Log No.: 2016-07-05241-COMM

Dear Ms. Gagnon;

We have been contacted by Ms. Leslee Humphrey, representing the Catholic Housing Services of Western Washington, pursuant to Executive Order 05-05. We have reviewed the materials she provided for the proposed *Everett Supportive Housing Project* at 6107 Berkshire Drive, Everett, Snohomish County, Washington.

We concur with the determination of no cultural resource impacts.

We would appreciate receiving any correspondence or comments from concerned tribes or other parties that you receive.

In the event that archaeological or historic materials are discovered during project activities, work in the immediate vicinity must stop, the area secured, and the concerned tribes and this department notified

These comments are based on the information available at the time of this review and on behalf of the State Historic Preservation Officer in compliance with Executive Order 05-05. Should additional information become available, our assessment may be revised, including information regarding historic properties that have not yet been identified.

Thank you for the opportunity to comment and a copy of these comments should be included in subsequent environmental documents.

Sincerely,

Robert G. Whitlam, Ph.D.
