Summer Science Camp on the Jetty 2016

Greetings, Parents, and thanks for signing up for Summer Science Camp this year. If you are new to Science camp, then welcome! If you are returning, we are happy you're back! We are looking forward to a week of exploration, adventure and fun.

Our goal during camp is to get kids crazy for science! We'll do this through providing your kids exclusively HANDS ON science activities in a team-oriented setting. Our focus will be on ACTIVE discovery. A sampling of some of our activities includes: Bug Hunters; Ecosystem Explorers; Weather Forecasters-in-Training; Act Like a Scientist Day; Beach Engineering; Inside Sea Creatures of the Deep; Campfire Chemistry; and more!

By the end of the week we hope that our campers will understand that science is all around us; we aim to help your children become keen observers and questioners of the world around them. **It's going to be a fun and busy week!**

Tee shirts: Science camp tee shirts are included with your registration fee. Please indicate desired shirt size on the attached registration form.

It is important that you return the registration form no later than **JUNE 29** to guarantee the desired shirt size. You can mail, fax, scan and email, or drop the form off in person at the recreation office at Forest Park. Addresses are listed at the top of the form.

Following is a page full of information concerning the nuts and bolts of camp. Of course, you can contact us with any questions. Contact info is at the bottom of the next page. Email is preferred.

Thanks and see you at Camp!

JETTY

Here is a 'nuts and bolts' list of things you need to know before dropping your child off at camp:

Camp Location & Drop off/Pick up:

- Drop off is 10:15 am sharp **at the Jetty Island Kiosk** (same address as the 10th Street Boat Launch) in Everett. Please make sure your child is on time as we will be taking a scheduled ferry to Jetty Island. Please be at the Jetty Kiosk at 5:00 pm daily to pick up your child.

What to bring to camp:

- **Apparel:** Make sure your child is prepared for both hot and cold weather conditions as appropriate. Layers work well. We will be outside all day every day this week, and weather will not stop us from our field explorations.
 - Provide tennis shoes daily. Please provide a pair of secure water-shoes or strap sandals that can be worn in the mud and not fall off. **NO FLIP FLOPS on any day.**
 - Rain gear – Please check the weather forecast. If rain is predicted please pack a rain jacket and pants (if possible). Your child will be outside, rain or shine.
- **Day Pack:** Kids will need a day pack for personal supplies each day of camp. Please pack the following items:
 - **Lunch:** Please provide your child with a *heartly* sack lunch each day. Refrigeration and microwaves are not available.
 - **Sunscreen:** Please apply sunscreen before camp and send additional sun screen with your child so that he/she can re-apply throughout the day. On occasion staff may need to apply sunscreen to your child. If this is a problem, please notify the staff.
 - **Spare change of clothes**
 - **Towel and swimsuit (for wading in the shallow water of the Jetty Mud Flats)**
 - **Sun hat and sun glasses**
 - **Reusable water bottle**

Medication:

- If your child requires prescription medication during camp hours, you must please read and complete the attached Medication Information and Waiver form, and bring it with you on the first day of camp.

Safety:

- We will always have onsite medical equipment and trained staff in case of emergencies. Staff will have cell phones with them at all times in case of emergency and/or if you need to contact your child. Cell phone numbers are listed at the end of this letter.

Conduct:

- Campers are expected to arrive with a positive attitude and willingness to participate. Additionally, any camper who does not respect staff, other campers, the environment, or equipment will be asked to meet with a staff member and the parent/guardian. If a solution cannot be reached, or inappropriate behavior continues, the child will be asked to leave camp.

What NOT to bring to camp:

- Please do not send your child to camp with electronic devices (Cell phones, iPod, Gameboy, Etc.).
- No valuables (jewelry, special watches, special clothes, etc.) should be brought to camp as backpacks may be left unattended at times while we are in the field.

We look forward to getting to know your camper this summer. If you have any questions or concerns, please feel free to contact us.
