Memorandum of Understanding for the Installation and Use of New World Systems Software for Northwest Ambulance

This is a Memorandum of Understanding (MOU) for the installation and use of SNOPAC's New World Systems (NWS) applications for Northwest Ambulance (Northwest) on behalf of the City of Everett (COE). This MOU is exclusively between SNOPAC, the City of Everett, and Northwest Ambulance for the purpose of exchanging real-time dispatch information between SNOPAC and Northwest via the NWS Mobile system.

WHEREAS, Northwest has a contract with COE to provide BLS ambulance transports; and,

WHEREAS, Northwest is a for-profit ambulance service provider with a business office location of 1316 Wall Street, Everett, WA 98201; and,

WHEREAS, COE would like Northwest to have fully integrated NWS MOBILE to improve service delivery to Everett residents; and,

WHEREAS, SNOPAC is the license holder of NWS software which COE would like Northwest to use;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein it is agreed as follows:

1. **PURPOSE**
   
The purpose of this Agreement is to define the rights and duties of the parties for the installation and use of NWS applications for SNOPAC's MOBILE System.

2. **ORGANIZATION**
   
The administrator for SNOPAC's MOBILE System shall be the Director or appointed designee. The General Manager of Northwest shall be the responsible administrator ensuring this MOU is adhered to within their organization.

3. **SCOPE OF SERVICES**
   
   A. **General.** Upon execution of this MOU, Northwest will have permission to use 8 NWS mobile licenses to be used exclusively by Northwest units. Northwest will only have access to the NWS mobile application.
   - SNOPAC reserves the right to restrict levels of access dependent on the needs of Northwest and COE, and MOBILE system limitations.
   - To the extent possible, COE will administer the user accounts for Northwest and limit access, roles, and configuration.
   - Additional MOBILE applications may be approved and added to this Agreement through written amendments.
   
   B. **Purchase and Installation**
   - Northwest will not own NWS licenses. SNOPAC will charge back any and all related license fees for software to Northwest.
   - Northwest will be responsible for license costs for mobile data (Radio IP, Net Motion, etc.).
• Northwest will provide and maintain its own hardware and equipment.
• SNOPAC will provide technical support as necessary to Northwest for startup of NWS service. Following successful startup, SNOPAC is not obligated to provide technical, administrative or unreasonable operational oversight of this MOA.

C. Product Access and Maintenance. COE agrees to be the primary point of contact for all operational and technical matters related to this MOA.
• Access to the MOBILE System under this Agreement is subordirate to MOBILE operation at SNOPAC.
• Northwest agrees to comply with requests by SNOPAC for actions that are required for MOBILE system maintenance or repair. Such actions may include, but are not limited to, closing MOBILE software. Upon receiving requests to close MOBILE applications, Northwest agrees to immediately comply per the terms of the request.

D. Training. SNOPAC will provide Northwest with written training documentation for the operation of NWS MOBILE applications. Upon request, COE will provide train-the-trainer training sessions for the operation of NWS MOBILE applications.

E. Product Use.
• Northwest agrees to only use these licenses for emergency EMS work directed by Snohomish County Fire and EMS.
• Northwest agrees to control access to licenses and will not transfer or reassign licenses and will allow access to said licenses only to trained Northwest staff.
• Northwest agrees to maintain unit status in a way that SNOPAC and COE can readily identify and assign available units to COE incidents.
• Northwest agrees to comply with SNOPAC Operational Policies in regard to use of NWS software.
• Northwest agrees to be responsive to operational or technical concerns expressed by SNOPAC or COE.
• Northwest will institute internal policies and procedures which ensure compliance with this agreement. Northwest will inform SNOPAC of any violations in writing immediately, but no longer than 1 business day.

4. SECURITY

At all times, Northwest will prevent non-Northwest user accounts from being used on equipment which has NWS applications. Northwest must ensure MOBILE applications are only accessed by Northwest employees, trained in the application’s use, and who follow all applicable laws and policies regarding the use of information obtained from the MOBILE System. Northwest agrees to limit additional software to only SNOPAC approved applications.

5. MOBILE SYSTEM LIMITATIONS

A. SNOPAC is not responsible for limitations of the MOBILE System, connectivity equipment and services, or software.

B. The MOBILE System is occasionally taken out of service for upgrade or maintenance. SNOPAC or COE will exercise reasonable efforts to notify Northwest in advance regarding these planned events.
6. **COST RECOVERY**

   A. Northwest shall reimburse SNOPAC for software license fees and annual maintenance charges. Those costs will be defined in Attachment A, and subject to change as SNOPAC costs change.

   B. Northwest is responsible for the purchase of required software licenses, any software maintenance charges, and any software upgrade charges for each NWS MOBILE application it uses.

   C. Unless otherwise indicated in Attachment A, all required software related purchases will be done by SNOPAC on behalf of the Northwest.

   D. SNOPAC will invoice Northwest for its financial obligation for the MOBILE applications. Northwest agrees to pay SNOPAC $66.37 per hour (in ¼ hour increments) for technical or operational support.

7. **TERM OF AGREEMENT/TERMINATION**

   At the discretion of SNOPAC or COE, Northwest will cease use of all NWS software and licenses. At such time, Northwest will immediately cease use, and will delete all NWS software, and will provide SNOPAC with written attestation of deletion.

8. **WHOLE AGREEMENT**

   This Agreement is the complete and exclusive statement of the MOU between the parties relevant to the purpose described above and supersedes all prior agreements or proposals, oral or written, and all other communication between the parties relating to the subject matter of this MOU. This MOU or any modification of this MOU will not be binding on any of the parties except as signed by authorized agents of all parties.

   This MOU applies exclusively to the relevant parties, and does not set precedence for any other contracts or agreements, particularly in regards to third-party or for-profit agencies gaining access to MOBILE information or use.

9. **LIMITATION OF LIABILITY**

   SNOPAC's total liability for any and all damages whatsoever arising out of or in any way related to this Agreement, from any cause, shall not exceed the total of Northwest's annual fees under this agreement.

10. **COMPLIANCE WITH LAW**

    Northwest agrees to perform its responsibilities under and pursuant to this Agreement in full compliance with any and all applicable laws, rules and regulations adopted or promulged by any government agency or regulatory body, whether federal, state, local or otherwise.

    - HIPAA Compliance: Northwest will enter into a HIPAA Business Associates Agreement with SNOPAC; such agreement to be provided by SNOPAC.

DETAILED SUMMARY STATEMENT:
This agreement authorizes Northwest Ambulance to utilize Mobile Data Terminals in their ambulances, which provides a means for the 911 dispatch center (SNOPAC) to automatically dispatch ambulances based on their location. This agreement is between the City, Northwest Ambulance and SNOPAC, as Northwest Ambulance acts as a subcontractor for the City in providing ambulance transport services.

RECOMMENDATION (Exact action requested of Council):
Authorize the Mayor to sign the Memorandum of Understanding for the installation and use of New World Systems software for Northwest Ambulance.
