Public hearing for Safe Streets Supportive Housing project on May 18

EVERETT – As part of the formal [State Environmental Policy Act \(SEPA\) review process](#) (PDF) and land use approval process, the City of Everett has scheduled a public hearing for community members who wish to provide testimony on the [Safe Streets Supportive Housing project](#). The hearing is scheduled for Thursday, May 18, at 6 p.m. at the Everett Station Weyerhaeuser Room (3201 Smith Ave).

In April the City's planning department issued a [final mitigated determination of non-significance](#) (PDF) for the proposed project on Berkshire Drive. Visit the planning department's [project page](#) to review the SEPA and land use documents, including the [staff report in response to submitted comments](#).
