

VEHICLE THEFT PREVENTION

Locking your doors, rolling up windows, AND a steering wheel locking device are effective auto theft deterrents. This is especially true when would-be auto thieves see devices like The Club.

In an effort to help our community combat vehicle theft, the Everett Police Department is proud to partner with Winner International. Since 2004 the Everett Police has offered the renowned auto theft deterrent device known as The Club to the public.

The Club is the original patented vehicle steering wheel lock and the #1 selling mechanical anti-theft device for cars and trucks. The Club brand is synonymous with automotive security. As a recognized leader in the automotive industry, Winner International delivers quality security products to satisfy their customers' needs.

THE CLUB:

The Everett Police Department offers The Club for \$16.00 by Visa or Mastercard.

Purchases can be made at:
North Precinct - 3002 Wetmore Ave
South Precinct - 1121 SE Everett Mall Way
