

ReThink Zoning, Housing Hope and matching fund/mini grants will be the topics at our meeting this evening. ReThink zoning is the future of our neighborhood and Everett. Our complex and diverse neighborhood will play an important role in Everett's growth. Please plan to attend tonight for a better understanding. Allan Giffen, Planning Director will give us an overview and handout that will help us navigate the website.

Fred Safstrom from Housing Hope will talk about future plans.

Matching Fund/Mini-Grant ideas welcome, submission by Friday.

Tammy Caldwell will be providing some delicious refreshments.

Come and meet your neighbors and community! See you all !
