Timeline
Returning gardeners must re-register and apply before March 26th; if requesting a change of plot, it will be on as available basis. New gardeners may begin reservations March 30th.
Fee to be paid with application. Checks or Money Orders made out to City of Everett. VISA and MasterCard accepted by phone by calling 425:257-8300 ext. 2. Scholarship information also available at the same phone number. If plots are full, you will be refunded your payment.
Gardens must be worked in by May 1 or they may be reassigned.

- Guideline Agreement**
To ensure a safe and enjoyable experience for all gardeners, the following guidelines must be observed.
As a Senator Henry M. Jackson Community Garden Participant, I agree to:
1. Actively garden my assigned plot. At the end of the season I will leave the plot mulched or with a cover crop. This includes removing all dead plant matter. Low fences (2 ft.) are allowed. Trellis material may be left on site, but your plot cannot be unsightly.
 2. Grow only vegetables, small fruits, flowers, or non-spreading herbs. Keep invasive, twining or climbing plants in my own plot. Perennials are only allowed for returning gardeners, otherwise only annuals are permitted.
 3. Practice organic gardening only. I will not use any pesticides (herbicides, insecticides, etc.). Organic fertilizers are allowed (compost, fish meal, composted manure, lime, etc.).
 4. Not smoke, vape, or use tobacco products, drink, or come intoxicated or impaired on City of Everett park property.
 5. Not grow any plants prohibited in the garden including those on the [Washington](#) State Noxious Weed List, grasses, shrubs, trees and weeds, marijuana and opium poppies.
 6. Stay within plot boundaries and use caution with tall plants or supports (max height 6ft) and will make sure I only shade my own garden if I grow tall plants.
 7. Use the produce or share produce with friends or donate produce to food banks; not sell, barter, or receive any compensation for my produce.
 8. Provide soil improvements, seeds, tools (a limited supply of tools are available to borrow), and labor to keep up my plot, and keep out weeds.
 9. Keep pathways, common areas around my plot, and my plot clean and tidy, which includes eliminating all weeds in the seedling stage.
 10. Always be on site when watering, be aware of sharing water faucets with others (especially when two or more gardeners are on site at the same time) and be careful to use water wisely and not to impact my neighbors.
 11. Leave my pet at home and not bring any animals into the garden area.
 12. Contact the community garden supervisor if I am no longer able to garden my plot at any point throughout the season. Contact the Recreation Office at 425-257-8300 ext. 2.
 13. Clean and store community garden tools properly. Keep the garden shed neat and locked. I will not share my lock combinations. I will always lock the water faucets before I leave.

14. Always spin the numbers on the locks to both the water faucets and the shed after use to ensure that no one can see the right lock combination or potentially gain unwarranted access to the faucets or the garden shed.
15. Due to limited space in the community garden shed, all personal property must fit inside your marked plastic bin.
16. Respect private property and produce of other gardeners.
17. Properly dispose of all garbage and garden waste.
18. Be responsible for guests and children who visit the garden with me. I will closely supervise my children and help them learn respect for gardening and boundaries.
19. Care for my plot by keeping it planted, weeded, watered, and harvested. If the City witnesses a plot that is not being maintained (for example: overgrown weeds, not watered or harvested), the City will attempt to contact the responsible gardener using the contact information on the application that was provided by the gardener. If the situation is not immediately remedied or gardener is unable to be contacted, the plot may be reassigned, and no refund will be issued.
20. Be a good neighbor to my fellow gardeners.
21. Large plots have a drainpipe located in the garden area next to the cement curb. Do not use stakes or dig in this area. The tillable plot area is defined by the metal stakes.
22. Report graffiti by calling the Graffiti Hotline at 425-257-8748
23. I understand that if I fail to comply with this agreement, I will not be allowed to continue gardening in the Senator Henry M. Jackson Community Garden.

The City of Everett will provide access to water, use of hoses, a storage shed and a limited supply of tools. Gardeners are responsible for putting tools away in the shed and turning off the water when they leave the garden. The City is not responsible for any vandalism or theft in the garden. Call 911 in the case of any vandalism or theft. The City reserves the right to remove unsightly debris, diseased plants, or anything else deemed unsightly by City of Everett staff. The City of Everett also reserves the right to modify these rules at any time.

By signing this you agree to follow the guidelines. Failure to follow these guidelines or any other City policies or procedures may result in the loss of your plot with no refund.
