

ANNUAL NSCIU DISCHARGE COMPLIANCE REPORT

City of Everett Industrial Pretreatment Program

January through December

Reporting period

January 31,

Due date

Company name

Permit #

Facility address

Based on my inquiry of the person or persons directly responsible for managing compliance with the categorical Pretreatment Standards under **40 CFR 433**, I certify that, to the best of my knowledge and belief that during the period from January, to December:

(Please check the following items that are true)

- The facility described above met the definition of a non-significant categorical Industrial User as described in 40 CFR 403.3(v)(2); and
- The facility described above complied with all applicable Pretreatment Standards and requirements during this reporting period; and
- The facility described above never discharged more than 100 gallons of total categorical wastewater on any given day during this reporting period; and
- The facility described above never discharged any untreated concentrated wastewater during the reporting period; and
- Daily flow logs and any analytical data from the parameters listed in section II.A Limitations and Monitoring Requirements of permit # _____ for the reporting period are enclosed with this report.

I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system or those persons directly responsible for gathering information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
