

# UPDATE NOTICE

## ACCEPTING APPLICATIONS FOR SPECIFIC AMENDMENTS TO THE COMPREHENSIVE PLAN AND/OR DEVELOPMENT REGULATIONS DEADLINE EXTENDED

**-- APPLICATIONS NOW ACCEPTED UNTIL 12 PM JUNE 12, 2023**

Notice is hereby given that the city is extending the application deadline for amendments to the city's [comprehensive plan and/or development regulations](#) (also known as the Unified Development Code, zoning code, or Title 19 EMC) to be included in the [2044 Comprehensive Plan Periodic Update](#) process.

Specific amendment applications may request changes to the following:

- Comprehensive plan – [text, goals, objectives, policies](#)
- Comprehensive plan – [land use map](#)
- Development regulations – [Title 19 EMC](#)
- Development regulations – [Zoning map](#)
- Development regulations – [Maximum building height map](#)
- Development regulations – [Street designation map](#)

Applications will be reviewed by city staff, who will make a recommendation to the planning commission on which applications should be advanced for further consideration in the periodic update. The planning commission will then make its recommendation to the city council, which will have the final decision. Proposals advanced for further consideration will be incorporated into the periodic update environmental review process, enabling a decision along with the rest of the periodic update.

**Extended deadline for submitting a complete application is 12 p.m., Monday, June 12, 2023.**

Information about the Periodic Update Project is found at [www.everettwa.gov/2044](http://www.everettwa.gov/2044). Please contact Karen Stewart with the Everett Planning Department at (425) 257-7186 or email [kstewart@everettwa.gov](mailto:kstewart@everettwa.gov) to schedule a pre-application meeting and request an application form with instructions.
