AFFIDAVIT OF POSTING FOR PROJECT NO. SMA21-003, SEPA21-006, FZ21-001

Applicant: City of Everett Public Works/DD 5

Proposal: Dike repair

Location: Union Slough south side between SR529 and east side of I-5 bridge

Date City Mailed Notice: 02-18-2022

Posting Instructions: Three notice boards must be posted for this proposal. One notice board shall be posted facing South along east side of SR529 just before bridge railing begins and the second sign facing WEST AND ALONG 28TH PL NE at the intersection with SR529, and the third sign along Dike road near the lumberyard facing South. Notice boards shall be posted so as to be easily seen and read from the public right-of-ways no later than the end of day on February 18th, 2022.

The public comment period ends on: March 21st, 2022. The Applicant is responsible for ensuring that the boards remain posted for the entire 30-day comment period and for removing them at the end of that time. If additional signs are needed, contact your project planner in the Planning Division.

I, the undersigned, upon oath say that the City of Everett Public Notice was posted for the project described above as per the posting instructions on 2/15/2022 (date) and that the sign(s) are clearly visible from the right(s)-of-way.
