecipient or the County may request, in writing, an amendment or modification of this Agreement. However, such amendment or modification shall not be binding, take effect or be incorporated herein until made in writing and signed by the authorized representatives of the County and the Subrecipient. No other understandings or agreements, written or oral, shall be binding on the parties.

The Subrecipient must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunication.

A.6 ASSURANCES
The County and Subrecipient agree that all activity pursuant to this Agreement will be conducted in accordance with all the applicable current federal, state and local laws, rules and regulations.

A.7 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, OR INELIGIBILITY
As federal funds are a basis for this Agreement, the Subrecipient certifies that the Subrecipient is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this Grant Agreement by any federal department or agency.

The Subrecipient shall complete, sign, and return a Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion form located at http://mil.wa.gov/emergency-management-division/grants/requiredgrantforms. Any such form completed by the Subrecipient for this Agreement shall be incorporated into this Agreement by reference.

Further, the Subrecipient agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. The Subrecipient certifies that it will ensure that potential contractors or subrecipients or any of their principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in "covered transactions" by any federal department or agency. "Covered transactions" include procurement contracts for goods or services awarded under a non-procurement transaction (e.g. grant or cooperative
agreement) that are expected to equal or exceed $25,000, and subawards to subrecipients for any amount. With respect to covered transactions, the Subrecipient may comply with this provision by obtaining a certification statement from the potential contractor or subrecipient or by checking the System for Award Management (http://www.sam.gov) maintained by the federal government. The Subrecipient also agrees not to enter into any arrangements or contracts with any party on the Washington State Department of Labor and Industries’ "Debarred Contractor List" (http://www.lni.wa.gov/TradesLicensing/PrevWage/AwardingAgencies/DebarredContractors/). The Subrecipient also agrees not to enter into any agreements or contracts for the purchase of goods and services with any party on the Department of Enterprise Services' Debarred Vendor List (http://www.des.wa.gov/services/ContractingPurchasing/Business/Pages/Vendor-Debarment.aspx).

A.8 CERTIFICATION REGARDING RESTRICTIONS ON LOBBYING
As required by 44 CFR Part 18, the Subrecipient hereby certifies that to the best of its knowledge and belief: (1) no federally appropriated funds have been paid or will be paid by or on behalf of the Subrecipient to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement; (2) that if any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement, grant, loan, or cooperative agreement, the Subrecipient will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; (3) and that, as applicable, the Subrecipient will require that the language of this certification be included in the award documents for all subawards at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into, and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code.

A.9 CONFLICT OF INTEREST
No officer or employee of the County; no member, officer, or employee of the Subrecipient or its designees or agents; no member of the governing body of the jurisdiction in which the project is undertaken or located; and no other official of the Subrecipient who exercises any functions or responsibilities with respect to the project during his or her tenure, shall have any personal or pecuniary gain or interest, direct or indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this Agreement.

The Subrecipient shall incorporate, or cause to incorporate, in all such contracts or subawards, a provision prohibiting such interest pursuant to this provision.

A.10 COMPLIANCE WITH APPLICABLE STATUTES, RULES AND DEPARTMENT POLICIES
The Subrecipient and all its contractors and subrecipients shall comply with, and the County is not responsible for determining compliance with, any and all applicable federal, state, and local laws, regulations, executive orders, OMB Circulars, and/or policies. This obligation includes, but is not limited to: nondiscrimination laws and/or policies, Energy Policy and Conservation Act (PL 94-163, as amended), the Americans with Disabilities Act (ADA), Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Civil Rights Act of 1968, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, (PL 93-288, as amended), Ethics in Public Service (RCW 42.52), Covenant Against Contingent Fees (48 CFR Section 52.203-8), Public Records Act (RCW 42.56), Prevailing Wages on Public Works (RCW 39.12), State Environmental Policy Act (RCW 43.21C), Shoreline Management Act of 1971 (RCW 90.58), State Building Code (RCW 19.27), Energy Related Building Standards (RCW 19.27A), Provisions in Buildings for Aged and Handicapped Persons (RCW 70.92), and safety and health regulations.

In the event of noncompliance or refusal to comply with any applicable law, regulation, executive order, OMB Circular or policy by the Subrecipient, its contractors or subrecipients, the County may rescind, cancel, or terminate the Agreement in whole or in part in its sole discretion. The Subrecipient is responsible for all costs or liability arising from its failure, and that of its contractors and subrecipients, to comply with applicable laws, regulations, executive orders, OMB Circulars, or policies.
A.11 CONTRACTING & PROCUREMENT

a. The Subrecipient shall use a competitive procurement process in the procurement and award of any contracts with contractors or sub-contractors that are entered into under the original contract award. The procurement process followed shall be in accordance with 2CFR Part 200.318 General procurement standards through 200.326 Contract Provisions.

As required by Appendix II to 2 CFR Part 200, all contracts entered into by the Subrecipient under this Agreement must include the following provisions, as applicable:

i. Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

ii. All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

iv. Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

v. Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
vi. Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

vii. Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

viii. Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

x. Procurement of recovered materials — As required by 2 CFR 200.322, a non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

xi. Notice of Federal awarding agency requirements and regulations pertaining to reporting.

xii. Federal awarding agency requirements and regulations pertaining to copyrights and rights in data.

xiii. Access by the County, the Department, the Subrecipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

xiv. Retention of all required records for six years after the Subrecipient has made final payments and all other pending matters are closed.

b. The County reserves the right to review the Subrecipient procurement plans and documents, and require the Subrecipient to make changes to bring its plans and documents into compliance with the requirements of 2 CFR Part 200.318 through 200.326. The Subrecipient must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the Subrecipient and County to make a determination on eligibility of project costs.

c. All sub-contracting agreements entered into pursuant to this Agreement shall incorporate this Agreement by reference.

A.12 DISCLOSURE
The use or disclosure by any party of any information concerning the County for any purpose not directly connected with the administration of the County’s or the Subrecipient’s responsibilities with respect to services provided under this Agreement is prohibited except by prior written consent of the County or as required to comply with the state Public Records Act, other law or court order.

A.13 DISPUTES
Except as otherwise provided in this Agreement, when a bona fide dispute arises between the parties and it cannot be resolved through discussion and negotiation, either party may request a dispute resolution panel to resolve the dispute. A request for a dispute resolution board shall be in writing, state the disputed issues, state the relative positions of the parties, and be sent to all parties. The panel shall consist of a representative appointed by the County, a representative appointed by the Contractor and a third party mutually agreed upon by both parties. The panel shall be by majority vote, resolve the dispute. Each party shall bear the cost for its panel member and its attorney fees and costs, and share equally the cost of the third panel member.

A.14 LEGAL RELATIONS
It is understood and agreed that this Agreement is solely for the benefit of the parties to the Agreement and gives no right to any other party. No joint venture or partnership is formed as a result of this Agreement.

To the extent allowed by law, the Subrecipient, its successors or assigns, will protect, save and hold harmless the County, the Department, the State of Washington, and the United States Government and their authorized agents and employees, from all claims, actions, costs, damages or expenses of any nature whatsoever by reason of the acts or omissions of the Subrecipient, its sub-contractors, subrecipients, assigns, agents, contractors, consultants, licensees, invitees, employees or any person whomsoever arising out of or in connection with any acts or activities authorized by this Agreement.

To the extent allowed by law, the Subrecipient further agrees to defend the County, the Department and the State of Washington and their authorized agents and employees in any litigation; including payment of any costs or attorneys’ fees for any claims or action commenced thereon arising out of or in connection with acts or activities authorized by this Agreement.

This obligation shall not include such claims, costs, damages or expenses which may be caused by the sole negligence of the County or the Department; provided, that if the claims or damages are caused by or result from the concurrent negligence of (1) the County or the Department, and (2) the Subrecipient, its agents or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Subrecipient, or Subrecipient’s agents or employees.

Insofar as the funding source, the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA), is an agency of the Federal government, the following shall apply:

44 CFR 206.9 Non-liability. The Federal government shall not be liable for any claim based upon the exercise or performance of, or the failure to exercise or perform a discretionary function or duty on the part of a federal agency or an employee of the federal government in carrying out the provisions of the Stafford Act.

A.15 LIMITATION OF AUTHORITY – Authorized Signature
The signatories to this Agreement represent that they have the authority to bind their respective organizations to this Agreement. Only the Department’s Authorized Signature representative and the Authorized Signature representative of the Subrecipient or Alternate for the Subrecipient, formally designated in writing, shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Agreement. Any alteration, amendment, modification, or waiver of
any clause or condition of this Agreement is not effective or binding unless made in writing and signed by both parties Authorized Signature representatives. Further, only the Authorized Signature representative or Alternate for the Subrecipient shall have signature authority to sign reimbursement requests, time extension requests, amendment and modification requests, requests for changes to projects or work plans, and other requests, certifications and documents authorized by or required under this Agreement.

A.16 LOSS OR REDUCTION OF FUNDING
In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion or end date, the County may unilaterally reduce the scope of work and budget or unilaterally terminate all or part of the Agreement as a “Termination for Cause” without providing the Subrecipient an opportunity to cure. Alternatively, the parties may renegotiate the terms of this Agreement under “Amendments and Modifications” to comply with new funding limitations and conditions, although the County has no obligation to do so.

A.17 NONASSIGNABILITY
Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Subrecipient.

A.18 NONDISCRIMINATION
The Subrecipient shall comply with all applicable federal and state non-discrimination laws, regulations, and policies. No person shall, on the grounds of age, race, creed, color, sex, sexual orientation, religion, national origin, marital status, honorably discharged veteran or military status, or disability (physical, mental, or sensory) be denied the benefits of, or otherwise be subjected to discrimination under any project, program, or activity, funded, in whole or in part, under this Agreement.

A.19 NOTICES
The Subrecipient shall comply with all public notices or notices to individuals required by applicable local, state and federal laws and regulations, and shall maintain a record of this compliance.

A.20 OCCUPATIONAL SAFETY/HEALTH ACT and WASHINGTON INDUSTRIAL SAFETY/ HEALTH ACT (OSHA/WISHA)
The Subrecipient represents and warrants that its work place does now or will meet all applicable federal and state safety and health regulations that are in effect during the Subrecipient’s performance under this Agreement. To the extent allowed by law, the Subrecipient further agrees to indemnify and hold harmless the County and its employees and agents from all liability, damages and costs of any nature, including, but not limited to, costs of suits and attorneys’ fees assessed against the County, as a result of the failure of the Subrecipient to so comply.

A.21 OWNERSHIP OF PROJECT/CAPITAL FACILITIES
The County makes no claim to any capital facilities or real property improved or constructed with funds under this Agreement, and by this subaward of funds does not and will not acquire any ownership interest or title to such property of the Subrecipient. The Subrecipient shall assume all liabilities and responsibilities arising from the ownership and operation of the project and agrees to indemnify and hold the County, the Department, the state of Washington and the United States government harmless from any and all causes of action arising from the ownership and operation of the project.

A.22 POLITICAL ACTIVITY
No portion of the funds provided herein shall be used for any partisan political activity or to further the election or defeat of any candidate for public office or influence the approval or defeat of any ballot issue.

A.23 PROHIBITION AGAINST PAYMENT OF BONUS OR COMMISSION
The assistance provided under this Agreement shall not be used in payment of any bonus or commission for the purpose of obtaining approval of the application for such assistance or any other approval or concurrence under this Agreement; provided, however, that reasonable fees or bona fide technical consultant, managerial, or other such services, other than actual solicitation, are not hereby prohibited if otherwise eligible as project costs.

A.24 PUBLICITY
The Subrecipient agrees to submit to the County prior to issuance all advertising and publicity matters relating to this Agreement wherein the County’s name is mentioned or language used from which the
connection of the County's name may, in the County's judgment, be inferred or implied. The Subrecipient agrees not to publish or use such advertising and publicity matters without the prior written consent of the County. The Subrecipient may copyright original work it develops in the course of or under this Agreement; however, pursuant to 2 CFR Part 200.315, FEMA reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use the work for government purposes.

Publication resulting from work performed under this Agreement shall include an acknowledgement of FEMA's financial support, by CFDA number, and a statement that the publication does not constitute an endorsement by FEMA or reflect FEMA's views.

A.25 RECAPTURE PROVISION
In the event the Subrecipient fails to expend funds under this Agreement in accordance with applicable federal, state, and local laws, regulations and/or the provisions of the Agreement, the County reserves the right to recapture funds in an amount equivalent to the extent of noncompliance. Such right of recapture shall exist for the life of the project following Agreement termination. Repayment by the Subrecipient of funds under this recapture provision shall occur within 30 days of demand.

In the event the County is required to institute legal proceedings to enforce the recapture provision, the County shall be entitled to its costs and expenses thereof, including attorney fees from the Subrecipient.

A.26 RECORDS
a. The Subrecipient agrees to maintain all books, records, documents, receipts, invoices, and all other electronic or written records necessary to sufficiently and properly reflect the Subrecipient's contracts, subawards, grant administration, and payments, including all direct and indirect charges, and expenditures in the performance of this Agreement (the "records").

b. The Subrecipient's records related to this Agreement and the projects funded may be inspected and audited by the County, the Department or its designee, by the Office of the State Auditor, DHS, FEMA or their designees, by the Comptroller General of the United States or its designees, or by other state or federal officials authorized by law, for the purposes of determining compliance by the Subrecipient with the terms of this Agreement and to determine the appropriate level of funding to be paid under the Agreement.

c. The records shall be made available by the Subrecipient for such inspection and audit, together with suitable space for such purpose, at any and all times during the Subrecipient's normal working day.

d. The Subrecipient shall retain and allow access to all records related to this Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Agreement. Despite the minimum federal retention requirement of three (3) years, the more stringent State requirement of six (6) years must be followed.

A.27 RESPONSIBILITY FOR PROJECT/STATEMENT OF WORK/WORK PLAN
While the County undertakes to assist the Subrecipient with the project/statement of work/work plan (project) by providing Federal award funds pursuant to this Agreement, the project itself remains the sole responsibility of the Subrecipient. The County undertakes no responsibility to the Subrecipient, or to any third party, other than as is expressly set out in this Agreement.

The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the Subrecipient, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the Subrecipient shall ensure that all applicable Federal, State, and local permits and clearances are obtained, including, but not limited to, FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws, regulations and executive orders.

The Subrecipient shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the Subrecipient in connection with the project. The Subrecipient shall not look to the County, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including, but not limited to, cost of defense and/or attorneys' fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.
A.28 **SEVERABILITY**
If any court of rightful jurisdiction holds any provision or condition under this Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Agreement are declared severable.

A.29 **SUBRECIPIENT NOT EMPLOYEE**
The parties intend that an independent contractor relationship will be created by this Agreement. The Subrecipient, and/or employees or agents performing under this Agreement are not employees or agents of the County in any manner whatsoever. The Subrecipient will not be presented as, nor claim to be, an officer or employee of the County by reason of this Agreement, nor will the Subrecipient make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the County, the Department or of the State of Washington by reason of this Agreement, including, but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

A.30 **TAXES, FEES, AND LICENSES**
Unless otherwise provided in this Agreement, the Subrecipient shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the Subrecipient or its staff required by statute or regulation that are applicable to Agreement performance.

A.31 **TERMINATION FOR CONVENIENCE**
Notwithstanding any provisions of this Agreement, the Subrecipient may terminate this Agreement by providing written notice of such termination to the County's Key Personnel identified in the Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Agreement, the County, in its sole discretion and in the best interests of the State of Washington, may terminate this Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the Subrecipient. Upon notice of termination for convenience, the County reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Subrecipient from incurring additional obligations of funds. In the event of termination, the Subrecipient shall be liable for all damages as authorized by law. The rights and remedies of the County provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 **TERMINATION OR SUSPENSION FOR CAUSE**
In the event the County, in its sole discretion, determines the Subrecipient has failed to fulfill in a timely and proper manner its obligations under this Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the Subrecipient unable to perform any aspect of the Agreement, or has violated any of the covenants, agreements or stipulations of this Agreement, the County has the right to immediately suspend or terminate this Agreement in whole or in part.

The County may notify the Subrecipient in writing of the need to take corrective action and provide a period of time in which to cure. The County is not required to allow the Subrecipient an opportunity to cure if it is not feasible as determined solely within the County's discretion. Any time allowed for cure shall not diminish or eliminate the Subrecipient liability for damages or otherwise affect any other remedies available to the County. If the County allows the Subrecipient an opportunity to cure, the County shall notify the Subrecipient in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the County, or if such corrective action is deemed by the County to be insufficient, the Agreement may be terminated in whole or in part.

The County reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Subrecipient from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the Subrecipient, if allowed, or pending a decision by the County to terminate the Agreement in whole or in part. In the event of termination, the Subrecipient shall be liable for all damages as authorized by law, including, but not limited to, any cost difference between the original Agreement and the replacement or cover Agreement and all administrative costs directly related to the replacement Agreement, e.g., cost of administering the competitive solicitation
process, mailing, advertising and other associated staff time. The rights and remedies of the County provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law. If it is determined that the Subrecipient: (1) was not in default or material breach, or (2) failure to perform was outside of the Subrecipient's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience".

A.33 TERMINATION PROCEDURES
In addition to the procedures set forth below, if the County terminates this Agreement, the Subrecipient shall follow any procedures specified in the termination notice. Upon termination of this Agreement and in addition to any other rights provided in this Agreement, the County may require the Subrecipient to deliver to the County any property specifically produced or acquired for the performance of such part of this Agreement as has been terminated.

If the termination is for convenience, the County shall pay to the Subrecipient as an agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the County prior to the effective date of Grant Agreement termination, the amount agreed upon by the Subrecipient and the County for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the County, (iii) other work, services and/or equipment or supplies which are accepted by the County, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Agreement. If the termination is for cause, the County shall determine the extent of the liability of the County. The County shall have no other obligation to the Subrecipient for termination. The County may withhold from any amounts due the Subrecipient such sum as the County determines to be necessary to protect the County against potential loss or liability. The rights and remedies of the County provided in this Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the County in writing, the Subrecipient shall:

a. Stop work under the Agreement on the date, and to the extent specified, in the notice;

WORK PLAN

FFY16 Homeland Security Grant (HSGP)
State Homeland Security Program (SHSP)

City of Everett – Police Department

State Overview of Grant Program

As the Pass-through Entity (PTE), the Washington State Military Department (WMD) Emergency Management Division's (EMD) Preparedness Grants Section (PGS), referenced as the Department, is responsible for ensuring federal funding is expended and programs implemented in full accordance with governing law and regulations. Eighty-percent of the state's award is allocated to local and tribal units of government in accordance with Federal guidelines. Washington State is divided into nine Homeland Security Regions. Funding is allocated to Regions according to a county base, population, and population density funding formula. The remaining twenty percent is allocated to state agencies using a sustainment funding model. Each Homeland Security Region and participating State Agency submitted projects that were included in the State's Investment Justification. The projects were further detailed in subprojects, which are the focus of the work plan.

Region 1 Overview of Grant Program

| Investment Justification | This work plan supports the 2016 Washington State HSGP (SHSP) Investment Justification, Investment #3 – Washington Regional Homeland Security Projects, Project #1—Region 1 Homeland Security (WA16SHSP>INV-3>PROJ-1). |

Region 1 Homeland Security

Local capabilities assessments combined with the State THIRA and SPR were used to inform the 2016 Region 1 projects and subsequently the subprojects included in this work plan. Subprojects were developed based on Core Capabilities. When the initial project was developed it was determined the following core capabilities would be addressed: 1) Planning; 2) Operational Coordination; 3) Critical Transportation; 4) Operational Communications; 5) Community Resilience; 6) Public Information & Warning; 7) Forensics & Attribution; 8) Mass Search & Rescue Operations; 9) On-scene Security, Protection, & Law Enforcement; and 10) Access Control & Identity Verification. Since submission of the Investment Justification, further evaluation and collaboration took place and it was determined Critical Transportation did not rank high enough to be addressed with this funding cycle.

Washington Homeland Security Regions

[Map showing Washington State and the location of Region 1]
Region 1 is located in the Northwest corner of the state and consists of five counties and nine tribes with a population of over one million people. The Region's five counties are: Island, San Juan, Skagit, Snohomish, and Whatcom. The following tribes actively participate in regional activities: Lummi, Nooksack, Sauk-Suiattle, Swinomish and Tulalip Tribes. Snohomish County serves as the lead county for Region 1. Snohomish County oversees governance, facilitates meetings, and serves as the pass-through entity to the other four counties and tribes.

Terrorist targets include:
- Four major oil refineries that produce gas, diesel, and jet fuel. These refineries feed the 300-mile long Olympic Pipeline running from Blaine, Washington to Portland, Oregon. Additionally, Bakken crude trains run daily through populated urban areas.
- The Naval Station Everett, which is the homeport for the USS Nimitz nuclear aircraft carrier.
- Each county within Region 1 has terminals that are part of the Washington State Ferry system, which has been named by the FBI as the number one target for maritime terrorism in the United States.

Primary all-hazard risks include:
- Two volcanoes: Glacier Peak, and Mount Baker.
- The South Whidbey Island Earthquake Fault, which is capable of a 7.5 magnitude earthquake.

Region 1 has a Charter and Bylaws that are utilized to set priorities and make funding decisions.

Snohomish County, the lead county for Region 1, receives 5% M&A and $120,000 for regional planning activities. The remainder is allocated among the five counties using a base plus population formula. The base is 30% and 70% is allocated according to each county’s population.

The goal of this subproject is to support planning efforts for the counties in Region 1. The link to the approved project in the 16SHSP Investment Justification is -- 1) Planning - high priority due to terrorist and all hazards threats; write new plans and work on numerous corrective actions in current plans. Gaps that will be addressed are local governments do not have sufficient resources to hire planners or contractors to meet on-going planning, training and exercise needs. Primary focus areas for this grant period include activities associated with planning & exercises, debris management, emergency coordination center operations, operational readiness, and training. Day-to-day ongoing activities are conducting Region 1 Council meetings, participating in workshops and conferences, project oversight, forecasting funding needs, ensuring subprojects are completed and compliant with guidelines, updating regional (multi-county) Volcano Coordination plan, and coordination and implementation of a region-wide HazMat spill exercise and Small Animal Plan TTX. Funding for staff will aid continuation of regional efforts to ensure prevention and mitigation of, preparedness for, and response to recovery from terrorist and all-hazards events. Planning costs will cover the salaries for planners throughout the region, organizational costs will include travel costs for staff to attend regional meetings and conferences that aid in planning efforts. Organizational costs will also cover funding needed for information services and cell phones. Training funding will cover costs associated with planning staff to attend conferences that will enhance their awareness of emerging statewide emergency preparedness concerns. The desired outcome is Region 1 will be better prepared for terrorism or all-hazards events.

Each county in Region 1 has radio communication gaps due to aging infrastructure and radio communications interference due to terrain, especially in the Cascade Range portion of Whatcom, Skagit, and Snohomish counties. The focus for this grant period is to improve responder and SAR communications in rural areas using a variety of approaches. Funding will be used for satellite service, satellite phones, repeaters, antennas, antenna towers, and maintaining alert and warning systems. Additionally, upgrades will be made to regional ECCs/EOCs and mobile command &amp; communications vehicle capabilities with the purchase and installation of responder and amateur radio equipment, Wi-Fi wireless technologies, and IT networking technologies. Gap: It has been determined only about 1/3 of the region's population has a minimum three-day supply of food and water in order to be better prepared for a terrorism or all-hazards catastrophic situation. The recent Cascadia Exercise validated this. Focus areas for this funding cycle are public education campaigns and improving outreach for populations with Limited English Proficiency.
