

## HAZARDOUS TREE REMOVAL APPLICATION

**INSTRUCTIONS** → Submit the following items listed in the checklist below. If this checklist or any of the items below are not included with your application submittal, your application may be deemed “incomplete” and returned to you in accordance with EMC Title 15. No fees are required for this application.

**NOTE:** *This application is for hazard tree removal requests within critical areas and/or their required buffers. The removal of hazard trees from critical areas and/or their required buffers is subject to replanting of native trees to maintain critical area and buffer functions in accordance with [EMC 19.37.060.B.3.b.](#)*
