[EXTERNAL] New potential housing regs in Everett Thursday, November 24, 2022

6:15:07 PM

Don't allow a second and 3rd unit on all properties in Everett. This spells disaster to current home values. The aesthetic of 2x & 3x the housing in same space is horrible. We are Not a 3rd world country. Stop these policies. The People do not want a mess in our backyards. If the plan is to bankrupt homeowners and the city from all the lawsuits it will cause, You can resign now as we see ur end game. Stop.
