FIRE SUPPRESSION SYSTEM

service size	minimum	service size	minimum
1-2"	\$ 16.90	8"	\$ 55.30
3"	\$ 23.10	10"	\$ 69.80
4"	\$ 29.40	12"	\$ 80.70
6"	\$ 42.60		

Your bill shows current consumption in CCF's. One CCF is equal to 748 gallons. A family of four typically uses about 10 CCF per billing cycle. If your usage tends to be higher, you might have a leak.

Learn more about how to detect and fix leaks at everettwa.gov/waterconservation.

This rate increase, approved by Everett City Council, addresses the impact of inflation and supply chain issues on operations and costs. It also provides funds for projects needed to sustain and improve the aging infrastructure.

INFORMACIÓN IMPORTANTE

El 1 de Enero de 2024, aumentarán las tarifas de los servicios públicos. Visite everettwa.gov/ub para encontrar una versión en español sobre el aviso de tarifas.

Utility bill tips:

1. Setting up auto pay online is the easiest way to ensure that your bill is paid in a timely manner. Visit utilitybilling.everettwa.gov
2. If paying by check, make sure that your utility account number is included on check.
3. Our office is open only by appointment. Call 425-257-8999 to discuss your utility issue.
4. When making payments on multiple properties, please match the account and the amount being paid for each.
5. We offer discounted rate programs for senior citizens and people with disabilities living on limited incomes who own and live in their home. More information on our website everettwa.gov/ub.

To report urgent water, sewer, road or traffic control problems, call the City of Everett 24/7 at 425-257-8821.
