However, if in the case of a partial termination, the City determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the City may terminate the award in its entirety.

H. Termination for Withdrawal, Reduction or Limitation of Funding

In the event that funding from the Federal government is withdrawn, reduced or limited in any way after the effective date of this contract, and prior to its normal completion, the City may summarily terminate this Contract as to the funds reduced or limited, notwithstanding any other termination provision of this Agreement. Notwithstanding the above, if there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the four-year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the four-year period, whichever occurs later.
3. **Client Data:** The Subgrantee shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level or other basis for determining eligibility, and description of service provided. Such information shall be made available to City monitors or its designees for review upon request.

4. **Disclosure:** The Subgrantee understands that client information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of the City’s or Subgrantee’s responsibilities with respect to services provided under this Agreement, is prohibited unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian, or unless required by law.

c. In the event a financial audit has not been performed prior to close-out of this Agreement, the City retains the right to withhold a just and reasonable sum from the final payment to the Subgrantee after fully considering the recommendation on disallowed costs resulting from the final audit.
7. **Audits & Inspections:** All Subgrantee records with respect to any matters covered by this Agreement shall be made available to the City, its designees or the Federal Government, at any time during normal business hours, as often as the City deems necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by the Subgrantee within 30 days after receipt by the Subgrantee. Failure of the Subgrantee to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments. The Subgrantee hereby agrees to have an annual agency audit conducted in accordance with current City policy concerning Subgrantee audits and, as applicable, 2 CFR Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards).

C. **Reporting and Payment Procedures**

1. **Program Income:** The Subgrantee shall report quarterly all program income as defined at 24 CFR 570.500(a) generated by activities carried out with CDBG funds made available under this Agreement. The use of program income by the Subgrantee shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the Subgrantee may use such income during the contract period for activities permitted under this Agreement and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unused program income shall be returned to the City at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury is not program income and shall be remitted promptly to the City.

2. **Indirect Costs:** If indirect costs are charged, the Subgrantee will develop an indirect cost allocation plan for determining the appropriate Subgrantee’s share of administrative costs and shall submit such plan to the City for approval, in a form specified by the City.

3. **Payment Procedures:** The City will pay to the Subgrantee funds available under this Agreement based upon information submitted by the Subgrantee and consistent with any approved budget and City policy concerning payments. With the exception of certain advances, payments will be made for eligible expenses actually incurred by the Subgrantee, and not to exceed actual cash requirements. Payments will be adjusted by the City in accordance with advance fund and program income balances available in Subgrantee accounts. In addition, the City reserves the right to liquidate funds available under this Agreement for costs incurred by the City on behalf of the Subgrantee.

4. **Progress Reports:** The Subgrantee shall submit regular Progress Reports to the City in the form, content, and frequency as required by the City.
D. Procurement

1. **Compliance:** The Subgrantee shall comply with current City policy concerning the purchase of equipment and shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein. All program assets (unexpended program income, property, equipment, etc.) shall revert to the City upon termination of this Agreement.

2. **OMB Standards:** Unless specified otherwise within this agreement, the Subgrantee shall procure all materials, property, or services in accordance with the requirements of 24 CFR 84.40-48.

3. **Travel:** The Subgrantee shall obtain written approval from the City for any travel outside the Seattle/Everett area with funds provided under this Agreement.

2. Real property under the Subgrantee’s control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of $25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of this Agreement [or such longer period of time as the City deems appropriate]. If the Subgrantee fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subgrantee shall pay the City an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to the City. The Subgrantee may retain real property acquired or improved under this Agreement after the expiration of the five-year period [or such longer period of time as the Grantee deems appropriate].

3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subgrantee for activities under this Agreement shall be (a) transferred to the City for the CDBG program or (b) retained after compensating the City
[an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment].

III. **Relocation, Real Property Acquisition and One-for-One Housing Replacement**

The Subgrantee agrees to comply with (a) the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and implementing regulations at 49 CFR Part 24 and 24 CFR 570.606(b); (b) the requirements of 24 CFR 570.606(c) governing the Residential Ant displacement and Relocation Assistance Plan under section 104(d) of the HCD Act; and (c) the requirements in § 570.606(d) governing optional relocation policies.
