The Redistricting Commission began meeting in early 2022 to evaluate the city council district map based on 2020 Census data, as required by the City Charter and Washington state law. A final map and plan will be adopted by the city council by Nov. 1, 2022.

City council districts were approved by Everett voters in November 2018. The initial 2019/2020 districting commission developed the current [district plan](#) and [map](#) which was adopted by Everett City Council in 2020.
