Council members,

As a home owner in the vicinity of the proposed 25 unit apartment complex, I am opposed to the construction in this location.

We live just across the gulch bridge. Traffic is already excessive. Speeding, also an issue around the curve. We stopped walking that area due to speeders flying around curve. Parking will be an issue., it already is an issue. This area really isn't suited for an apartment complex, smack dab in the middle of a single family house neighborhood. I am not opposed to multi family housing, this particular location just isn't suited for a multi family complex.

Thank you for your time,
Jen Collette
