Everett Community Streets Task Force Adjusted Ballot Results -- October 2014

This document presents the adjusted voting results from the Task Force, based on ballots completed by Task Force members and subsequent adjustments approved by the Task Force at Meeting 7 (October 16). The Items on the ballot were developed from discussion at Task Force Meetings and from additional Task Force member suggestions.

City staff developed the preliminary assessment of the implementation tem, cost, required and recommended partners.

Task Force members were asked to indicate their support for each item by rating each item from 1 through 5. **Rating Key:** 5 = I strongly support; 4 = I support ; 3 = I neither support nor oppose; 2 = I oppose; 1 = I strongly oppose.

Per the Task Force Charter, Items supported by (e.g., rated 4 or 5) at least 80% of the Task Force members voting are considered "Consensus Items" (noted in the "Status" column by a green shaded box marked "CON"); Items supported by at least 60% but less than 80% of the Task Force members voting are considered "Recommended Items" (identified by yellow boxes marked "REC"); Items supported by less than 60% of the Task Force members voting are Not Recommended (identified by pink boxes marked "NOT REC").
