					5 or 4	3	2 or 1
1	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	B1	<b>Broader engagement of business community</b> in the safe spaces program offered by Police.	C O N	95%	0%	5%
2	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	M1	<b>*Expand use of therapeutic courts:</b> expand Community Justice Alternatives program to include, or when justified by capacity establish a stand-alone, drug court, and explore feasibility of homeless court and community court.	C O N	90%	10%	0%
3	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	I1	<b>*Alcohol Impact Area(s)</b> – Designate area(s) within the City in which the sale of high alcohol content, inexpensive, single-serving take out products is prohibited.	C O N	90%	5%	5%
4	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	C1	<b>Adjust jail release time</b> from midnight to a reasonable hour when complimentary services are open.	C O N	90%	0%	10%
5	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	G1	<b>*(Policy) Criminal Justice practices should be evidence-based and cost effective</b> to reduce recidivism and should not simply shift costs but should result in cost savings for the community as a whole.	C O N	85%	10%	5%
6	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	A1	<b>*Jail Transition Services Facility:</b> Support the County’s current proposal to convert the Carnegie Building adjacent to the Jail to a jail transition facility with services, caseworkers and temporary shelter for individuals released from Jail so they are not released into the streets without resources.	C O N	80%	15%	5%
7	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	L1	<b>*Work Crew</b> as an alternative sentence, in lieu of incarceration. Crew would focus on cleaning up (sweeping, litter pickup, etc.) commercial core areas most affected by litter, beer cans, graffiti and other by-products of street disorder.	C O N	80%	15%	5%
8	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	D1	<b>Encourage City police officers to reside in Everett</b>	C O N	80%	15%	5%
9	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	H1	<b>*(Policy) Law enforcement and criminal justice entities should be transparent and accountable;</b> their practices should be driven, measured, and tracked with meaningful data to show the community how they are affecting crime, recidivism, and street level social issues; data should be available to the public, and practices should be modified periodically in response to the data.	R E C	75%	20%	5%
10	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	S1	<b>*Implement County-Wide Justice Reinvestment Model</b> or other ongoing collaborative, systemic review of criminal justice system.	R E C	73%	0%	27%
11	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	N1	<b>*Develop a multi-agency team</b> to respond to frequent utilizers (identified with consultation with business and property owners) of emergency, police, jail, and medical resources with individually tailored plans to improve functioning of individuals and reduce the burden on these systems system.	R E C	65%	30%	5%
12	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	Q1	<b>*Increase law enforcement presence in commercial core areas,</b> especially bike and foot patrol; use noncommissioned personnel if there are insufficient commissioned officers to implement this recommendation.	R E C	63%	21%	16%
13	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	R1	<b>Return released inmates and other dislocated individuals to place of origin or relational support.</b>	R E J E C T	59%	27%	14%

Rank	Category	ID	Action Item	Status	Frequency Distribution of Ratings		
					5 or 4	3	2 or 1
14	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	J1	<b>*Amend aggressive begging ordinance</b> to prohibit panhandling at intersections and on median strips.	REJECT	56%	17%	28%
15	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	P1	<b>*Incorporate outreach into police and EMS (Santa Monica model)</b> , including providing police and EMS with training/information on available services to refer people to and imbedding a social worker in EMS and police.	REJECT	53%	37%	11%
16	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	E1	<b>*(Policy) Address Factors Underlying Criminal Behavior:</b> Individuals whose criminal behavior can be reduced by addressing underlying needs should be diverted from the criminal justice system into the social service system at multiple points in the criminal justice system, e.g., law enforcement diversion, prosecutorial diversion, judicial diversions and therapeutic courts, opportunities to connect with services while incarcerated and upon release, and probation practices that emphasize rehabilitation.	REJECT	47%	47%	5%
17	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	O1	<b>*Implement evidence-based best practices in probation services</b> to reduce recidivism, thereby reducing street crime. Probation services should include a validated need/risk assessment tool, focus on offenders at highest risk of re-offending, and use a menu of strategies that includes approaches such as drug and alcohol treatment, mental health treatment, life skills training, and evidence-based therapies such as cognitive behavioral therapy.	REJECT	44%	39%	17%
18	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	K1	<b>*Day reporting</b> (individuals report daily to a non-secure facility in lieu of secure confinement; eventually evidence-based rehabilitative programming could be incorporated)	REJECT	25%	30%	45%
19	CATEGORY 1: Improving Public Safety and Reducing Crime (Policing/Jails/Criminal Justice System)	F1	<b>*(Policy) Evaluate and implement changes as part of a system-wide approach</b> –addressing cross-system impacts and need for coordination between criminal justice, human services, housing, and service provider systems/communities.	REJECT	20%	50%	30%
20	CATEGORY 2: Providing More and Enhanced Services	V2	<b>*Drop-in/Day Centers: Increase capacity, accessibility, and hours of existing drop-in/day centers;</b> explore need/feasibility of adding additional center(s); and include/enhance services and amenities (e.g., showers, laundry) available at these centers, with careful consideration given to minimizing impacts on commercial core areas.	CON	95%	0%	5%
21	CATEGORY 2: Providing More and Enhanced Services	B2	<b>Unified call-center</b> and create a "one stop", full time, integrated service center for chronically homeless individuals similar to the annual Project Homeless Connect. Locate the center near the Everett Transit Center to take advantage of its extensive transportation resources.	CON	90%	5%	5%
22	CATEGORY 2: Providing More and Enhanced Services	E2	<b>Multiple small outreach sites</b> for information on available services around city	CON	89%	5%	5%
23	CATEGORY 2: Providing More and Enhanced Services	A2	<b>Change city policy to allow access by Evergreen Manor</b> to the City's federal Community Development Block Grant (CDBG) funds to fund needed alcohol and drug treatment capacity	CON	89%	5%	5%

R a n k	Category	ID	Action Item	s t a t u s	Frequency Distribution of Ratings		
					5 or 4	3	2 or 1
24	CATEGORY 2: Providing More and Enhanced Services	S2	<b>Prioritize services support for children under 18</b> , and then for young adults (18-24) as opposed to older populations	C O N	86%	10%	5%
25	CATEGORY 2: Providing More and Enhanced Services	AA2	<b>*Increase funding for outreach to Homeless Youth and Adults:</b> Expand funding for both youth and adult outreach services to ensure pro-active, on-going outreach to street populations, ideally including a social worker imbedded in police or EMS per recommendation C1. Outreach target sites should include meal programs, the library, transit center, day centers, and other identified spots where street-level social issues arise.	C O N	86%	10%	5%
26	CATEGORY 2: Providing More and Enhanced Services	D2	<b>Increase funding for mental health treatment</b>	C O N	85%	10%	5%
27	CATEGORY 2: Providing More and Enhanced Services	G2	<b>Have job skill training and mailboxes available</b> for homeless to help them get jobs and provide outreach for these services at feeding programs	C O N	85%	10%	5%
28	CATEGORY 2: Providing More and Enhanced Services	CC2	<b>*Rest Rooms:</b> Map all downtown public restrooms where street populations would be welcomed and add signage to indicate locations of public restrooms; explore options for expanded public restroom access to reduce negative impacts to the Everett Public Library, Transit Center, and core areas; and explore urban rest stops and public restroom solutions that are working well in other communities.	C O N	85%	10%	5%
29	CATEGORY 2: Providing More and Enhanced Services	DD2	<b>Transport dislocated and/or stranded individuals:</b> work with other street outreach workers to identify individuals who have been dislocated to Everett (including individuals released from emergency room) and return them to their families or other location where they have a support system.	C O N	85%	10%	5%
30	CATEGORY 2: Providing More and Enhanced Services	W2	<b>*Seek funding for and create additional triage and medical detox bed capacity</b> , including secure detox, detox/treatment for youth, and support for proposed South County detox facility, with careful consideration given to siting to minimize impacts on commercial core areas	C O N	80%	15%	5%
31	CATEGORY 2: Providing More and Enhanced Services	Z2	<b>* Increase Resources for Outreach Training and Coordinate Training Between Systems</b> (first responders such as EPD and EMS, volunteers from the faith-based communities, homeless service providers) on Mental Health First Aid and First Aid, volunteer safety and outreach best practices, and available community resources to empower them to better support street populations and improve referrals into supportive services.	C O N	80%	10%	10%
32	CATEGORY 2: Providing More and Enhanced Services	T2	<b>Prioritize support for programs who help people who demonstrate a willingness to help themselves and go to treatment.</b>	R E C	79%	16%	5%
33	CATEGORY 2: Providing More and Enhanced Services	Y2	<b>*Establish a flexible fund</b> for meeting one-time, short-term needs of precariously housed individuals, including emergency rent and utility payments, to prevent homelessness and reduce the need for more costly interventions.	R E C	79%	16%	5%
34	CATEGORY 2: Providing More and Enhanced Services	BB2	<b>*Implement Best Practices at Meal Programs:</b> such as providing indoor waiting and serving areas, monitored restroom facilities and proactive clean-up to minimize spillover impacts, and engaging participants in operation of the meal service where possible. Convene faith communities for best practices trainings with churches twice a year. Consider coordination between meal program times and locations to best serve people attending the meals throughout the community.	R E C	78%	11%	11%
