## **City teams up with neighborhoods and partners for Clean Everett Day**

EVERETT, WA – The City of Everett, Everett neighborhood associations, Rubatino Refuse Removal, Inc. and Cedar Grove are teaming up for Clean Everett Day on Sunday, June 11 starting at 10 a.m. Clean Everett Day is a “spring clean” event to pick up trash and debris around the city. Community members are encouraged to participate by signing up to volunteer or by bringing items for disposal to one of four collection sites. The event goes until 2 p.m. or until the dumpsters at the collection sites are full.

Everett neighborhood associations and community partners will be participating in community cleanups throughout the city. The community cleanup team volunteers will collect trash and debris in parks, along streets and sidewalks and in other public spaces, and transfer them to collection sites for disposal.

Volunteers are also needed to monitor the collection sites to direct traffic and assist cleanup teams with trash disposal. There will be dumpsters available at select Everett Public Schools locations: Cascade High School, Lowell Elementary School, North Middle School and Sequoia High School. In addition, there will be yard waste collection available at Cascade High School.

“Last year’s Clean Everett Day was a great success and I’m proud we are able to continue the event this year,” said Nichole Webber, director of engagement at the City. “It’s great to see the entire community getting involved in this effort and helping beautify our city.”

Learn more about the event, sign up to volunteer or view the full list of what items will not be accepted at collection sites at [everettwa.gov/clean](http://everettwa.gov/clean).
