BICYCLE-FRIENDLY STATUS IS A **BIG DEAL**

It gives Everett a roadmap to become even more bicycle friendly

HOW EVERETT IS BIKE FRIENDLY

- ☆ Encouraging non-car travel with annual bike month events
- ☆ Engineering, evaluating and planning for safer bicycling
- ☆ Strong bike-friendly laws and ordinances
- ☆ More bike program staff than the average silver-level communities

EVERETT IS COMMITTED

This award is presented only to communities with impressive commitments to bicycling.

AMELIA NEPTUNE, DIRECTOR
Bicycle Friendly America Program

More than 10 years into our Bicycle Master Plan, Everett is building a safer bike community through events, policy and infrastructure.

BIKE FRIENDLY IS CLIMATE FRIENDLY

Everett embraces non-car travel and develops vibrant, healthy and livable neighborhoods.

Other bronze-level Washington communities:

SHORELINE **KIRKLAND**
TACOMA **SPOKANE**

WHAT YOU TOLD US:

This is a great place to use a bike for daily errands as well as having access to some amazing recreation right from your doorstep.

I am excited to be part of a community that sees the importance of creating a cycling community.

This application shows Everett's commitment and that we are moving in the right direction!
