

TREE PLANTINGS WITHIN THE STREET RIGHT OF WAY

I, _____, do hereby accept responsibility for the tree(s) planted on my property within the street right of way.

I understand that maintaining these trees is the responsibility of the property owner. In consideration for the beauty, shade, and increased property value my tree(s) will provide me over the years, I hereby agree to perform the following to assure the survival and health of the tree(s).

- During the hot dry weather of first two years, I will water deeply (10-15 gallons) once a week.
- In the spring after one full year, I will remove all stakes and ties.
- I will wait after one full year to fertilize.
- Mulch will surround my tree(s) instead of lawn.
