

# EVERETT CITY COUNCIL Redistricting

## Share your input on proposed changes to the Everett district map.

The Redistricting Commission will host six community meetings for the public to learn about and provide feedback on the proposed changes to the district map. These map changes impact the city council districts that were finalized in 2020.

In-person meetings will be held in each of the five districts and one hybrid meeting for the community at large. Please join the meeting that works best for you.
