CITY OF EVERETT OVERVIEW

The City of Everett was incorporated on May 4, 1893. Located along the shores of Port Gardner Bay, Everett is about 25 miles north of Seattle and 85 miles south of the Canadian border. The City encompasses roughly 42 square miles of land and is bordered by 11 miles of saltwater and 10 miles of freshwater shoreline.

Everett operates under a Mayor-Council form of government. It is a general purpose governmental entity and provides the full range of municipal services allowed by statute and charter. These services include police, fire, emergency medical services, street maintenance, planning and zoning, libraries, parks and recreation, and general administrative services. In addition to its general government services, the City operates five enterprises: water and sewer utility, solid waste (recycling) utility, two golf courses, a transit system, and a parking garage.

The City of Everett is the Snohomish County seat. With a population of 103,300, it is the largest city in the county and the seventh largest in the state.
