

Free Conservation Items

Conservation items are popular and the supplies don't last long. Get yours today!

Free indoor conservation items

- WaterSense showerhead—1.75 gallon per minute, 2 styles in chrome (comes with a small amount of pipe tape for easy installation)
- Faucet aerators—2 styles in chrome available, 1 & 1.5 gallon per minute

Free outdoor conservation items

- 7-spray deluxe hose nozzle
- Outdoor automatic shut-off timer
- Moisture meters: frog or ladybug

Free toilet leak detection dye strips

Silent toilet leaks often go undetected. Place a few drops of food coloring or a toilet leak detection dye strip in your toilet tank. Do not flush. Wait 20 minutes. If the water in the toilet bowl turns blue without flushing, you have a leak.

Free summer yard watering calendar

In the summer household water use can double. You can save water by using our annual yard watering calendar.
